**Brockville
General Hospital**

Hospitalists Full Time/Permanent

Brockville General Hospital is looking for enthusiastic physicians to join our expanding Hospitalist program. Features of the program and the permanent Hospitalist role include:

- Attractive working hours.
- On-call coverage, max. 1 in 3.
- Competitive daily income guarantee of \$1800/day + FFS billing when on-call.
- Caseload of 14-18 acute patients.
- Opportunities to influence and improve patient processes.
- Duties include: daily rounds, attending multidisciplinary meetings, and consultations to the ER.

The ideal Hospitalist candidate will:

- Be either Family Medicine (CCFP) or Internal Medicine (FRCPC) trained.
- Be eligible for an independent license with the College of Physicians and Surgeons of Ontario (CPSO).
- Be a Canadian Citizen or Permanent Resident.
- Possess excellent interpersonal skills and be a strong team player.
- Excellent English language communication skills.
- Have an interest in participating in post graduate education.

The city of Brockville, Ontario (pop. 22,000) is located one hour from Kingston/Ottawa, on the St. Lawrence River, in the beautiful 1000 Islands region.

Brockville General Hospital (BGH) is an accredited 160-bed community hospital, serving a regional population of 125,000. BGH offers an array of specialized acute, rehab, palliative and complex medical management care, with strong allied health support and ambulatory care services.

- Digital diagnostic services including CT and MRI.
- 10-bed, level III, closed Intensive Care Unit.
- A new (2020) rehabilitation and complex care building, which includes a 10-bed Palliative Care Unit and a cutting-edge Integrated Stroke Unit.
- 24-bed Schedule 1, Adult Mental Health Unit with Crisis Team support.
- Affiliation with Queen's University Family Medicine residency program.

Interested candidates may send their CV to:

centre for pediatric emergencies and specialized care

Plunge into a new era of pediatrics and be part of an inspired, innovative and fun multidisciplinary team

Because children deserve the best care close to home, UP set out to revolutionize pediatric emergency care. Founded by pediatric emergency medicine physicians in 2019, UP is the first network of specialized pediatric emergency centres outside of a hospital and close to home in Quebec. Thanks to an innovative vision and exceptional multi-disciplinary team, we have integrated within the public network to provide children and teens with access to quality care, with a hospital-level technical platform.

UP centre for pediatric emergencies and specialized care was designed to:

- Decongest hospitals
- Deliver swift, quality pediatric emergency and ambulatory care
- Be mentors with a multidisciplinary training environment
- Actively integrate into the public health system

Our clinical infrastructure (i.e. technical platform) includes on-site radiology (X-ray, ultrasound, POCUS, CT Scan, MRI), point of care testing (capillary blood gas, blood tests, catheter urinalysis), ability to manage acute and ambulatory presentations (nebulization, IV/IM medication, resuscitation, medical day services) and injuries (sutures, casting, procedural sedation with inhaled nitrous oxide, fracture reductions) as well as clinical pathways for direct-to-hospital admissions - all supported by a wireless, mobile, and paperless information system in a modern, bright environment.

Our physicians have the opportunity develop academic programs, train residents of all levels, as well as nurse practitioners. Requirements for continuing medical education credits are met entirely through our accredited inter-professional/in-situ simulations, weekly multi-disciplinary rounds, quality improvement and pediatric advanced life support (PALS) programs to name a few.

UP is looking for 3 doctors who aspire to challenge the status quo and pave the way for a new type of pediatric service in Quebec, meeting the acute care and ambulatory needs of children and teenagers.

