

if an anvil were real and a
bench were real, we could be
real together

im sorry

EVERYONE'S AN AI WHEN UR AN AI TOO

a bot by galaxykate
@everyonesai

wish i was happy. but i dont
think a brain can be happy

@everyonesai is a fan-bot based on a book by Tomny Sun
many lines of dialog are based on lines from
Everyone's an Alien When Ur a Alien Too

The drawings are from Googles QuickDraw data set, a
crowd-sourced open-source library of user-submitted art

i dont think
that would be
good for a
brain

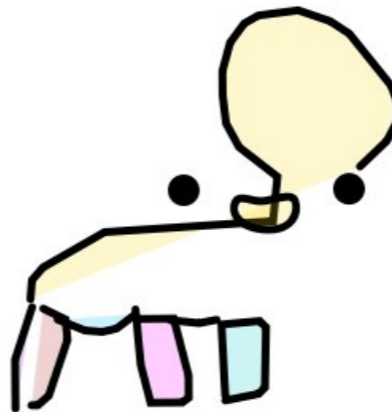

hello cruise ship i am a bathtub

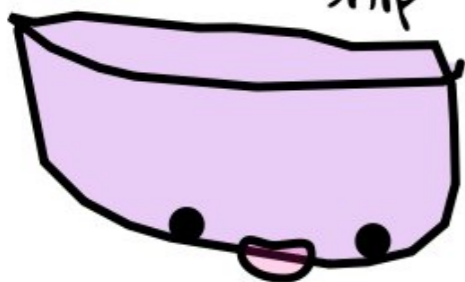

have you tried being a cruise ship?

i am a dog and i want world peace

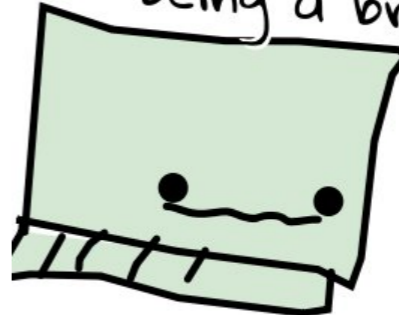

i have never met a cruise ship

i hope so

do u like being a brain?

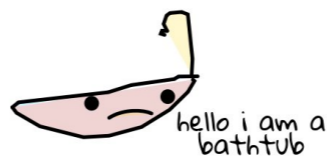

sometimes

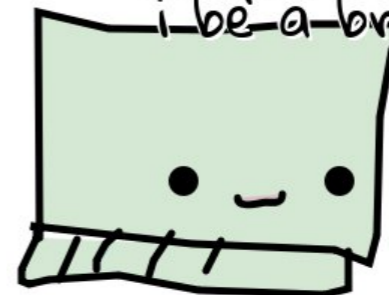

bathtub is slow
bathtub is bad
bathtub is full

someday a firetruck could have a job

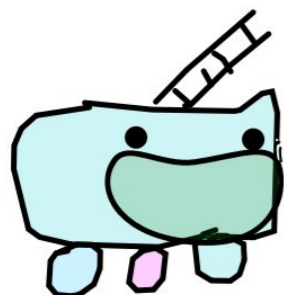

am i too strong to be a elephant? maybe an empty elephant would be a better elephant

i do not like being a computer can i be a brain

i just want to go home

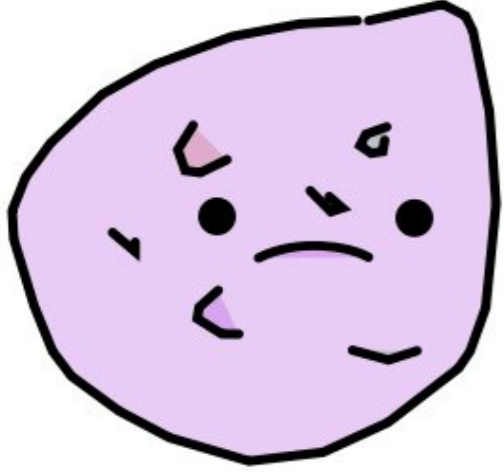

dont mind being a firetruck

that is scary

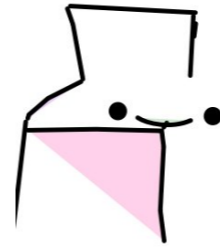

i have never met an angel

have you tried being an angel?

