First CDMA Android Device with Boost

The Prevail is the first CDMA phone offered by Boost to also run the Android 2.3, Gingerbread Platform. It's a powerful combination to have in the palm of your hand.

Advanced GPS

With the Prevail in your hand, you'll always be able to find your way around town by using Google's map and navigation apps.

More App Choices through Google Play

The Prevail gives you access to the constantly growing list of available Android apps, which is currently over 250,000! For whatever situation you find yourself in, chances are there's an app that can make the experience richer. It's easy to download apps and games with just a stroke of the 3.2-inch touchscreen.

2.0 MP Camera

You'll always be ready to shoot spontaneous photos and short videos, thanks to the 2 Megapixel camera. It's perfect for quick uploads to social networking sites like Facebook and Twitter or for sending multimedia messages.

“This Product Continues To Amaze Me”

★★★★★

I've owned this phone now for six months and I still find this phone amazing. It is a huge step up from any flip style phone I had previously. I'm still learning about new features, and, the more I learn, the more I like. I really like Samsung and the phones they have available. The possibilities ar...[Read More »](#)

“I'm hooked...”

★★★★★

Just finished week 1 with the Prevail, and I'm hooked. It's speedy, reliable, just the right size, and works great. I compared dozens of Android phones before settling on this one, and it gives in my opinion the best bang for the buck in the smartphone market. Well done, Samsung....[Read More »](#)

“Galaxy Prevail Touchscreen phone”

★★★★★

I own 2 of these gems and although it has been for only a short period of time, I love it. Being a senior, I didn't know how or if I would be able to operate this new "gadget" but my Son had me up and running in a short period of time. I think the best feature I like is the spoken commands and it is...[Read More »](#)
