

constitution was signed—with parades, traditional food, and other festivities.

The United States and Norway have a very special bond. Our traditions of human rights and freedom and also of democracy are woven into the very fabric of our shared history, and over the last two centuries, the people of Norway have contributed greatly to the success and prosperity of our global community.

As cochair of the House Friends of Norway Caucus, I would like to send our best wishes to the people of Norway as they celebrate this year's Syttende Mai today, and I would like to reaffirm the friendship between our two nations as we work together on important issues ahead.

MANDATE FUNDING TO BRING OUR TROOPS HOME FROM AFGHANISTAN

(Ms. HAHN asked and was given permission to address the House for 1 minute.)

Ms. HAHN. Last October, on the 10th anniversary of the war in Afghanistan, I visited Arlington West—a moving memorial to Americans who have died in that war.

Every Sunday, on the sands of Santa Monica Beach, volunteers have put up a cross for every soldier who has lost his life in that war. As the number of dead has grown, they have only been able to put up one cross for every 10 soldiers. 1,843 U.S. soldiers have lost their lives in Afghanistan. We've had 17,000 casualties.

The defense bill today, in its current form, slows down the effort to withdraw our troops when we should be speeding it up. That's why I have co-sponsored legislation with BARBARA LEE that would mandate that any Afghanistan funding be used only to bring our troops home. Without such a change, I cannot vote for this bill. I don't want to go back to Arlington West only to see them adding more crosses.

INTERESTS IN FINANCIAL ASSETS OF IRAN

(Mr. TURNER of New York asked and was given permission to address the House for 1 minute.)

Mr. TURNER of New York. Madam Speaker, there are no greater reminders of how dangerous Iran is to America than the Iranian-backed 1983 Beirut and 1996 Khobar Towers bombings in which 260 Americans lost their lives.

There was no military or economic retaliation towards Iran for their involvement in those bombings. The only type of recourse the families had of those who died was a financial reward given to them by the Federal courts—an award they still have not seen.

This is why I have introduced H.R. 4070, a legal necessity which revokes sovereign immunity from the Iranian central bank and allows a Federal court to attach frozen funds. Thus, the

families who have been impacted by those bombings can receive the financial compensation they deserve and were previously awarded.

Today, 15 family members who lost their loved ones are on Capitol Hill, asking for two things: that we do everything we can to prevent Iran from killing more Americans, and that we hold them accountable for their actions.

I would like to say that I stand with them. I will continue to remind Americans about what Iran has done and what they continue to do.

THE NDAA AUTHORIZES WAR AGAINST IRAN

(Mr. KUCINICH asked and was given permission to address the House for 1 minute.)

Mr. KUCINICH. The NDAA authorizes war against Iran. It calls for a new policy—military action—which puts U.S. aircraft and munitions into position for air-and sea-based missions and the bolstering of U.S. capabilities to launch a sustained sea and air campaign against a range of Iranian nuclear and military targets. It authorizes war under the pretext that Iran is threatening to launch a nuclear attack, even though Iran does not have nuclear weapons, does not have nuclear-weapons capability, and is not building a bomb.

Beyond the obvious political and military questions here, there is a profound spiritual question: What is happening to the spirit of America that we can embrace war or waging war so casually? What happens to our souls when we authorize an attack on a nuclear facility in another country? What happens to the souls of those who perish when radiation is released from such an attack?

The Golden Rule states: Do unto others as you would have them do unto you. It does not say: Do unto others before they do unto you.

HONORING MEMORY OF FORMER SOUTH DAKOTA CONGRESSMAN AND SENATOR JIM ABDNOR

(Mrs. NOEM asked and was given permission to address the House for 1 minute.)

Mrs. NOEM. Madam Speaker, I rise today to honor the memory of former South Dakota Congressman and U.S. Senator Jim Abdnor, who passed away yesterday at the age of 89.

Jim Abdnor dedicated his life to serving the State of South Dakota and our country in whatever capacity he was serving. As Lieutenant Governor, as Congressman, U.S. Senator, even administrator of the United States Small Business Administration, Jim was a man who constantly put others first.

South Dakotans who knew him remember Jim as an incredibly decent man who worked tirelessly for the

State that he loved. In my personal interactions with Jim, I was always impressed by what a man of humility and integrity he was.

A born and raised South Dakotan, he left a legacy of hard work, commitment, and selfless sacrifice that every resident of the Rushmore State can be proud of.

I ask the South Dakotans and all those who knew him personally or of his legacy to keep his family and loved ones in their thoughts and prayers.

PROTECTING OUR VETERANS

(Ms. FUDGE asked and was given permission to address the House for 1 minute.)

Ms. FUDGE. Madam Speaker, today I rise on behalf of the millions of veterans who have returned home from Iraq and Afghanistan.

From joblessness to hopelessness, the readjustment to civilian life has been extremely difficult for many of our brave men and women. It is our responsibility to do all we can to lighten their already heavy load.

Today, my colleagues and I sent a letter to the Education and the Workforce Committee urging Chairman KLINE to address the aggressive and deceptive targeting of servicemembers, veterans, and their families by educational institutions, particularly for-profit career colleges.

I've read reports of schools steering our vets and family members into expensive loans, rather than directing them to less expensive Federal student loans. This is egregious and appalling, and it must be stopped. Join me in calling for hearings and for the movement of legislation.

BIRTHDAY OF FREDERICK COUNTY, MARYLAND

(Mr. BARTLETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARTLETT. Madam Speaker, I would like to invite America to join me in celebrating a belated birthday party in Frederick County, Maryland.

Just 100 years ago on the 22nd of last month, William Howard Taft convened 700 business leaders in the United States, and they established the U.S. Chamber of Commerce. Just 1 day later, through the miracle of communication by wire, delegates from Frederick County asked to be chartered as the first county chamber of commerce in the United States.

Please join me in celebrating this very important belated 100th birthday celebration in Frederick County, Maryland.
