

In the 1980s, when the Kreismans' daughter Diane came to live in Sarasota with her parents, they were unable to find adequate local facilities to treat her severe depression and symptoms of schizophrenia.

They worked to raise awareness of the problem in Tallahassee and to secure funding from the State to provide quality care for persons who were suffering from serious mental health disorders.

The Kreismans' efforts helped bring Coastal Recovery Centers, which is now Coastal Behavioral Healthcare, its first mental health services contract from the Florida Department of Children and Families in 1989.

Two years later, they were successful in bringing to Sarasota the funding necessary to build the first public Baker Act receiving facility in the county, now known as the Kreisman Center Crisis Stabilization Unit (CSU).

Recently, in recognition of their contributions to raising awareness and making a difference,

the Kreisman Family received the Sunshine from Darkness first annual Diamond Award.

Further testament to the efforts of the Kreisman family is a recent four-year, \$2 million award from the Substance Abuse and Mental Health Services Administration for the integration of primary and behavioral healthcare on the newly dedicated Kreisman Campus for Integrated Health Care.

The Kreismans' determination to deal with this issue head-on has made it possible for many others throughout Southwest Florida to get the care they need to grow and prosper, despite the challenges of mental illness.

On behalf of the people of Florida's 13th District, I recognize the Kreismans' successful efforts on behalf of area residents dealing with mental illness, and applaud Coastal Behavioral Healthcare's dedication of its 10th Street site as the Kreisman Campus for Integrated Health Care in their honor.

IN MEMORY OF LOUIS ARTHUR
BEECHERL, JR.

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. SESSIONS. Mr. Speaker, I rise today to recognize and remember my friend, Louis Arthur Beecherl, Jr. He was kind, generous, and a man of great character that deeply loved God and country. Louis passed away on Tuesday, July 5, 2011.

Born and raised in Dallas, Texas, Louis graduated from Highland Park High School and received Bachelor of Science degrees from Tulane University and the University of Texas. He proudly served as a servicemember in the United States Navy and had a successful career in the energy business spanning forty years.

Louis' life reflected his love for his community and his belief in service. From serving in numerous civic and charitable organizations to participating in the public policy process, he always sought to meet the needs of others and worked tirelessly for the betterment of our community. His passion for water conservation motivated him to become involved with the Texas Water Development Board and the Trinity Improvement Association. His belief in the importance of higher education led him to

establish distinguished professorships and faculty chairs at the University of Texas at Dallas and to serve on the Board of Regents for the University of Texas System. The YMCA of Metropolitan Dallas, Salvation Army, and the Circle 10 Council for the Boy Scouts of America are among the many other organizations he supported. His unwavering commitment to help others inspired us all and his legacy speaks loudly of his impact on our community.

Mr. Beecherl is survived by his loving wife of sixty-one years, Julie; his sons, Louis III and wife Cynthia, John and wife Mary, Will and wife Kay, Ernest and wife Susan, Robert and wife, Medore; his daughters, Jan Davis and husband Alan, Mary Dillard and husband Bill, and Kay Herring and husband Edward; his thirty-five grandchildren, and four great-grandchildren.

I am honored to have known him and called him my friend. He will be greatly missed. May the peace of God be with those he loved and sustain them through this hour of sorrow.

HONORING THE REPUBLIC OF CROATIA'S AMBASSADOR KOLINDA GRABAR KITAROVIC

HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. INSLEE. Mr. Speaker, I rise today as a founding member of the Congressional Croatian Caucus to recognize the service of Croatia's Ambassador to the United States, Kolinda Grabar Kitarovic, and the work of other Croatian Americans. On March 30, 2011, Kolinda Grabar Kitarovic was named a top deputy to the North Atlantic Treaty Organization's (NATO's) Secretary General Anders Fogh Rasmussen. She will serve as NATO's Assistant Secretary General for Public Diplomacy and she departed Washington for Brussels at the end of June.

Many in the United States will miss Ambassador Grabar Kitarovic. On March 19, 2008, she was sworn in as Ambassador Extraordinary and Plenipotentiary of Croatia to the United States after serving three years as Foreign Minister of her new nation-state. In Washington, she effectively communicated her nation's desires to join the West and fully integrate her country into Euro-Atlantic multilateral alliances after the dissolution of the former Socialist Federal Republic of Yugoslavia in the

early 1990s. Ambassador Grabar Kitarovic, the Congressional Croatian Caucus, and the National Federation of Croatian Americans (NFCA) successfully pushed the NATO Treaty to passage in the U.S. Senate, an important achievement for her country. As her record demonstrates, Ambassador Grabar has made a positive impact on both our country and her native Croatia.

The Croatian Caucus was also instrumental in supporting Croatia's bid for full membership in NATO—along with the entire Croatian American community as led by the NFCA—in an earlier legislative initiative. In December 2005, the House passed H. Res. 529 underlining the Republic of Croatia's readiness to join NATO, and I heard from many Croatian Americans in my district and state on the importance of the passage of this Resolution in the House and Senate.

In recognizing the work of Ambassador Grabar Kitarovic, I would also like to recognize two Croatian Americans who, through their work, made a positive impact on myself and on my constituents. As a young high school student growing up in Seattle, I had the good fortune to have played football for one of the greatest high school coaches in Washington state history, who was also a Croatian American: Coach Tony Gasparovic of Ingraham High School. He continues to be remembered fondly by hundreds of his former players.

