

Your pledge to #EndBullying

Rally your students around a pledge to #EndBullying and show your school's pride with this customizable activity.

Grades: 1-8

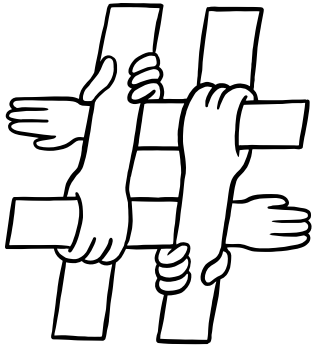

Material

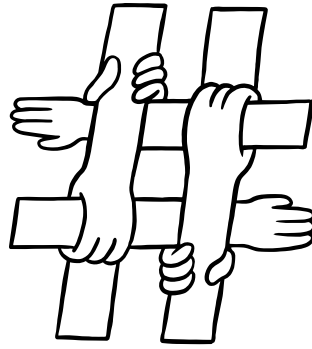

- Large poster boards, or a large roll of paper long enough to make a banner
- Markers
- Printout of #EndBullying hashtag on page 2
- Printout of school logo or mascot (optional)
- Adhesive: tape or glue

Activity

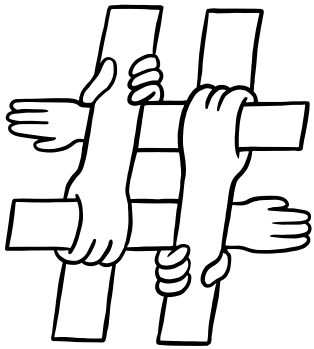

- Hang a blank banner in a highly visible area, such as a classroom, hallway, gym, etc.
- Using a large marker, write in the middle of the banner: [SCHOOL NAME]'s pledge to #EndBullying.
- Stick your school logo or mascot in the centre, or customize the banner to show your school's spirit.
- Distribute an #EndBullying hashtag to each student (you will need to cut them out of the #EndBullying printout). Depending on your students' age range, invite them to colour and/or write one or two ways they will help end bullying, and have them each sign their name.
- Have students stick their signed pledges to the banner.
