SPEECH OF

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2015*

Mr. VAN HOLLEN. Mr. Speaker, as a co-sponsor of H. Res. 233, I rise to encourage my colleagues to join me in supporting this resolution urging Iran to release all American citizens currently being illegally held in that country. This resolution also urges the immediate release of information about any other American citizens who have disappeared within Iran's borders. Iranian President Hassan Rouhani has stated publicly that his government wishes to engage in a constructive interaction with the world. This resolution challenges President Rouhani to back up his words with action. If the Iranian people want to earn the trust of the American people, they must honor their commitments and keep their word. Americans Amir Hekmati, Saeed Abedini, Jason Rezaian and Robert Levinson have been unjustly held against their will in Iran for years. This resolution urges Iran to do the right thing and release them so that they can come home and reunite their families.

HONORING SONS AND DAUGHTERS  
IN TOUCH

**HON. JANICE HAHN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 16, 2015*

Ms. HAHN. Mr. Speaker, I rise today to honor Sons and Daughters in Touch (SDIT) on its 25th anniversary. The sons and daughters of servicemen and women who have died or gone missing in action while serving in the United States military are known as Gold Star children. Nearly 40 years after the end of the Vietnam War, many of their fathers and mothers are still unaccounted.

SDIT was founded by Tony Cordero, whose father died during the Vietnam War. Tony wanted to find others like him who had lost a parent in battle, and since its founding, SDIT has been dedicated to locating, uniting, and providing support to Gold Star children as well as other family members whose relatives have died or remain missing as a result of the Vietnam War. Prior to the founding of Sons and Daughters in Touch, in 1990, there was no organization to support those who lost their parents during the war. This organization currently represents an estimated 20,000 sons and daughters in the United States.

SDIT will be celebrating its 25th anniversary on Father's Day, Sunday June 21, at the Viet-

nam Veterans Memorial in Washington, DC. The United States of America Vietnam War Commemoration will recognize Gold Star sons and daughters and their families who lost their loved ones during the war for their service and sacrifice. Representatives from all Gold Star families, including those from Korea, WWII and recent conflicts, will participate in the event.

As a nation, we must pay tribute to the generations of children whose parents suffered the ultimate sacrifice defending our nation. I ask my colleagues to stand here with me in upholding our shared responsibility to comfort and care for the loved ones and communities these servicemen and women left behind. I ask that my colleagues join me in honoring our nation's sons and daughters and the many contributions their parents have made for our country by supporting this resolution.

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 16, 2015*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to congratulate and recognize Cheryl Johnson of Bedford, Iowa, on her retirement from the Bedford School. Ms. Johnson has been a dedicated public servant helping to educate the future of Iowa—its students.

Ms. Johnson has worked at the Bedford School for 15 years, spending three of those years in the elementary school and 12 with the Secondary School. During her tenure at Bedford she has worked diligently to support her community. She performed many different roles and enjoyed being able to watch her four older grandchildren graduate from Bedford.

Mr. Speaker, it is an honor to represent dedicated public servants like Cheryl Johnson from the great state of Iowa in the United States Congress. I invite my colleagues in the House to join me in congratulating her on reaching this important milestone, and wishing her continued success for years to come.

HONORING THE SERVICE OF MR.  
COLEMAN HATTON

**HON. ANDY BARR**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 16, 2015*

Mr. BARR. Mr. Speaker, I rise today to recognize an outstanding individual, Mr. Coleman Hatton, of Clark County, Kentucky, for his distinguished military service during World War II. Mr. Hatton, a part of the greatest generation, served our nation in the United States Army.

Mr. Hatton left the comforts of home and family on December 26th, 1942 when he was twenty years old. He served as a Tech-4 in Company D, 23rd Battalion for twenty nine months. His service was in Central Europe, primarily in France, England, and Germany.

Mr. Hatton served as a light tank crewman and was a driver. The light tank crew's job was to find the enemy and then draw fire for the big tanks. Mr. Hatton drove the lead tank directly behind the unit commander. He and his fellow crewmen took turns sleeping in the tanks while on guard duty. They went without hot meals for days at a time, ate C-rations, and sometimes visited nearby farms for eggs when they felt safe from enemy fire. Like many of his fellow soldiers, Hatton witnessed the horrors of war. He saw tanks get hit resulting in fires that killed all inside. He recovered bodies of dead American soldiers and some of these bodies had been desecrated by wild animals. He saw a Colonel's head get blown off. Hatton served our country admirably and bravely.

Mr. Hatton survived his service and returned home February 14, 1946. He and his late wife were married for sixty six years. He has six children, fourteen grandchildren, twenty great grandchildren, and three great great grandchildren.

The bravery of Mr. Hatton and his fellow men and women of the United States Army is heroic. Because of the courage of individuals from Clark County and from all across our great nation, our freedoms have been saved for our generation and for future generations. He is truly an outstanding American, a patriot, and a hero to us all.
