

ABC Building Blocks

a letter recognition activity

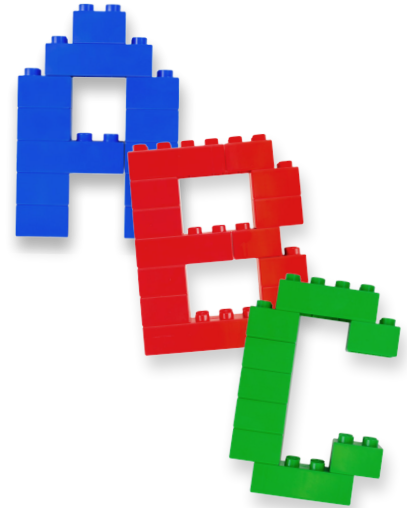

by
Marie Rippel

ALL ABOUT *Reading*

ABC Building Blocks

Materials

- Letter card templates (pages 3 to 15)
- Building blocks (we used two sets of DUPLO® bricks)
- Hole punch and keyring (optional)

Instructions

1. Print the letter cards on regular paper or cardstock.
2. Cut out the letter cards on the dotted lines.
3. Laminate the cards or cover with clear contact paper.
4. Punch holes in the cards for easy storage on a large keyring.

Creating the Alphabet

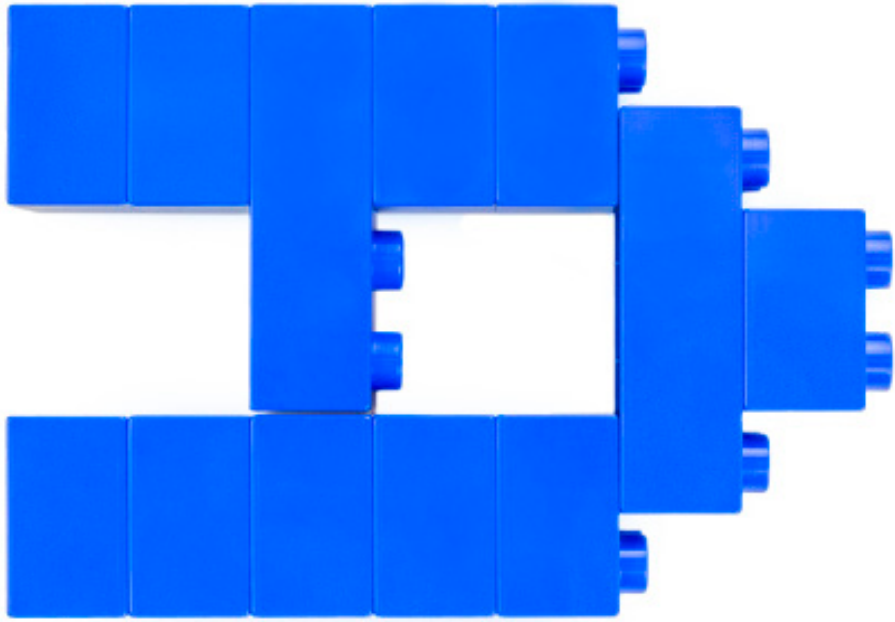

Creating the alphabet with building blocks is a fun way for preschoolers to become more familiar with the alphabet.

Children can use the letter card templates as a guide. Some children prefer to build the letters just as they are shown on the cards, carefully matching up each brick to ensure that their creation is identical to the model. Other children are inspired to create their own variations of the letters, and that is fine, too! The goal is to have an enjoyable playtime experience while mastering the ABC's.

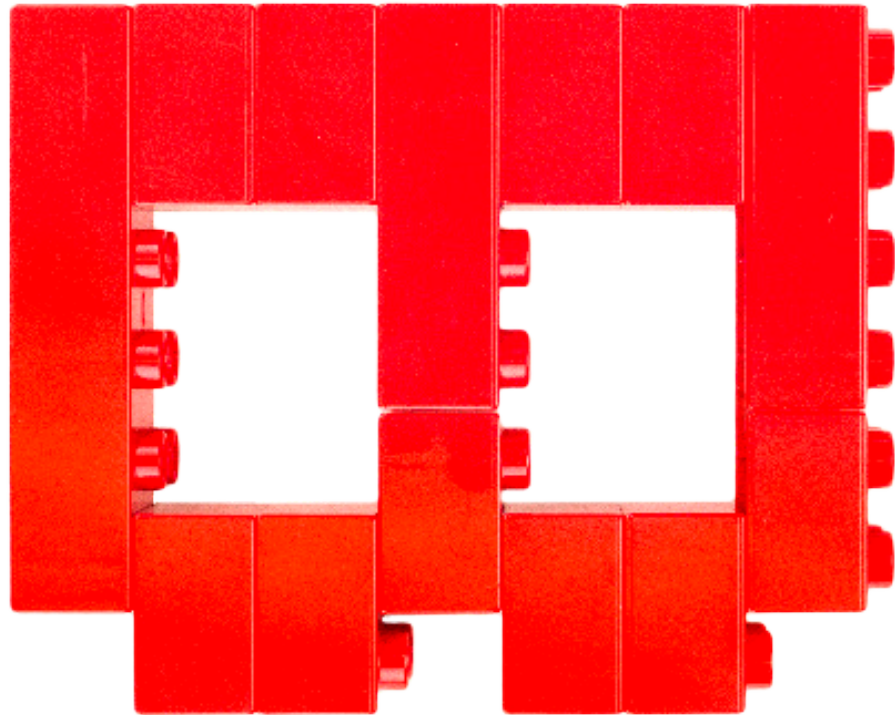

Other variations

1. **Find the letter:** Say the name of a letter. Have your child find the corresponding letter card.
2. **Free-building:** Build letters without using the letter cards as guides.
3. **Match lowercase and uppercase letters:** Show your child a lowercase letter and have him build the uppercase version.
4. **Don't have Duplo-style bricks?** To use with classic Lego bricks, print the letter card templates at 40%.

ALL ABOUT[®] Reading

The program that takes the struggle out of reading

Did you enjoy this activity? Then you'll love **All About[®] Reading Pre-reading!**

The *All About Reading* Pre-reading program is designed for preschoolers and kindergarteners. Your student will enjoy the special games, crafts, and storytime read-alouds, and you will love the way your student effortlessly learns the five essential pre-reading skills:

- Print Awareness
- Letter Knowledge
- Phonological Awareness
- Listening Comprehension
- Motivation to Read
