## **COMMUNITY STANDARDS OF CONDUCT IN THE RESIDENCE HALLS**

We want you to look back on your time in the residence halls with memories of success—good friends, good times and good grades. Ohio State and Housing and Residence Education have established guidelines to help students live together successfully. These rules and policies include Community Standards of Conduct, published here; Terms and Conditions and the Undergraduate, Graduate and Gateway Housing Addendums, published in their entirety on the Housing website ([housing.osu.edu](http://housing.osu.edu)); and the Code of Student Conduct, available at [trustees.osu.edu/rules/code-of-student-conduct/](http://trustees.osu.edu/rules/code-of-student-conduct/), which applies to the conduct of all registered students and registered student organizations. For purposes of this document, residence halls include on-campus rooms, suites, apartments, and Gateway.

## **HOW THE COMMUNITY STANDARDS OF CONDUCT ARE APPLIED**

Housing and Residence Education staff members, as well as the various governing bodies within the university, rely on Community Standards of Conduct as a guide to help define acceptable behavior on issues related to university and resident property or resident behavior. Residents who violate policies may be held accountable for their behavior, up to and including termination of their contract or housing agreement in accordance with the notice and hearing procedures set forth in the Code of Student Conduct and/ or the Ohio Revised Code 5321.031, “Termination of Student Tenant Rental Agreements.” Once an alleged violation of policy is reported, the student(s) alleged to be involved are asked to meet with the Hall Director, Housing Coordinator (or Assistant Hall Director) to discuss the violation. During this meeting, the administrator may determine whether an individual intervention, community intervention, or judicial hearing is warranted.

Residence hall officials may refer cases involving suspected violations of these standards to the Office of Student Conduct. For more information regarding the Code of Student Conduct, visit <http://trustees.osu.edu/rules/code-of-student-conduct/>.

## **RESIDENTS' RIGHTS**

As members of the residential community, you have the right to expect the following:

- The ability to sleep, read and study, free from undue interference, unreasonable noise and other distractions.
- A clean-living environment.
- Freedom from harassment as defined in University Policies 1.10 and 1.15, so sufficiently severe, persistent, or pervasive such that it unreasonably interferes with, denies, or limits an individual's ability to participate in or benefit from the university's education and employment programs and activities.
- Assistance and support resources from housing staff.

## **RESIDENTS' RESPONSIBILITIES**

As members of the residential community, you have the responsibility to:

- Help maintain an environment conducive to academic pursuit.
- Treat fellow residents and housing staff with respect, consideration and cooperation.
- According to every resident personal dignity and report incidents of racial or other discrimination or harassment to Housing and Residence Education staff.
- Understand and comply with all university and housing policies and regulations.
- Resolve personal and community issues in a calm and diplomatic manner.
- Take action by addressing any situation with a Housing and Residence Education staff member or a fellow resident (if you feel comfortable) when it interferes with your rights or the rights of others.
- Exercise an individual commitment to personal and community security.

# Handbook Policies

## **1. DAMAGES AND LIABILITY**

### **1.1 University Liability**

- (a) The university acknowledges, and the resident is hereby made aware, that criminal activity, personal injury and theft occur, and the risk exists for such future occurrences on university premises, specifically within and around residence halls and adjacent dining facilities. Therefore, the resident agrees to assume responsibility for their own personal safety and security, as well as for their own personal belongings.
- (b) In order to reduce the financial burden of replacing personal belongings after such unexpected events, or accidental damage to the property of others, including university property, residents are strongly encouraged to obtain appropriate coverage, including renter's insurance. Ohio State does not endorse any specific insurance company and recommends that you consult with your current insurance provider regarding appropriate coverage options, including renter's insurance.
- (c) The university does not assume responsibility for any resident's, guest's or other person's loss of money or valuables, or for the loss of or damage to property due to natural and unnatural causes (i.e., flooding, fire, etc.), or injuries, personal or otherwise, sustained on or about the residence and adjacent dining facilities. As stated in the Housing Contract, the university encourages students to contact local insurance carriers concerning the availability of protecting against such losses.
- (d) Residents must pay charges for damages levied against them by Housing and Residence Education. Residents who do not pay charges may be subject to university disciplinary action.

