Product Features [See All Features](#)

Stay connected with friends, with work, and with the planet.

The Replenish™ uses recycled and recyclable plastics plus environmentally friendly packaging. You can feel good about Mother Earth, and still text your mom with the full QWERTY keyboard. The large 2.8" QVGA (Quarter View Graphics Array) touchscreen offers every color found in nature.

Speaking of being green, it runs Android.

Your Replenish™ runs on Android 2.3, Gingerbread, arguably the most popular and versatile operating system of any smartphone. As an Android device, you'll have access to over 150,000 apps, to customize your phone like no other.

Got a weak signal? You're ready with Wi-Fi.

If you ever find yourself in a place that has a weak signal from your carrier, the Replenish™ can also connect wherever there's Wi-Fi. The extra bandwidth from Wi-Fi can also come in handy for faster downloads and video chatting.

“Great Phone!!”

★★★★★

I originally upgraded from my Rant to a Trender. BIG MISTAKE!! I returned my Trender and got the Replenish. This is the phone I should have gotten the first time. The keyboard may be small, but it is easy to use even with big hands. The screen is a good size for the phone. It fits well in my hands a...[Read More »](#)

“Going Green!”

★★★★★

I love that it can charge from the sun and is made of recycled parts, but it can use some upgrades in the graphics capabilities and I would love it if it supported flash. I love the fact that its super light and the speaker is very loud to rock out with thats the reason i got the phone and the capab...[Read More »](#)
