Missing Row in D' 305 Design

Freddy Anzures - Apple Design Inventor

- Q. Directing your attention to Figure 1 of the '305 design patent, which is Exhibit 577, you'll see that there's an empty space there between the third rows and then the dock?
- A. Yes.
- Q. Do you know if there's a reason for that empty space?
- A. Yes.
- Q. What's the reason for the empty space?
- A. The reason was to provide a space between the main icons and the dock icons.
- Q. And why was that?
- A. By design. So that there's a visual distinction between the four icons at the bottom, which we call your favorites, and the other icons on the screen.
