TOP THREE COMMODITIES

CN is the largest of three Class I railroads operating in Michigan. CN's operations cross the state's Lower Peninsula with rail yards in Battle Creek, Flint, Port Huron and Flat Rock. CN also has a railcar/locomotive repair shop in Battle Creek. In the Upper Peninsula, CN has rail yards in Escanaba and Gladstone.

One in four automobiles built in Michigan is moved on a CN train. CN has an automotive distribution facility, two CN CargoFlo® bulk handling centers as well as forest products and metals distribution facilities in the state.

The Paul Tellier Tunnel between Port Huron and Sarnia serves as the border crossing for CN trains moving between Eastern Canada and the U.S. Midwest. CN has another international crossing at Sault Ste. Marie. CN also has an intermodal facility in Ferndale, in suburban Detroit. CN hosts several Michigan Amtrak trains.

All five of CN's yards in Michigan are certified by the state as Clean Corporate Citizens (C3), recognizing Pontiac, Flat Rock, Flint, Port Huron and Battle Creek for their strong environmental performance and commitment to continual improvement. CN was one of the first transportation companies to receive the C3 designation seven years ago.

Network Investments

Over the past decade, CN has invested about US\$900 million to build and maintain a safe and efficient network in Michigan and to support our supply chain partners. The program focused on bridge, tunnel and network upgrades, the replacement of rail and ties, plus maintenance of bridges, public crossings, culverts, signal systems, and other track infrastructure.

Community Investments

In 2023, CN contributed to several Michigan-based organizations, including:

AMERICA IN BLOOM (AiB) CN EcoConnexions contributed to AiB to promote beautification in Macomb County, Allen Park and Orion Township by planting trees and shrubs. Throughout the U.S., AiB and CN completed 13 tree-planting projects in 2023. Together, we have planted more than 70,000 trees, shrubs and perennials since 2014.

WHALEY CHILDREN'S CENTER Each year, Whaley Children's Center provides shelter, hope and healing to nearly 90 children who are survivors of horrific abuse and neglect. Through an intense treatment process provided by qualified and dedicated staff, children are taught the skills necessary to cope with their past and thrive in life.

SOUTH OAKLAND SHELTER (SOS) For over 30 years, SOS has been working to end homelessness for individuals and families in crisis. With an emphasis on prevention, sustainable housing solutions, and career development, SOS implements strategies and programs that provide realistic options for people experiencing homelessness and at-risk people seeking stabilization and self-sufficiency.

GREATER LANSING FOOD BANK (GLFB) GLFB has led mid-Michigan's fight against hunger since 1981 to ensure local families in need have access to the nutritious food they need to support their health and well-being. CN sponsored the organization's annual Empty Plate fundraising dinner.

FRIENDS OF THE DETROIT RIVER (FDR) FDR aims to protect, defend, and improve the Detroit River through community-based stewardship and restoration, now and for future generations.

MCLAREN MACOMB FOUNDATION McLaren Health Care, headquartered in Grand Blanc, is a fully integrated health care delivery system committed to quality, evidence-based patient care. The McLaren system includes 13 hospitals in Michigan, ambulatory surgery centers, imaging centers, almost 500 primary and specialty care physicians, and much more.
