

being used effectively and efficiently so Americans are getting the most out of their hard-earned taxpayer dollars.

I have made it a priority to support legislation that addresses our government's spending habits. As a member of the House Armed Services Committee, I put forth a bipartisan amendment to the National Defense Authorization Act (NDAA) with fellow Oklahoman, Congressman TOM COLE, to allow the Department of Defense (DoD) to have better oversight of where and how government defense money is being spent. The amendment requires the office of the Inspector General to audit all sole-source contracts with depot maintenance centers. This audit, and other financial accounting tools, act as accountability measures to ensure the government is being a good steward of taxpayer money while keeping our country safe.

As a member of the Government Efficiency Caucus and the Blue Dog Coalition, I am constantly working with my colleagues to find ways to promote responsible government spending. The bipartisan Government Efficiency Caucus works to find pragmatic solutions to government spending that increase the efficiency and effectiveness of government programs. The Blue Dog Coalition's Fiscal Responsibility Task Force analyzes ways to strengthen our fiscal responsibility and close the cycle of widespread government spending.

During the 116th Congress, the Government Efficiency Caucus has identified three priorities to improve the government's fiscal efficiency. These priorities include focusing on ensuring government agencies adopt monetary best practices to increase efficiency and effectiveness; supporting reasonable policy proposals that will improve the on-time, on-budget delivery of federal infrastructure investments; and modernizing the federal government workforce to ensure government employees have the skills, knowledge, and technology, to be good stewards of taxpayer money.

The Blue Dog Coalition's Fiscal Responsibility Task Force has released a set of policy proposals that include financial stability measures like creating a federal rainy-day fund so Congress is less reliant on massive, unplanned emergency spending when disasters strike. Another proposal emphasizes a return to the regular process of creating and passing the federal budget on time every year. This proposal outlines concepts like "No Budget, No Pay" and "No Budget, No Recess," which would increase the consequences on Congress for not passing a federal budget on time. These and other proposals outlined by the Blue Dog Fiscal Responsibility Task Force should be given extensive consideration by Congress, so our government can correct the bad fiscal habits it has developed.

Future generations of Americans should not have to pay for our irresponsible spending. It is up to us to get America's fiscal house in order so we can prove to the world that we are a nation that keeps its fiscal promises. Doing so will not only improve our government and its standing in the world, but also increase the faith that taxpayers have in the government to spend their money wisely.

RECOGNIZING GERARDO BECERRA FOR HIS YEARS OF SERVICE TO THE INTERNATIONAL LONGSHOREMEN'S ASSOCIATION

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 23, 2019

Mr. DIAZ-BALART. Madam Speaker, on the occasion of his retirement as President of two local International Longshoremen's Association (ILA) chapters, I rise today to commemorate the years of service my close friend, Mr. Gerardo Becerra, has given to the maritime industry and the thousands of members he passionately represented in South Florida. Gerry is a remarkable individual whose legacy in the port industry and the ILA will never be forgotten.

Born in 1941 in Havana, Cuba, Gerry escaped the Castro dictatorship in 1960 and had to build a new life for himself in South Florida. Shortly after arriving to the states, Gerry enlisted in the United States Army in 1962 and served our nation for a number of years. After being honorably discharged from the army, Gerry began working at the ports and in 1965 he was one of the original charter members for ILA's Local 1922 chapter.

Gerry's retirement closes his chapter of over fifty-four years of service to the longshoremen industry and the ILA. From 1965 to 1983, Gerry worked as a checker and plan clerk and through his hard work and dedication, he was appointed Vice President in 1984 for Local 1922, Local 1922-1, and Local 2062. In this role, he represented checkers, mechanics, and truck drivers. In 2005, he became President of Local 1922 and Local 1922-1 and served in this position until his retirement. Additionally, he served as Vice President of the ILA from 2006 until 2018. During this time, Gerry was integral in negotiating contracts, mediating grievances, and representing the interests of his colleagues.

Having had the privilege of working with Gerry for many years, his determination and passion for bettering the longshoremen industry never wavered. While his retirement marks the end of an era, I have no doubt that Gerry looks forward to spending more time with his wife of fifty-six years, Carmen, his two daughters, nine grandchildren, and extended family.

Madam Speaker, I am honored to pay tribute to the impressive career of my dear friend, Mr. Gerry Becerra, and the strides he has made for the hardworking men and women in the port industry, and I ask my fellow colleagues to join me in recognizing this outstanding individual.
