

Site License Agreement

The Site License Agreement software programs Claris FileMaker Pro (“FileMaker Pro”) and Claris FileMaker Server (“FileMaker Server”) and any other software programs listed on the software download page (“ Software”) are licensed, not sold, to Licensee by Claris International Inc. and/or Claris International (collectively referred to as “Claris”) for use only under the terms and conditions of this Site License Agreement (“Agreement”). If Licensee does not agree to the terms of this Agreement, Licensee must not install, copy, download, access or use the Software, and Licensee must promptly notify Claris in writing.

1. License.

(a) **License Grant.** Licensee represents that the Initial Number of Seats stated on the software download page is Licensee’s current total headcount for Licensee’s entire entity as identified by the Tax ID#, site address or other identification acknowledged in writing by Claris (“License Count”). Upon payment of all applicable fees and subject to the terms of this Agreement, Claris grants to Licensee a non-exclusive, perpetual (unless terminated under Section 6), non-transferable license to make exact object code copies of FileMaker Pro and FileMaker Server software programs and any other software programs listed on the software download page (“Software”), and install and use such copies of the Software on computers owned or leased by Licensee or located at Licensee’s site address, as applicable. Licensee may not install more copies of FileMaker Server software than the License Count. Claris has provided Licensee with a unique License Key identified on the software download page, and such License Key must be kept confidential and used solely for the purpose of enabling Licensee to use the Software in accordance with the terms and conditions of this Agreement. Licensee shall be solely responsible for all expenses incurred in the copying and installation of the Software by Licensee.

(b) **Authorized Users.** The Software may be used by all employees of Licensee at facilities governed by Licensee as identified by the Tax ID# or other identification acknowledged in writing by Claris. If Licensee is an educational institution, the Software may only be used by Licensee’s enrolled students, faculty, teaching assistants, administrators and staff on Licensee’s computers at facilities governed by Licensee. Licensee will use commercially reasonable efforts to restrict network or any other access to the Software by anyone outside of Licensee’s facilities who is not authorized to use the Software. Temporary employees, contractors, and consultants of Licensee who work on-site at Licensee’s facilities may also use the Software in connection with the operation of the business of Licensee so long as such temporary employees, contractors and consultants were included in the Initial Number of Seats. Any copies of the Software used by temporary employees, contractors and consultants must be removed from such individual’s computers once they cease working at Licensee’s facilities.

(c) **Ownership.** Licensee owns the media on which the Software is recorded or fixed, but Licensee acknowledges that Claris and its licensors retain ownership of the Software itself. Claris reserves any rights not expressly granted to Licensee. The rights granted are limited to Claris and its licensors’ intellectual property rights in the Software and do not include any other patents or intellectual property rights.

(d) **Increased License Count.** The parties acknowledge that License Count may increase during the term of this Agreement. Licensee is not obligated to pay Claris for increased License Count during the Maintenance Period (as defined in Section 3(b)) or during any single annual term if under a multi-year Maintenance contract so long as the total License Count does not exceed an amount greater than 10% above the Initial Number of Seats. At the end of the Maintenance Period, if the Agreement is renewed then Licensee will pay the new license fees for the increased License Count and Licensee will pay the renewal maintenance fees for the remaining License Count. If you are under a multi-year Maintenance contract, within (30) thirty days of the end of each annual term you will

need to count and purchase any additional seats used during that annual term even if you did not exceed 10%. If the total License Count has increased by more than 10% during the Maintenance Period or any single annual term if under a multi-year Maintenance contract, then Licensee will pay Claris the new license fees before such Software is used and based on Claris then-current license fees. If Licensee fails to pay the new license fees, then Licensee's rights to use any Maintenance Software under Section 3 shall terminate and Licensee shall only use a quantity of Software that does not exceed the Initial Number of Seats.

(e) **End User License Agreement.** The terms and conditions stated in the end user license agreement ("EULA") provided with the Software will govern the use of each respective copy of the Software used under this Agreement, except that the EULA does not constitute the granting of any additional license to the Software.

