Fantastic Fireworks

What's the best thing about a fireworks show? (Besides everything, of course!)

The *grand finale*, right?

How would you like to create the world's most spectacular fireworks show and the grandest grand finale anyone has ever seen? Every time you read or spell a word correctly, you get to add a firework to the night sky. Keep reading or spelling all the words correctly, and by the time you're finished, you'll have created the most awesome, dazzling, sparkling grand finale in the history of grand finales!

Are you ready to create a fantastic fireworks show? Let's go, Maestro!

Prepare the Activity

- 1) Print the full page of the night sky.

Instructions for Reading Practice

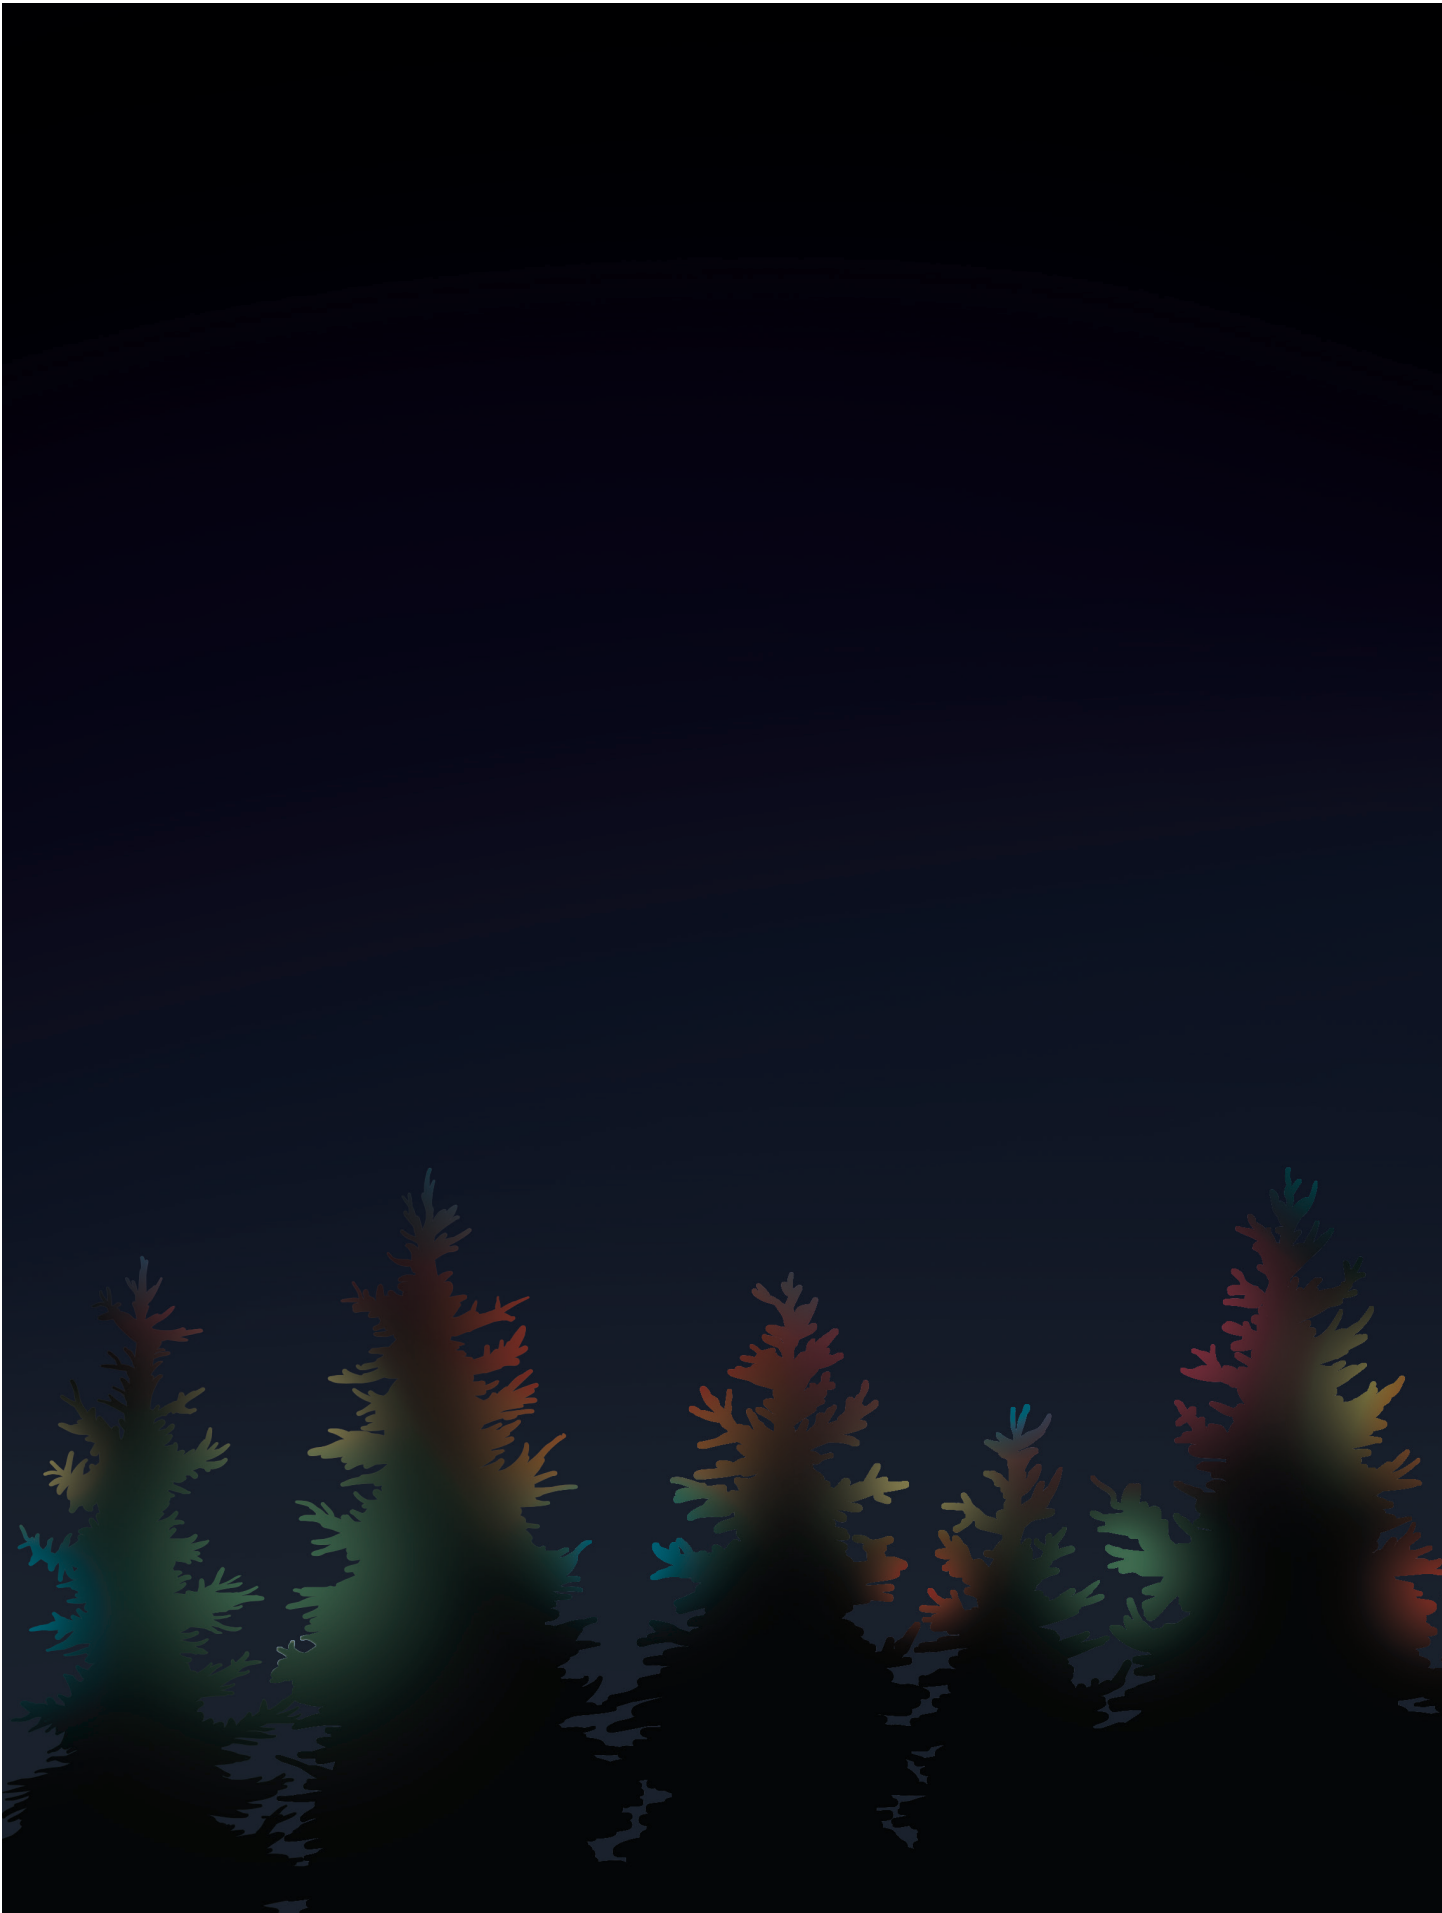

- 1) Print the fireworks cards and the word cards that correspond with your student's reading level. (Print the pages back-to-back or tape or glue the pages together).
 - For *All About Reading* Level 1, print pages **6-9**
 - For *All About Reading* Level 2, print pages **10-13**
 - For *All About Reading* Level 3, print pages **14-17**
 - For *All About Reading* Level 4, print pages **18-21**
- 2) Cut the cards apart and place them in a pile with the illustrations facing down.
- 3) Have your child select a card and read the word aloud. If he reads it correctly, have him turn the card over to reveal the fireworks, then add the display to the night sky scene.
- 4) Continue until all the fireworks fill the night sky, and enjoy the grand finale!
