Evergreen is founded on the belief that the atonement of Jesus Christ enables every soul the opportunity to turn away from all sins or conditions which obstruct their temporal or eternal happiness or potential.

Evergreen attests that individuals can overcome homosexual behaviors and can diminish same-sex attraction, and is committed to helping individuals who wish to do so.

Evergreen sustains the doctrines and standards of The Church of Jesus Christ of Latter-day Saints without reservation or exception and we welcome all who wish to participate in the pursuit of these goals.