(f) **FileMaker Clients.** FileMaker Server Software includes the rights to access data stored in the database server using Claris FileMaker WebDirect ("FileMaker WebDirect") web browser clients, Claris FileMaker Go ("FileMaker Go") clients and FileMaker Pro clients (collectively "Client(s)"). Each Authorized User may use any Client to connect to FileMaker Server. FileMaker WebDirect and FileMaker Go clients are not restricted for use by Authorized Users (as defined in Section 1(b)).

(g) **Claris FileMaker Data API License.** FileMaker Server software includes the Claris FileMaker data API feature ("Data API Feature"). The Data API Feature allows Licensee to pull and push data from and to the database on its FileMaker Server by making REST API data requests (each a "Data Request") to the database on its FileMaker Server. The number of Data Requests Licensee may make is limited by the amount of API data transfer ("API Data Transfer") Licensee receives with its Site License contract. For inbound Data Requests (pulling data into the database on Licensee's FileMaker Server) Licensee has unlimited API Data Transfer. For outbound Data Requests (pushing data out from the database on Licensee's FileMaker Server) Licensee is limited to the API Data Transfer included with its Site License contract along with any additional API Data Transfer that it purchases. The API Data Transfer Licensee receives under its Site License contract is shared among all the copies of FileMaker Server it installs. The API Data Transfer Licensee receives is for an annual term based on the start date of Licensee's contract, and any unused API Data Transfer will not roll over to the next annual term.

2. Restrictions. In addition to the restrictions stated in the respective EULA, the following restrictions apply.

(a) **Other Limitations.** LICENSEE MAY NOT REVERSE ENGINEER, DECOMPILE OR DISASSEMBLE THE SOFTWARE, EXCEPT AND ONLY TO THE EXTENT EXPRESSLY PERMITTED BY APPLICABLE LAW. LICENSEE MAY NOT MODIFY, ADAPT, TRANSLATE, RENT, LEASE, LOAN OR CREATE DERIVATIVE WORKS BASED UPON THE SOFTWARE OR ANY PART THEREOF.

(b) **Restricted Uses.** THE SOFTWARE IS NOT INTENDED FOR USE IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL SYSTEMS, LIFE SUPPORT MACHINES OR OTHER EQUIPMENT IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE.

(c) **Transfer Restriction.** LICENSEE MAY NOT TRANSFER OR ASSIGN ITS RIGHTS UNDER THIS AGREEMENT TO ANOTHER PARTY WITHOUT THE PRIOR WRITTEN CONSENT OF CLARIS.

(d) **No Hosting for Third Parties.** Licensee may only use the Software to host applications owned by Licensee. Licensee may not use the Software to host applications owned by third parties, notwithstanding any other terms in this Agreement.

3. Maintenance Software.

(a) **Definitions.**

(i) "Maintenance Software" includes both Upgrades and Updates.

- (ii) "Upgrade" means an improvement to an existing product through added functionality and/or enhanced performance.
- (iii) "Update" means bug fix updates containing fixes, compatibility updates to maintain compliance with specifications, and standards compatibility updates to interoperate with specific standards.

(b) **Maintenance License.** As part of this Agreement, Licensee's rights to use the Software will extend to the Maintenance Software that is commercially released during the period between the License Date and the Expiration Date set forth on the software download page ("Maintenance Period"). Claris will provide or make available to Licensee a master copy of such Maintenance Software commercially released during this period.

(c) **Restrictions and Disclaimers.** Licensee's rights to Maintenance Software does not grant Licensee the right to acquire products bearing different names or special versions of the Maintenance Software created for certain customers or market segments, even though they may contain similar features or perform similar functions. From time to time products will be offered in the retail or other channels in different configurations as special promotions, which will not be made available as Maintenance Software, except in the sole discretion of Claris. MAINTENANCE SOFTWARE WILL BE DEVELOPED AND RELEASED BY CLARIS AND ITS LICENSORS IN THEIR SOLE DISCRETION. CLARIS AND ITS LICENSORS DO NOT WARRANT OR REPRESENT THAT THEY WILL DEVELOP OR RELEASE ANY MAINTENANCE SOFTWARE DURING THE TERM OF THESE MAINTENANCE TERMS. CLARIS AND ITS LICENSORS DO NOT WARRANT THAT THE MAINTENANCE SOFTWARE WILL BE PROVIDED TO LICENSEE OR MADE AVAILABLE WITHIN ANY SPECIFIED TIME PERIOD FOLLOWING THE COMMERCIAL RELEASE OF SUCH MAINTENANCE SOFTWARE.

