

CLOSE-UP OF SERIAL NUMBER

1. Close-up image of the engraved, cast, stamped (impressed), or permanently placed unique serial number and additional information on the receiver or frame of the firearm.

SAMPLE IMAGE 1 – CLOSE-UP
Image is provided for sample purposes only

SIDE VIEW OF FIREARM

2. Image shall depict the entire side of the firearm from the end of the barrel to the end of the stock (if it is a long gun), the point furthest from the end of the barrel to the opposite end (if it is a handgun), or entire side of the firearm (if it is a receiver or frame only). This should be a clear image, taken directly from above the firearm lying horizontally on a flat surface.

LEFT SIDE OF THE RECEIVER/FRAME

3. Image shall depict the left side of the receiver/frame where the manufacturer's/owner's markings are generally located, when manufacturing of the firearm is complete. Images must be easy to read. Images of the left and right side of the receiver/frame are required.

SAMPLE IMAGE 3 — LEFT SIDE OF THE RECEIVER/FRAME
Image is provided for sample purposes only

RIGHT SIDE OF THE RECEIVER/FRAME

4. Image shall depict the right side of the receiver/frame where the manufacturer's/owner's markings may be located, when manufacturing of the firearm is complete. Images must be easy to read. Images of the left and right side of the receiver/frame are required.

SAMPLE IMAGE 4 — RIGHT SIDE OF THE RECEIVER/FRAME
Image is provided for sample purposes only
