### **Department on Disability Services FY2021**

Agency Department on Disability Services Agency Code JMO Fiscal Year 2021

ion The mission of the Department on Disability Services (DDS) is to provide innovative high quality services that enable people with disabilities to lead meaningful and productive lives as vital members of their families, schools, workplaces and communities in every neighborhood in the District of Columbia.

### Strategic Objectives

| Objective<br>Number | Strategic Objective  |
|---------------------|--|
| 1                   | Provide high quality direct services and supports leading to the full inclusion of people with disabilities in the District.   |
| 2                   | Improve the quality of service planning and responsiveness of service coordination and advocacy to improve personal outcomes and customer satisfaction.  |
| 3                   | Improve the performance of DDS and provider community operations aligned with best practice to lead to improved personal outcomes and satisfaction.  |
| 4                   | Operate effective systems of continuous quality assurance and improvement to ensure the provider network is in compliance with District policies and regulations, ensures health and safety and mitigates risks. |
| 5                   | Create and maintain a highly efficient, transparent, and responsive District government.   |

## Key Performance Indicators

|---|----------------|----------------------|----------------------|----------------------|----------------------|--|--|
| Percentage of indicators that demonstrate compliance with vocational rehabilitation (VR) regulations and policies (based on monthly case reviews)   | Up is Better   | 87.1%                | 88.4%                | 88.2%                | 86%                  |  |  |
| 3 - Improve the performance of DDS and provider community operations aligned with best practice to lead to improved personal outcomes and satisfaction. (2 Measures)  |                |                      |                      |                      |                      |  |  |
| Percentage of Healthcare Management Plans that meet published standards   | Up is Better   | 83.5%                | 90.1%                | 86.7%                | 86%                  |  |  |
| Percentage of settings that meet HCBS settings requirements   | Up is Better   | 94.1%                | 100%                 | 100%                 | 86%                  |  |  |
| 4 - Operate effective systems of continuous quality assurance and improvement to ensure the provider network is in compliance with District policies and regulations, ensures health and safety and mitigates risks. (5 Measures) |                |                      |                      |                      |                      |  |  |
| Percentage of applicable waiver providers currently receiving an annual certification   | Up is Better   | 92%                  | 100%                 | 100%                 | 86%                  |  |  |
| Percentage of Community Rehabilitation Programs (CRP) that meet HCA standards   | Up is Better   | 98.1%                | 88.2%                | 99%                  | 86%                  |  |  |
| Percentage of Investigations that are completed within 45 Days  | Up is Better   | 96.9%                | 99.6%                | 99.2%                | 86%                  |  |  |
| Percentage of people with restrictive interventions who have an approved Behavior Support Plan (BSP)  | Up is Better   | 97.7%                | 95%                  | 95.2%                | 86%                  |  |  |
| Percentage of reported issues that are resolved on-time   | Up is Better   | 89.4%                | 90.4%                | 91.7%                | 86%                  |  |  |

# Operations

| Operations<br>Header                   | Operations<br>Title                 | Operations Description   | Type of<br>Operations |
|--|-------------------------------------|--|-----------------------|
| 1 - Provide high<br>District. (5 Activ |                                     | ervices and supports leading to the full inclusion of people with disab  | ilities in the        |
| DDS - SOPPI                            | Technology<br>First                 | Implement next stage of the Tech First Initiative for DC which includes (1) Securing a subject matter expert to train staff on how to implement tech first and expand access to technology, and (2) provide support so that people can have access to technology.  | Key Project           |
| Employment First                       | Advancing<br>Employment             | Provide supports to assist people with disabilities to prepare for, secure, regain, retain, or advance in employment and live as independently as possible in the community. This includes the provision of pre-employment transition services to high school students with disabilities (i.e., career planning, work readiness training, counseling on post secondary options, work based learning experiences and peer mentoring).   | Key Project           |
| DDA - QAPMA                            | Building a<br>Culture of<br>Quality | Follow-up with three sub-committees developed within the Culture of Quality Workgroup to determine how the current focus has shifted as it pertains to COVID-19. Also, with this being a year long initiative that will close in December 2020, efforts will be made towards developing a plan to ensure we maintain the work and quality focus that has been reinforced by this group: Set up meetings with each of the sub-committees. This will serve as a springboard for the development of a workgroup that will continue with the implementation of CoQ recommendations as determined by the findings from the current work groups. | Key Project           |

