Rhyming with Candy Hearts

*Roses are red,
violets are blue.
These candy pairs
need help from you!*

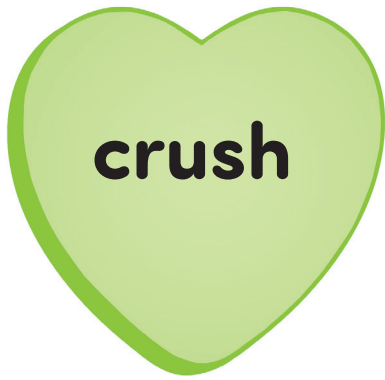

In this activity, your child can practice an important reading skill by matching the pairs of rhyming words. We've included words from Levels 1-4 of *All About Reading*, or you can use the blank cards to customize the game with rhyming words of your own choice!

Assembly Instructions

1. Print pages 3-7 (color version) or 8-12 (black-and-white version).
2. Cut out the candy heart cards for the level you wish to play. (Level 1 students use the Level 1 cards, Level 2 students can use either Level 1 or Level 2 cards, and so on.) For best results, use only one level per game.

How to Play

1. Mix up the playing cards and place them on the table with the illustrations facing up.
2. Have your child read the words aloud and match the rhyming pairs.
3. Continue playing until all of the pairs have been matched.
4. If you're playing with older children, you can add an extra level of challenge by placing the cards face down and playing Concentration.
