Re: *Nokia Corporation v. Apple Inc.*
C.A. No. 09-791 (GMS)

Dear Chief Judge Sleet:

We represent Nokia in this case. I write to provide updated information regarding Nokia's motion seeking a stay of Apple's patent claims pending ongoing re-examination proceedings (D.I. 80), so that the motion can be decided on a complete record.

Since August 30, 2010, when briefing of Nokia's motion was completed, the Patent Office has issued four office actions in the pending re-examinations. The Patent Office issued a notice of allowance of one patent on October 28, 2010, and issued three rejections of other patents on October 28, 2010, November 19, 2010, and December 23, 2010. The Office Actions are attached as Exhibits A-D.

Respectfully,

/s/ Jack B. Blumenfeld
