Preferred supply agreement

"Philips and Atos Origin have decided to extend their relationship for a period of 3 years. As the largest IT service provider to Philips, Atos Origin will continue to deliver competitive services across the globe and assist Philips in the further optimisation of its IT environment.

The renewal will commence as of September 1st, 2003."

A major strategic move

- Playing a major role in the market, solution and key client structure
- Joint client initiatives (Euronext Liffe)
- Specialist skills and experience (Finance, Public Sector)
- Strong ERP alliances (Oracle, Peoplesoft)
- Expert solutions (IT integration for client M&A transactions)
- Lead into outsourcing work

FY2003 financial outlook

- Modest revenue increase
 - Full year impact of Atos KPMG Consulting
 - Disposal of Document and Check Processing businesses in Q2
- Targeting a similar level of operating profit
 - Low visibility in Consulting and Systems Integration
 - A highly uncertain political and market environment
 - Possible decision delays

- Managing tightly key profit drivers
 - Further staff restructuring
 - Elimination of sub-contractors
 - Accelerate purchasing efficiency
- Cash management
 - Keep low working capital requirements
 - Capex to remain tightly controlled in 2003
 - Disposal of non-core assets
