 ABOUT SSL CERTIFICATES

Select T-Mobile offers are available exclusively to customers activating a line of service with a two (2) year contract. Value shown based on other listed offers via the Internet. Orders for products and services are fulfilled by Simplexity, an authorized agent for T-Mobile. Despite our best efforts, a small number of the items offered by us from time to time may be mispriced. If such a mistake occurs and an item's correct price is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. T-Mobile's Regulatory Programs Fee (not a tax or government-mandated charge) of \$1.21 per line/month applies. Taxes approx. 6-28% of your monthly bill. Device and accessory charges appear on your credit card as CELL STORES\*CellularChoices.

\*Free delivery via FedEx for all phones and accessories ordered with an individual new line of service.
