Dear Mr. Hayes:

This letter is written in response to your request to confirm to the IEEE that Lucent Technologies Inc. will provide worldwide licenses for our patents with respect to the proposed IEEE P802. 11 standard. In this regard:

To the extent that Lucent has patents or may in the future obtain patents in this technology area which are essential to your recommendations, Lucent would be willing to negotiate licenses with other parties on a world-wide, non-discriminatory basis with reasonable terms and conditions. Such negotiations will be held with the parties concerned and will be performed outside of IEEE.

This letter does not grant any right to the IEEE with respect to Lucent's copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may contact Peter Crefeld in writing at the address on the letterhead, by phone on 908-903-6262 or by facsimile on 908-903-6323.

Sincerely,

A handwritten signature in black ink, appearing to read "Gene G. Partlow".
