

Prohibited and Restricted Goods Guide

September 2023

Purpose

This Prohibited and Restricted Goods Guide describes the contents and packaging of articles that cannot be accepted by Star Track Express Pty Limited (StarTrack), excluding the StarTrack Courier Service. For details about the StarTrack Courier Service please speak to your Account Manager.

How to read this guide

	Prohibited Goods
	Prohibited Goods , but may be accepted if packaged in accordance with any reasonable directions given by us, subject to our prior consent and/or Customer Scoping Questionnaire (CSQ).^ Please speak to your Account Manager for further information.
	Restricted Goods that may be accepted in some services subject to our prior consent and/or Customer Scoping Questionnaire (CSQ).^ Volume limitations and other restrictions may apply. Please speak to your Account Manager for further information.
	Permitted Goods

Terms and conditions of service

Terms and conditions are contained in the Star Track Express Pty Limited Terms and Conditions, available on [our website](#). When consigning Goods with StarTrack, it's your responsibility to understand and comply with your legal obligations in relation to Chain of Responsibility. Visit [our website](#) for more information. You must also comply with all applicable Laws and any reasonable directions given by us when consigning Goods with us. It is your responsibility to select an appropriate and compliant Service for the delivery of your Goods in accordance with any reasonable directions given by us. Should you fail to meet the requirements of this Guide we may be unable to deliver the Goods. Additional Charges may apply to various categories of Goods. You may also find it useful to refer to the [Parcel and Freight Preparation Guide](#) to help you prepare your consignments for delivery.

Note on dangerous goods

Dangerous Goods (as defined in the [StarTrack Terms and Conditions](#)) may only be consigned with our prior consent, and subject to special restrictions and obligations. Some examples of Dangerous Goods include aerosols, lithium batteries and flammable liquids. Consignments containing Dangerous Goods will incur an additional transit day to the delivery time estimates provided by us. Additional Charges apply to the delivery of Dangerous Goods. For information about the consignment of Dangerous Goods (and the associated Additional Charges), please refer to the [StarTrack Terms and Conditions](#), the [Dangerous Goods Guide](#) and the document entitled "Additional Charges" which is generally appended to your Pricing Schedule and which can be [found here](#).

Note on manually handled and oversize goods

Oversize Goods (as defined in the [StarTrack Terms and Conditions](#)) may only be consigned with our prior consent. Consignments containing Oversize Goods or requiring manual handling will incur an additional transit day to the delivery time estimates provided by us. For information about consigning Oversize Goods or Goods requiring manual handling, please refer to the [StarTrack Terms and Conditions](#) and the document entitled "Additional Charges" which is generally appended to your Pricing Schedule and which can be [found here](#).

^Please note that Customer Scoping Questionnaires are completed for **all** new business opportunities and introduction of new types of Goods in existing Services to determine compatibility of your freight for our Services.

Table 1: Prohibited and restricted packaging and sizes

	Road Express	Special Services	Security Express	Premium	Next Flight