Another important Croatian American is business leader Ed Loverich, who founded Town and Country Market on Bainbridge Island, Washington in 1957. This store is still a thriving town center today, and has expanded to more locations throughout the Seattle area. These are only a few of the positive contributions that the Croatian-American community has made on the Pacific Northwest, and our country as a whole.

I believe that I also speak for the Croatian Caucus Co-Chairs in wishing Ambassador Grabar Kitarovic and her husband, Jakov Kitarovic, and their two children the best of luck and success in Brussels. We hope her work with NATO brings her back through Washington in the coming years.

INTRODUCTION OF THE STOP DECEPTIVE ADVERTISING FOR WOMEN'S SERVICES ACT (SDAWS)

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mrs. MALONEY. Mr. Speaker, today I along with my colleagues Representatives MOORE, NORTON, CONNOLLY, CONYERS, HIRONO, GRIJALVA, JACKSON, RANGEL, TOWNS, LOWEY and LEE, am reintroducing important legislation that will protect the rights of women seeking information on family planning services. Too often, women who are facing the difficult consequences of an unintended pregnancy are being deceived and intimidated. No matter how one feels about the question of legal abortion, everyone can agree that deception has no place when a woman is seeking information about her pregnancy. Called Crisis Pregnancy Centers, CPCs, they advertise as a source of unbiased pregnancy counseling using neutral-sounding names. However,

some CPCs deliberately use marketing practices which cloak their offerings in medical buzzwords to bring in clients, and then use deceptive propaganda to dissuade women from considering comprehensive birth-control options or legal abortion.

If a woman enters a pregnancy center with full knowledge of the limited services and the center's bias that is entirely her choice. However this becomes an issue when a center knowingly uses misinformation, intimidation or coercion to cause and capitalize on her confusion.

In response to the deceitful practices of these centers, I am introducing the Stop Deceptive Advertising for Women's Services Act. This legislation directs the Federal Trade Commission to promulgate rules under the Federal Trade Commission Act, declaring it an unfair or deceptive act to advertise as a provider of abortion services if the entity does not provide abortion services. This legislation also states that an organization providing abortion services must not advertise that it does not provide these services.

Yesterday, a judge enjoined a New York City ordinance requiring CPCs to post signs disclosing the limited nature of their services. My bill only applies to CPCs that engage in deceptive and misleading advertising. The signage requirement (as adopted by NYC) tackles this issue in a different way. While I support those efforts, my bill is different because it gives a Federal agency the ability to investigate reports on misleading claims in the same way it can for other products and services.

Together, with this legislation, we can help women facing an already difficult and personal decision gain access to the best and most comprehensive healthcare without facing intimidation and deception.

REMEMBERING A TRUE ADVOCATE FOR SOCIAL JUSTICE, PABLO LOPEZ

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. KILDEE. Mr. Speaker, I rise today with a heavy heart and deep sympathy to commemorate the life of my friend, Pablo Lopez.

Pablo was born June 22, 1943, in Bach, Michigan. In 1961 he joined the United States

Air Force serving active until 1965, and reserves until 1967. In 1966 he hired into the Buick factory and he became a prominent labor leader at UAW local 599, the same local as my father. It was at UAW 599 that I got to know Pablo and I am happy I did.

For years after our first meeting, Pablo would call upon me and my staff to help with various issues but he never asked for himself, always looking out for someone else. As a proud Veteran he took up the fight of trying to memorialize their service by naming roads and post offices on their behalf across the 5th district and the state. He was successful at it and I can say if it were not for him the post offices in both Akron and Goodrich, Michigan, would not bear the name of Veteran's Memorial Post Office.

Pablo was an advocate for social justice not only in Flint, Michigan, but across the country. If there was an injustice taking place you would most likely find Pablo fighting it. He joined Cesar Chavez at the Midwest Hispanic Unity March and Rally on June 15, 1990, in Lansing, Michigan, and then traveled to Chicago to join in their march for unity on June 19. The last time he rallied with Cesar was in 1993 in Washington, D.C., always standing up for what he believed in.

Mr. Speaker, I would like to offer my deepest sympathies to the Lopez family and my gratitude for having met Pablo. I am a better person for knowing him and our community is better because of his tireless work.

TRIBUTE TO BOBBY GUTHANS

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2011

Mr. BONNER. Mr. Speaker, it is with heartfelt sadness that I rise to note the recent passing of a much-beloved member of the south Alabama community, Mr. Robert A. "Bobby" Guthans, who passed away at the age of 82 on June 5, 2011, after an extended illness.

At the time of his death, Bobby was one of Mobile's most revered business and civic leaders. More importantly, he was the epitome of a family man and the dictionary definition of a true "Southern Gentleman."

A native of Mobile, Bobby graduated from the Virginia Military Institute in 1951 with a degree in Chemistry. He was commissioned as an Army officer and spent the next two years fighting for his country in the Korean conflict. Bobby later served on the board of VMI, as well as on the board of Spring Hill College in Mobile.

In 1971, he became president of B-R Dredging Company, a worldwide dredging operation. Two years later, he was named president of Midstream Fuel Service, Inc., Petroleum Energy Products Company and Tenn-Tom Towing Company—a position he held until his retirement in 1999.

Not only was Bobby Guthans an active supporter of Southeastern inland waterways but he was recognized around the country as one of its great leaders. Among his many roles, Bobby served as Chairman of the Board of American Waterways Operators; Chairman of the Southern Region of the AWO; Director of the Executive Committee of the Warrior-Tombigbee Development Association; Director