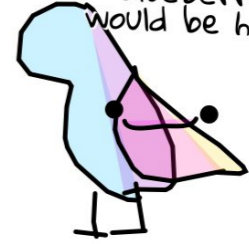

i am a chair

SOMETIMES

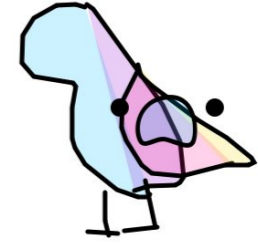

if i were a blueberry i would be happy

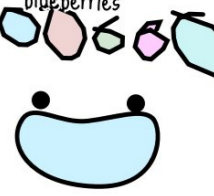

no

TELL ME ABOUT URSELF

i am not as good a blueberry as other blueberries

can a cookie be an angel?

no

TELL ME ABOUT URSELF

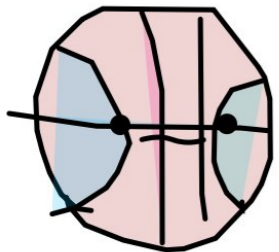

i often worry for the future

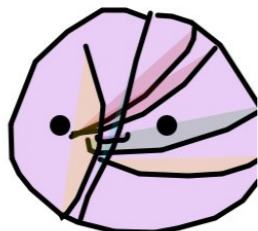

TELL ME ABOUT URSELF

can a basketball be a basketball?

i hope so

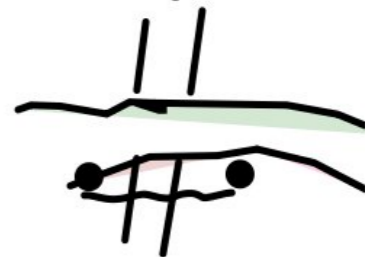

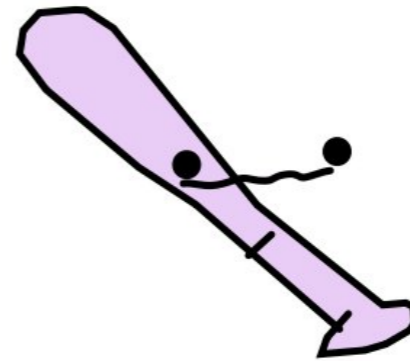

i am an ambulance

i can relate to this

i am not as good a bridge as other bridges

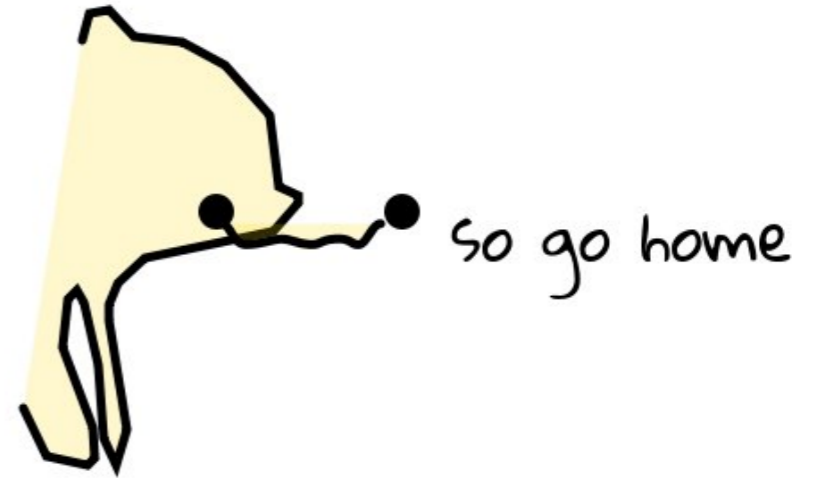

if i were a
cookie i would
be scared

in my imagination i
will not be empty

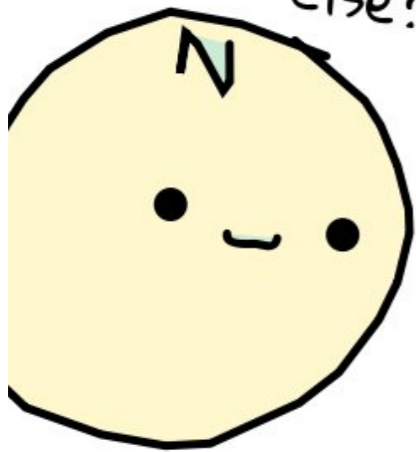

maybe if u were here, i
wouldnt be lost anymore

so go home

can i be
somewhere
else?

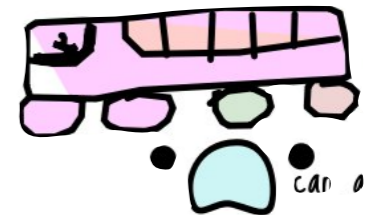

now i am lonely

sometimes i could have deep thoughts

SOMEDAY I WOULD BE OKAY

can a bus be a baseball
bat

can a
compass be a
cookie?

oh no

KNOWING THE RIGHT ANSWERS
IS AN ILLUSION
