

# DHEERAJ A-Z

## VIDEO TRANSCRIPT

Dheeraj:	00:04	When I was young, I always dreamed of building things.
Dheeraj:	00:09	Big things. Useful things.
Dheeraj:	00:11	Today I'm doing it.
Dheeraj:	00:14	At Accenture we bring technology together with our imagination to solve problems.
Dheeraj:	00:20	Using a modern data management program, we've created a system to manage over 2 million parts to make complex engineering projects easier.
Dheeraj:	00:30	What is it you want to build?