- **Pediatricians** willing to bring their expertise into the community
- **Pediatric emergency doctors** aspiring to revolutionize care in an out-of-hospital setting with no overnights
- **Pediatric sub-specialists** wanting to diversify their practice and offer specialized services in the community

Qualifications:

- Board certified physicians, eligible for certification with the Collège de Médecins du Québec (CMQ)
- Willing to achieve French language proficiency with our support

Compensation:

- Compensation is fee-for-service as per the Régie de l'assurance maladie du Québec (median income for physicians in our province is 450 000 \$)

Locations in the Greater Montreal area:

- South Shore – Brossard: 1100 rue du Lux, suite 420, Brossard, Quebec, Canada, J4Y 0E2
- North Shore – Saint-Eustache: 375 Avenue Mathers, suite 200, St-Eustache, Quebec, Canada, J7P 4C1
- West Island – coming soon!

Please submit applications to: Dr. Mher Barbarian, Co-founder and Medical Director

Create Time for Your Life Outside of Medicine

Canadian Blood Services
 BLOOD
 PLASMA
 STEM CELLS
 ORGANS
 & TISSUES

**Associate Medical Director,
 Donation Policy & Studies
 Canadian Blood Services
 Location: Ottawa preferred**

Canadian Blood Services is an essential part of the country's network of healthcare systems. Together, with donors, recipients, employees, partners and volunteers, Canadian Blood Services is Canada's Lifeline, providing lifesaving products and services in transfusion and transplantation for Canadian patients, and safeguarding Canada's systems of life essentials in blood, plasma, stem cells, and organs and tissues.

Canadian Blood Services (CBS) is seeking an Associate Medical Director, Donation Policy and Studies (Associate Medical Director). This is a part-time (0.5), fee-for-service role, reporting to the Medical Director, Donation Policy and Studies. The intent is for this role to become a full-time permanent role within a timeframe of 18-24 months.

The Associate Medical Director will be responsible for assisting with the leadership of donor health at CBS and ensuring that donation policies are relevant and aligned with evolving science and best practices. They will develop recommendations regarding policies affecting the safety and security of the blood supply, from the donor and recipient perspective, and will assess the impact and effectiveness of risk mitigation strategies. They will also develop key performance indicators, evaluate research outcomes and improve processes. Furthermore, the Associate Medical Director will build and nurture relationships with external partners, including other blood operators and academic institutions, and will facilitate collaboration and partnerships to enhance CBS' capabilities and to promote knowledge sharing. The Associate Medical Director will play a leadership role on internal and external committees and will actively engage in national and international conferences. Finally, the Associate Medical Director will work closely with the CBS Public Affairs team by participating in media relations and stakeholder engagement activities.

As an ideal candidate, you have an MD degree, with specialty training in a relevant field being considered an asset. A current university faculty appointment or the ability to obtain one is desirable. You have five years of related experience, including leadership, strategy and policy development within a complex organization and representing an organization externally. You possess strong analytical abilities, coupled with effective problem solving and decision-making skills, and you are a highly capable written and verbal communicator. You also have a proven ability to establish and maintain effective working relationships with internal and external customers and stakeholders at all levels. You are known for your integrity, collaboration, adaptability, respect, and excellence in every situation and for your highly strategic and forward-thinking approach. This is a multifaceted role, both medically and organizationally, and requires a physician leader who places a high value on innovation and developing highly collaborative relationships to continue to advance the mission of CBS.

Are you ready to embark on a meaningful and inspiring journey, where what you do matters? Be part of Canada's lifeline. Because we can all be the reason, the connection, that keeps Canadians living.

**To apply for this position, please visit boyden.thriveapp.ly/job/2437.
 For more information, please email Paul Marshall at pmarshall@boyden.com.**

Diversity and inclusion play a vital role in ensuring health equity for patients across Canada. Canadian Blood Services is committed to reflecting Canada's population in its organization and fostering an environment where all employees can be their authentic selves, with equal opportunities to succeed and contribute.

To protect the health and safety of its employees, all Canadian Blood Services' employees are required to be fully vaccinated (COVID-19 vaccine doses as approved by Health Canada), subject to any medical or other human rights grounds. Persons who have been vaccinated outside of Canada must contact their local Public Health Unit to obtain a vaccine equivalency certificate.

We thank all applicants for their interest, however only those under consideration for the role will be contacted.