### **1.2 Resident Liability**

- (a) Upon arrival, each resident of an apartment or room should inspect the condition of items in the apartment/rooms/suite. A service request (s2f.osu.edu) should be submitted within 7 days of moving in for any University property that is damaged and requires repair or replacement.
- (b) The student or staff member, to initiate repair or replace damaged objects, must complete service requests. Service requests may be submitted online by selecting "Maintenance/Facilities Request" on the menu bar of the Housing and Residence Education web page (housing.osu.edu).
- (c) Maintenance and housekeeping staff members repair, replace, or adjust university equipment or property. Residents are not permitted to do so.
- (d) All residents of an apartment/room are held mutually liable for damages to the apartment/room once occupancy is established.
- (e) An individual resident of an apartment/room is solely liable for damages to the apartment/room when individual responsibility for the damages can be clearly established.
- (f) It is the resident's responsibility to complete a service request (s2f.osu.edu) within one week of move-in, to notify staff of any needed repairs in the assigned apartment/room/suite. Rooms, apartments, or suites must be in the same condition upon resident departure as they are upon arrival.
- (g) Residents are responsible for locking their apartment/suite/room doors. Residents may be held accountable for loss of personal belongings or university property if their apartment/suite/room doors are not properly secured. Properly secured means the door is closed and locked.
- (h) Residents are held liable for damages to public and semipublic areas of the residence halls when individual or group responsibility for the damages can be clearly established. Residence hall elevators are considered part of the residence halls' public areas. Elevator tampering includes, but is not limited to, graffiti, pushing the emergency bell when there is no emergency, or purposely stopping the elevator by jumping or other means.
- (i) When individual or group responsibility for repeated or excessive damages to public areas of the residence halls cannot be established, all residents of the hall are held financially liable for those damages. This policy is in accordance with the Terms and Conditions of the Residence Halls Contract.
- (j) Residents who observe vandalism within and around University Housing and fail to report the vandalism to a Housing and Residence Education staff member may be held financially liable for the damages and subject to university disciplinary proceedings and/or criminal charges.
- (k) Residents may be charged for damages, including damage resulting from the resident's acts or omissions, whether accidental or not. The university encourages students to contact local insurance carriers

concerning the availability of protection against damages, losses, costs, or other liability resulting from damage to personal property, property of other residents and/or university property.

- (l) Apartment residents are responsible for cleaning on a regular basis. To ensure health and well-being and to protect the condition of the apartment, residents should conduct routine cleaning, with special attention to food preparation areas, bathrooms and trash containers.

## **2. UNIVERSITY SERVICES, PROPERTY, APPLIANCES ANDEQUIPMENT**

University services, property, appliances and equipment are available to residents for their use while living on campus.

### **21 Keys/Keycards/Building Access Cards**

University room, apartment and suite keys are issued to the assigned occupants of the rooms, apartments, or suites. Residents may not lend their keys to anyone. This includes both hard keys and electronic/BuckID key cards. Lost, missing, or stolen keys must be reported as soon as possible to residence hall staff. If a key should be lost, a temporary lock shall be placed on the door to ensure safety and security. (See section 14 of the Terms and Conditions of the Residence Halls Contract.)

- (a) It is a violation of state statutes and university regulations to duplicate keys or key cards to any residence hall/apartment or commons area door.
- (b) Residents are financially responsible for the cost of changing locks and producing keys to residence hall/apartment doors and mailboxes if applicable if they do not return their residence hall/apartment keys when they check out of a residence hall/apartment.
  - Columbus campus- the cost for a complete lock change if a key is not returned or missing is \$150.
  - Mansfield campus- the cost for a complete lock change for 1 missing key is \$105 and \$175 if both sets of keys that were issued are missing or not returned.
  - Newark campus- the cost if a loaner BuckID card is lost or not returned in the designated time \$20
  - Wooster/ATI campus- the cost for a complete lock change if a key is not returned or missing is \$150 and \$50 for a mailbox key.
- (c) Residents who accidentally lock themselves out of their apartments/rooms may borrow a brass key or a temporary BuckID for a limited time by presenting their university identification at the residence hall front desk or the housing office.
- (d) Locks may NOT be changed or added without prior written permission of Housing and Residence Education. Locks and the appropriate keys must be left in place upon vacating the premises.
- (e) Temporary BuckID's are available at your assigned building's front desk in case a resident loses their BuckID outside of the normal business hours for the BuckID office. (Go to [www.buckid.osu.edu](http://www.buckid.osu.edu) for additional information.) Temporary BuckID's are active for a maximum of 72 hours. Residents must visit the BuckID office during this time to have their ID replaced. A resident will not be issued multiple temporary IDs for the same loss. As stated in the automated electronic confirmation email, failure to return the temporary ID within 72 hours to the front desk in which the card was issued will result in a \$20 fee.

### **22 University-Provided Room Furnishings and Appliances**

- (a) Room, apartment, or suite furnishings provided by the university may be arranged in any reasonable manner that does not endanger resident safety, with the exception that any furnishing bolted to a wall or floor, which must remain in its original position.
- (b) Room, apartment, or suite furnishings provided by the university may not be transferred or interchanged among room, apartment, suite or public areas. Residents may be billed for missing furnishings upon checkout from the room, apartment, or suite.

(Refer to 3.5 (i) for more information on windows)

### 25 **Theft**

Theft, or the unauthorized use or possession of university property, services, resources, or the property of others is a serious offense—one that will be investigated and may be punished to the full extent of university policy and federal, state and local laws and ordinances.

- (a) Theft of university services includes, but is not limited to, the unauthorized use of network access and BuckID accounts or services.
- (b) Residents may not use another's personal property without prior authorization, including, but not limited to, another's access to BuckID account.

## 3. **PERSONAL PROPERTY, APPLIANCES, AIR PURIFIER AND EQUIPMENT**
