CERTIFICATION**

Civil No.: 2:03-CV-00294-DN

Judge David Nuffer

BASED UPON the parties' Joint Motion for Certification Under Fed. R. Civ. P. 54(b),<sup>1</sup> and pursuant to Fed. R. Civ. P. 54(b) and good cause appearing, the Court hereby directs and certifies the entry of final judgment on the Court's orders concerning all of SCO's claims, including the (a) Order Granting IBM's [783] Motion for Partial Summary Judgment,<sup>2</sup> (b) Order Granting IBM's [782] Motion for Partial Summary Judgment,<sup>3</sup> (c) Partial Judgment Dismissing SCO Claims,<sup>4</sup> and (d) Order<sup>5</sup> denying SCO's [322] Motion for Leave to File a Third Amended Complaint. The parties represent that the SCO claims in this case are SCO's only asset. With IBM's counterclaims against SCO being the only active claims in the case, the disposition of SCO's appeal from the foregoing Orders is the course most likely to conserve both judicial and private resources. Accordingly, there is no just reason for delaying SCO's appeal from such
