Rob –

Apple does not agree to the declaration. Briefing on Apple's motion is complete, and the record is closed.

**Subject:** Rule 7-11 Request

Rich—

Pursuant to Northern District of California Local Rule 7-11, Samsung requests that Apple stipulate that Samsung may file an attorney declaration attaching a production model of the grey version of the Galaxy S II (T-Mobile) (SGH-T989) and a production model of the grey version of the Galaxy S II Epic 4G Touch (SPH-D710). This declaration would be in support of Samsung's Opposition to Apple's Motion for a Permanent Injunction and Damages Enhancement.

As you know, Samsung made the production model of the grey version of the Galaxy S II (T-Mobile) (SGH-T989) and a mockup of the grey version of the Galaxy S II Epic 4G Touch (SPH-D710) available to Apple for inspection on October 26 and October 30, Apple photographed these devices and Apple marked its own photographs of these devices as Exhibits 13 and 14 to the Lucente Deposition. Since the deposition, Samsung recently obtained production models of the grey version of the Galaxy S II Epic 4G Touch (SPH-D710). Samsung will provide Apple with its own set of the production models of the two phones on Monday as well.

Please get back to me with a response by no later than Monday at noon.

Regards,

Rob
