## **Device Handling Directions**

The physical devices you received are evidence in this trial.

You may use them in your deliberations, and may connect to the Internet through the Web Browser application, but must not alter or modify the devices in any way.

Some of the devices have SIM cards in their packaging. These SIM cards are not to be inserted into the phones.

Some of the devices have a mobile data connection, and you will not need to take any additional action to use the Web Browser application.
