### 3.5" LCD touchscreen with full, slide out QWERTY

The slightest touch of your finger across the LCD screen brings a world of options to life. And because so many people like the touch and feel of real keys for texting, just slide out the full QWERTY keyboard.

### Android Éclair 2.1 OS

You'll have access to over 80,000 Android apps. And the latest 2.1 operating system runs each one with ease.

### 2GB microSD card preinstalled with adaptor inbox

The 2GB microSD card, which is smaller than a postage stamp, comes preinstalled in your phone. The adaptor allows you to use that stored data on a computer.
