Ted,

To briefly recap the items discussed yesterday (using your list):

REDACTED

REDACTED

13. Privilege Logs. I told you that IBM is in the process of updating its privilege log to account for productions since the last log was prepared. I also requested that SCO update its privilege log, and am assuming that SCO is likewise in the process of doing so.

REDACTED

Let me know if you think there are other issues we should plan to discuss. Regards,

Ted
