Great, I have a team member stationed at the info desk to let everyone in the front door since we're closed to the public. Feel free to call or email me over the weekend if you think of anything. I actually have an event tomorrow so I'll be plugged in anyway.

Also, can you please send me your cell number?

All great news! I'll plan to be at the SHB shortly before 10 a.m. on Monday. I'll shoot you a quick message before I leave the Capitol. Thank you so much for everything! Looking forward to an exciting week ahead!

Hi Heather, I can confirm the generator will be on the ground, not on the 3rd floor terrace and I've been told it's whisper-quiet. I'll be sending Laura and Emily an aerial view of the building, indicating location of the video shoot, truck parking, crew parking, etc. momentarily.

Thanks,
Meg

Hi Heather,

I'm definitely flexible today. Does 10:30 a.m. work for you?

I've been on the phone with our trades this morning setting everything up and we have most everything confirmed.

Hi Meg -- would you have some time today to connect regarding logistics and next steps for next week? I can be flexible most of the day until 2:30 p.m., and am happy to work around your schedule.

Thanks much!
