## **JOINT RESOLUTION**

Designating December 15, 1993, as "National Firefighters Day".

Whereas there are over 2,000,000 firefighters in the United States;

Whereas firefighters respond to more than 2,300,000 fires and 8,700,000 emergencies other than fires each year;

Whereas fires annually cause nearly 6,000 deaths and \$10,000,000,000 in property damages;

Whereas firefighters have given their lives and risked injury to preserve the lives and protect the property of others;