4. Limited Warranty. Claris warrants for a period of ninety (90) days from the effective date of this Agreement that the Software as provided by Claris will perform substantially in accordance with the accompanying documentation. Claris entire liability and Licensee's sole and exclusive remedy for any breach of the foregoing limited warranty will be, at the option of Claris, replacement of the Software, refund of the purchase price or repair or replacement of the Software which is returned to Claris or a Claris authorized representative with a copy of the receipt.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY PROVIDED BY CLARIS AND CLARIS AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, CONDITIONS OR OTHER TERMS, EITHER EXPRESS OR IMPLIED (WHETHER COLLATERALLY, BY STATUTE OR OTHERWISE), INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES, CONDITIONS OR OTHER TERMS OF MERCHANTABILITY, SATISFACTORY QUALITY AND/OR FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE AND ACCOMPANYING WRITTEN MATERIALS. FURTHERMORE, THERE IS NO WARRANTY AGAINST INTERFERENCE WITH LICENSEE'S ENJOYMENT OF THE SOFTWARE OR AGAINST INFRINGEMENT OF THIRD PARTY PROPRIETARY RIGHTS BY THE SOFTWARE. CLARIS DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY CLARIS OR AN CLARIS AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES, CONDITIONS OR OTHER TERMS THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE. THE TERMS OF THIS DISCLAIMER AND THE LIMITED WARRANTY UNDER THIS SECTION 4 DO NOT AFFECT OR PREJUDICE THE STATUTORY RIGHTS OF A CONSUMER ACQUIRING THE SOFTWARE OTHERWISE THAN IN THE COURSE OF A BUSINESS, NEITHER DO THEY LIMIT OR EXCLUDE ANY LIABILITY FOR DEATH OR PERSONAL INJURY CAUSED BY CLARIS'S NEGLIGENCE.

5. Exclusion and Limitation of Remedies and Damages.

(a) **Exclusion.** IN NO EVENT WILL CLARIS, ITS PARENT, SUBSIDIARIES, OR ANY OF ITS LICENSORS, DIRECTORS, OFFICERS, EMPLOYEES OR AFFILIATES OF ANY OF THE FOREGOING BE LIABLE TO LICENSEE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES WHATSOEVER (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) OR DIRECT LOSS OF BUSINESS, BUSINESS PROFITS OR REVENUE, WHETHER

FORESEEABLE OR UNFORESEEABLE, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR ACCOMPANYING WRITTEN MATERIALS, REGARDLESS OF THE BASIS OF THE CLAIM (WHETHER UNDER CONTRACT, NEGLIGENCE OR OTHER TORT OR UNDER STATUTE OR OTHERWISE HOWSOEVER ARISING) AND EVEN IF CLARIS OR A CLARIS REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

(b) **Limitation.** CLARIS'S TOTAL LIABILITY TO LICENSEE FOR DAMAGES FOR ANY CAUSE WHATSOEVER NOT EXCLUDED BY SECTION 5(a) ABOVE HOWSOEVER CAUSED (WHETHER IN CONTRACT, NEGLIGENCE OR OTHER TORT, UNDER STATUTE OR OTHERWISE HOWSOEVER ARISING) WILL BE LIMITED TO THE MONEY PAID FOR THE SOFTWARE THAT CAUSED THE DAMAGES. THE PARTIES AGREE THAT THIS LIMITATION OF REMEDIES AND DAMAGES PROVISION SHALL BE ENFORCED INDEPENDENTLY OF AND SURVIVE THE FAILURE OF ESSENTIAL PURPOSE OF ANY WARRANTY REMEDY. THIS LIMITATION WILL NOT APPLY IN CASE OF DEATH OR PERSONAL INJURY CAUSED BY CLARIS'S NEGLIGENCE ONLY WHERE AND TO THE EXTENT THAT APPLICABLE LAW REQUIRES SUCH LIABILITY. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE LIMITATION OF LIABILITY IN THIS SECTION 5 MAY NOT APPLY TO LICENSEE. NOTHING IN THIS AGREEMENT AFFECTS OR PREJUDICES THE STATUTORY RIGHTS OF A CONSUMER ACQUIRING THE SOFTWARE OTHERWISE THAN IN THE COURSE OF A BUSINESS.

