## Product Features [See All Features](#)

### Galaxy S with Android 2.2 OS

Do you want the whole world in your hands? How about the whole universe? Tens of thousands of apps populate Google Play™ -- everything from popular games to productivity tools to constellation maps. Powered by the latest Android platform, this phone fully integrates with Google Mobile Services. You're now at one with your Gmail account, Google Maps, YouTube videos and more.

### Super AMOLED touchscreen

Your world just got brighter and you don't even need shades. Experience HD-quality video recording that's clearly detailed, extraordinarily vivid and astonishingly colorful on the brilliant 4-inch Super AMOLED screen. Movies, games and websites all come to life even in broad daylight thanks to an anti-reflective screen. One of the thinnest, most responsive smartphones in the world, it also uses less power and has a longer battery life.

### Green guides show you the way

In an effort to provide our customers with the latest in technology and the best user-experience, we've provided an new environmental-friendly alternative to a printed paper guide. Virtual Guides provide a "one-stop" support experience with everything from User Guides, Support Videos, Commercials, and Simulations. Take the our next step in going green.

“Great Phone still after two years”

★★★★★

This phone was my first smart phone. I have never had a problem with it. The performance can falter a little bit, but that is probably because I have so many things running at one time. All in All, even after two years, this phone is still running and looks great!...[Read More »](#)
