FY17 Top Accomplishments

Accomplishment	Impact on Agency	Impact on Residents
Established the Daily Arrest Report function as part of the Mid-Atlantic Regional Information Sharing Initiative (MARIS). This will enable authorized criminal justice agencies (through JUSTIS) to retrieve a daily listing of individuals who have been arrested in Maryland, Delaware or Pennsylvania and have active warrants.		
Conducted analysis and issued a report on the Youth Rehabilitation Amendment Act (YRA) regarding the application of the YRA with respect to sentencing and the setting aside of convictions; recidivism rates; and programming for YRA offenders.		
Held the first annual Criminal Justice Summit—The Neuroscience of Decision-Making in Criminal Justice: Examining Systemic Implications and Consequences. Over 100 law enforcement and criminal justice representatives participated in the conference, which explored the concept of implicit bias, including the range of unconscious behaviors and responses that influence decision-making by criminal justice officials. During the conference, the first Paul A. Quander Leadership and Fair Administration Award was bestowed upon Clifford Keenan, former Director, Pretrial Services Agency for the District of Columbia.
