

Silly Sentence Match-Ups

a reading review activity

The goldfish is

on a cactus!

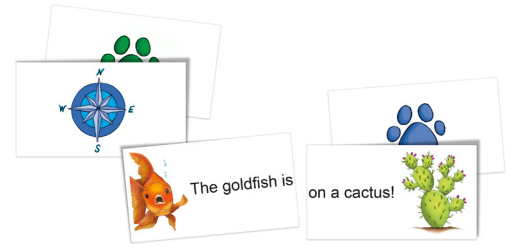

The worms are

in the ketchup!

Silly Sentence Match-Ups

A snake on a pancake? An elephant in a tractor? In this game, your child will make silly sentences about animals in strange places. (They'll also be reviewing concepts learned in *All About Reading* Levels 1-4!) Get ready for some silly match-ups!

Assembly Instructions

1. Print pages 3-10 back to back. If you prefer, you can print them one-sided and tape the fronts and backs together. For best results, print on cardstock.
2. Cut out the animal and place cards for the level you wish to play. (Level 1 students use the Level 1 cards, Level 2 students can use either Level 1 or Level 2 cards, and so on.) Note that the animals cards are marked with a paw print on the back and place cards are marked with a compass rose. You'll notice that the paw print and compass rose symbols are color-coded for each level.
3. Shuffle and place the cards face down in two piles, one for animals and one for places.

Instructions

1. Have your student draw one card from the animal pile and one card from the place pile and read the resulting silly sentence.
2. Continue until your student has read all the silly sentences.

Silly Match-Ups Game Options

- To play with multiple children, create draw piles for each child.
- To play with children who are in different levels, include animal and place cards from each child's current level and lesson.