| Operations<br>Header                            | Operations<br>Title   | Operations Description  | Type of<br>Operations |
|---|---|---|-----------------------|
| DDS   | Equity in<br>Service<br>Delivery and<br>Desired<br>Outcomes | With a focus on the equity in service availability and outcomes made available to D.C. Residents through the passing of the Racial Equity Achieves Results Act, DDS will continue to ensure that all aspects of the service delivery system are designed and implemented in ways that allow for equality amongst all those seeking services. Various tasks pertaining to case management system updates, data analyses and process/procedure evaluation will be completed in efforts to inform the discussion on necessary areas of focus that will allow DDS to strengthen its' ability to provide fair and equitable service delivery system.                 | Daily Service         |
| DDA CONSUMER<br>RESOURCES<br>AND<br>OPERATIONS  | Consumer<br>Resources                                       | The array of home and community-based services offered under the DDA HCBS waiver or local funds for people with intellectual and developmental disabilities to live, work, and lead healthy lives.  | Daily Service         |
| 2 - Improve the personal outcor                 | quality of servic   | e planning and responsiveness of service coordination and advocacy er satisfaction. (4 Activities)  | y to improve          |
| DDA SERVICE<br>PLANNING &<br>COORDINATION       | DDA Service<br>Planning and<br>Coordination                 | This division plans, coordinates and facilitates the provision of quality services; reviews the implementation and delivery of services and supports identified in the ISP and advocates for the person and his/her family.   | Daily Service         |
| DISABILITY<br>DETERMINATION<br>SERVICES         | Disability<br>Determination<br>Services                     | The District's Disability Determination Division processes claims for Social Security Disability Insurance determinations.  | Daily Service         |
| rsa<br>Vocational<br>Rehabilitation<br>Services | Vocational<br>Rehabilitation<br>Counselors                  | The Vocational Rehabilitation (VR) program provides vocational and rehabilitative services to individuals with disabilities to help them prepare for, secure, regain or retain employment.  | Daily Service         |
| DDA SERVICE<br>PLANNING &<br>COORDINATION       | New case<br>management<br>system                            | Work with DHCF and DCOA to implement a new intake case management system for DDA.   | Key Project           |
|   |   | DDS and provider community operations aligned with best practice and satisfaction. (4 Activities)   | to lead to            |
| DDS Transition<br>Plan                          | DDS Transition<br>Plan                                      | Department on Disability Services will continue to implement the District's approved Statewide Transition Plan for the Medicaid Home and Community Based Services Intellectual and Developmental Disability waiver to achieve and sustain compliance with the federal Home and Community Based Services Settings Rule. This is required by Centers for Medicare and Medicaid Services to maintain funding for the waiver program and furthers Department on Disability Services' vision of leading a person-centered system that supports opportunities for employment and community inclusion for all people with intellectual and developmental disabilities. | Key Project           |
| rsa<br>Operations                               | PCT Training  | Person-centered thinking (PCT) is a philosophy behind service provision that supports positive control and self-direction of people's own lives. DDS is working to implement person-centered thinking through training sessions and other agency wide initiatives.  | Key Project           |
| DISABILITY<br>DETERMINATION<br>SERVICES         | Operations  | Responsible for provider relations, contract monitoring and processing of payments for all DDS services.  | Daily Service         |
| DISABILITY<br>DETERMINATION<br>SERVICES         | Consumer<br>Resources and<br>Operations                     | Personnel providing technical assistance and training to provider community on best practice, management of HCBS waiver operations and provision of clinical services, supports and monitoring.   | Daily Service         |
|   |   | continuous quality assurance and improvement to ensure the provid<br>cies and regulations, ensures health and safety and mitigates risks. (1  |                       |
| QUALITY<br>ASSURANCE                            | Quality<br>Assurance<br>(DDS)                               | Maintain a system of quality assurance that ensures the safety and well-<br>being of people with intellectual and developmental disabilities and<br>identify possible barriers to service provisions within the provider<br>community. Monitor internal and external provisions of services to<br>ensure compliance with regulations and polices, and provisions in<br>contracts with agency. Develop and update policies and procedures<br>and ensure timely submission of all federal reports.  | Daily Service         |