6. Termination. If any breach of this Agreement by Licensee continues for more than thirty (30) days after receipt of written notice of such breach by Claris, Claris may terminate this Agreement by written notice to Licensee and take steps to deactivate the Software, whereupon this Agreement and all rights granted to Licensee herein shall immediately cease. Licensee may terminate this Agreement at any time by providing written notice to Claris. In the event of any termination of this Agreement, Licensee shall promptly return to Claris all copies of the Software or verify in writing that all copies of the Software have been destroyed. Sections 2, 4, 5, 6, 7, 9 & 10 shall survive termination or cancellation of this Agreement.

7. Audit. No more than once per year and during ordinary business hours (after giving reasonable advance notice) Claris, or at either party's option, an independent third party reasonably acceptable to both parties, may audit Licensee and its records relating to its payment obligations under this Agreement for the purpose of confirming Licensee's compliance with this Agreement. At the request of Claris, Licensee will provide a knowledgeable employee to assist in such audit. If such audit reveals that Licensee has underpaid amounts owing to Claris under this Agreement, Licensee will promptly pay Claris such past due amounts. If the amount which Licensee has underpaid in any period exceeds ten percent (10%) or more of the amounts actually owed to Claris for such period, Licensee will promptly reimburse Claris for the direct out-of-pocket expenses incurred in conducting such audit.

8. Support. Claris is not obligated to provide Licensee any technical support services for Licensee's use of the Software under this Agreement. Licensee may order additional support services currently offered by Claris during the term of this Agreement.

9. Export Control. Licensee may not use or otherwise export or re-export the Software except as authorized by United States law and the laws of the jurisdiction in which the Software was obtained. In particular, but without limitation, the Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List. By using the Software, Licensee represents and warrants that Licensee is not located in any such country or on any such list. Licensee also agrees that Licensee will not use the Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons.

10. General Terms. If there is a local subsidiary of Claris in the country in which this Agreement was purchased, then the local law in which the subsidiary sits shall govern this Agreement. Otherwise, this agreement shall be governed by the laws of the United States and the State of California. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods (1980), as amended, is specifically excluded from application to this Agreement. This Agreement constitutes the entire agreement between the parties with

respect to the Software licensed under these terms, and it supersedes all prior or contemporaneous agreement, arrangement and understanding regarding such subject matter. This agreement prevails over any other terms or conditions contained in or referred to in Licensee's purchase order or elsewhere or implied by trade custom or course of dealing, unless those other terms or conditions are specifically agreed to in writing by a duly authorized representative of Claris. Any purported provisions to the contrary are hereby excluded or extinguished. Licensee acknowledges and agrees that it has not relied on any representations made by Claris, however, nothing in this agreement shall limit or exclude liability for any representation made fraudulently. No amendment to or modification of this agreement will be binding unless in writing and signed by Claris. If any provision of this agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this agreement will remain in full force and effect. No failure or delay by Claris in exercising its rights or remedies shall operate as a waiver unless made by specific written notice. No single or partial exercise of any right or remedy of Claris shall operate as a waiver or preclude any other or further exercise of that or any other right or remedy. This Software and related documentation are "Commercial Items", as that term is defined at 48 C.F.R. § 2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation", as such terms are used in 48 C.F.R. § 12.212 or 48 C.F.R. § 227.7202, as applicable. Consistent with 48 C.F.R. § 12.212 or 48 C.F.R. § 227.7202-1 through 227.7202-4, as applicable, the Commercial Computer Software and Commercial Computer Software Documentation are being licensed to U.S. Government end users (a) only as Commercial Items and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions herein. Unpublished-rights reserved under the copyright laws of the United States.
