ALL ABOUT Reading

ABC Bracelets

Encourage your child's knowledge of the alphabet with these colorful ABC bracelets!

We've provided six sets of bracelets in this PDF, along with ideas for creative educational play. We recommend teaching uppercase letters first, followed by lowercase.

ABC Bracelets

Prepare the Materials

1. Print a set of ABC bracelets.
2. Cut out the strips to create 26 bracelets.
3. If using the black-and-white version, encourage your child to color the letters and illustrations on each bracelet.
4. Laminate each strip for added durability, if desired.

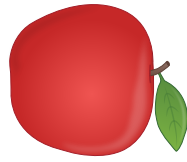

Create the Bracelets

- Transform each strip into a bracelet by fastening the ends together with double-sided tape, transparent adhesive tape, or Velcro dots.
- Wear and enjoy!

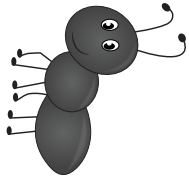

Explore the Alphabet

- Choose a “letter of the day” and have your child wear the bracelet that represents that letter. Select a new letter each day.
- Use multiple bracelets to spell your child’s name with the letters.
- Choose a bracelet and show your child the letter. Ask him to say the sound the letter makes. Then name each object on the bracelet together, emphasizing the initial sound.
- Ask your child to locate the underlined letter at the beginning of each illustrated word.
