Product Features [See All Features](#)

The brightest, most colorful screen

The Galaxy S™ II has an amazing 4.27" Super AMOLED™ Plus screen. This superb display has razor sharp clarity and breathtaking color. See every detail of videos and pictures. See the full range of hues in all their subtlety and brilliance. And with its superior wide viewing angle, you don't have to be directly in front of the screen to see a perfect image. Truth is, you really have to see it to believe it.

“Rock Solid Product”

★★★★★

This android is highly customizable and has incredible features and is an overall great product for not just the avid everyday user but also the tech junkie who loves extra's and features. The android platform is incredibly stable and the camera's on this take vivid crisp and absolutely awesome p...[Read More](#)

“LIFE ORGANIZER”

★★★★★

I absolutely love the Galaxy S II. I use it for everything "LIFE". It is very easy for me seeing that I am not a tech geek! I am a homemaker/homemanager and needed a portable organizer! This is a great one!...[Read More](#) »

“Excellent”

★★★★★

Very nice cell phone, i have dropped it on concrete floor so many times, still nothing has happen to the phone, and I do not use any protective cases for my phone. Screen resolution is flawless...[Read More](#) »
