iPhone 5 Sales Around the World and Discounted iPhone 5 in the U.S.

The sixth-gen [iPhone 5 sales](#) are announced in 20+ countries worldwide since last Friday. Now this smartphone is available to citizens of 31 countries from all over the world. Such a release schedule is very aggressive, especially for Apple.

The first nine countries where the debut of the sixth-generation iDevice took place with the iPhone 5 pre-orders included the United States of America, Canada, France, Japan, Germany and others. Now this list along with the U.K., Singapore, Australia and Hong Kong is joined by a lot of European counties, such as Poland, Denmark, Italy, Luxembourg, etc.

There are a lot of videos on the web that show consumers queuing up to be the first ones to buy the new iPhone. No wonder, as this model of the popular Apple handset features a bigger screen, better processor, smaller connector port and others.

More Countries in December

Closer to Christmas, the Cupertino-based company will start [iPhone 5 sales](#) in 70 more countries. Apple's gadget will be supported by 240 mobile operators, and according to predictions, it will be called the best selling product developed ever by California tech giant. Even though analysts expected iPhone 5 sales to reach amazing number of about 8 million devices sold during the debut weekend and Apple sold only 5 million units, this number is still a record set by the company.

iPhone 5 Sales Come to 22 More Countries

Some foreign carriers, for example Slovak Telekom and Orange Slovakia, aren't accepting iPhone 5 pre-orders because of the device's low supplies. They will only offer iPhone 5 sales during regular opening hours in their stores.

Some countries offer customers to buy an [unlocked iPhone 5](#) starting at \$1049. This is the price you can get an unlocked iPhone 5 on Apple New Zealand site.

iPhone 5 with a Discount

By the way, last Friday was a big day for Americans since local customers can now purchase their iPhone 5 not only from AT&T and Verizon, but also from regional operators such as Appalachian, Cellcom, GCI, nTelos and others. Some of these carriers offer the iPhone 5 with a discount so consumers can get a brand new 16GB model for as low as \$149, a 32GB device for \$249 and a 64GB unit for \$349 if they get it with a 2-year contract.
