

IN RECOGNITION OF BENJAMIN  
ROSENBAUM

**HON. DINA TITUS**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 1, 2021*

Ms. TITUS. Madam Speaker, I rise today to express my sincere gratitude and best wishes to a highly valued member of my staff who after almost 9 years will be departing my office this week. After previously working in the Senate, Ben Rosenbaum, a Florida Gator, joined my team as a Senior Legislative Assistant and worked his way to Deputy Chief of Staff. Anyone who has known and had the pleasure of working with Ben during his fourteen years in public service can attest to his depth of knowledge, breadth of commitment, and unflappable positivity. No one knows transportation and nuclear waste issues like Ben. Nevada is fortunate to have had Ben protecting its interests and serving its people. He will be sorely missed by all of us who wish him the best on the next leg of his journey.

PERSONAL EXPLANATION

**HON. KEVIN BRADY**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 1, 2021*

Mr. BRADY. Madam Speaker, I was unavoidably detained. Had I been present, I would have voted YEA on Roll Call No. 387 and YEA on Roll Call No. 388.

FRANCIS PADILLA

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 1, 2021*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Francis Padilla, District Director of the Small Business Administration (SBA) in Colorado for her dedication and service to the people of the State of Colorado. Throughout the COVID-19 pandemic, Francis went above and beyond by participating in many of my Telephone Town Halls to educate my constituents about small business support and resources.

Francis has served the constituents of Colorado in her current role since 2017. As District Director, she is responsible for directing the expansion and delivery of SBA's various loan and business training services throughout the State of Colorado. Prior to her current position, she was the Deputy District Director where she led the Entrepreneurial Development and Lender Relations divisions in the Colorado office and managed the agency's relationships with financial institutions, resource partners, local government officials, and economic development organizations. Throughout the COVID-19 pandemic, Diana provided timely updates related to small businesses relief programs and made herself available to my staff and my constituents around the clock. Her insights and knowledge were invaluable to my constituents and small businesses in our communities.

It is because of local heroes like Francis that our state has been able to support small businesses and keep many of them afloat during this unprecedented time. I thank Francis Padilla for her service and her sacrifice during this difficult time, and I look forward to continuing to work with her as we work to emerge from the COVID-19 pandemic.

RECOGNIZING MAYOR WILSON  
"EDDIE" BARBER OF EMERALD  
ISLE, NORTH CAROLINA

**HON. GREGORY F. MURPHY**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 1, 2021*

Mr. MURPHY of North Carolina. Madam Speaker, I rise today in honor of a devoted public servant in our community who will retire at the end of this year, Mayor Wilson "Eddie" Barber of Emerald Isle, North Carolina. A selfless and dedicated minister and town Mayor, Mr. Barber has been in the service of others for the past 40 years.

Beginning in 1969, Mayor Barber commenced his service as a minister performing services throughout eastern North Carolina until 2015. Nearing the end of his ministerial years, Mayor Barber soon devoted his career to public service, where he served as a member on the Emerald Isle Land Use Steering Committee and Emerald Isle Planning Board from 2004 until 2013. Concurrently, from 2009 until 2013, he served as Vice-Chair of the Planning Board. During this time, Mayor Barber was a tenured and established public servant with many accomplishments under his belt and a name recognized by everyone in Emerald Isle.

After years of civil service on municipal boards and committees, Mayor Barber was elected Mayor of Emerald Isle in 2013 and re-elected in 2017. Currently, Mayor Barber is a member of the Carteret County Tourism Development Authority, and was the past Chair of the Down East RPO, and past Chair Person of the Crystal Coast Mayors Association. He has also been involved with the Emerald Isle Business Association, Hope for the Warriors, and served on the Board of Directors of Methodist University. As a tenured mayor, Mayor Barber was able to allocate \$37 Million towards beach re-nourishment initiatives at no expense to tax payers. He and the board also made sure to work closely and diligently to keep Emerald Isle's reputation as a welcoming and family friendly beach town. This was all accomplished through several hardships that struck the community such as Hurricane Florence, Hurricane Dorian, and the COVID-19 pandemic.

Madam Speaker, please join me in honoring the retirement of this incredible and noble man and wishing Mayor Eddie Barber a happy retirement from his life of public service.

HONORING MARK LARET

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, December 1, 2021*

Ms. SPEIER. Madam Speaker, I rise today to pay tribute to Mark Laret, retiring President

and Chief Executive Officer of the University of California San Francisco Health and a treasured friend. The San Francisco Giants recently announced that Buster Posey is retiring. For those who understand Mark Laret and his role at UCSF Health, the departure of Mark is equally earthshaking.

Mark Laret is a 1980 Regents Scholar graduate of UCLA. He earned his Master's in Political Science from the University of Southern California. He joined UCLA Medical Center in 1980 and worked his way up the ranks, and then transferred to UC Irvine. After Irvine, he came to UCSF and never left.

Mark arrived at UCSF Health after a disappointing attempt to merge with Stanford Health. At a time when the two organizations decided to end their merger, and many saw UCSF Health as the weaker partner, Mark took an \$86 million deficit at the merged entity and produced a turnaround for UCSF Health. It wasn't easy, and he later remarked, "I think when you are faced with a very difficult turnaround situation, the first thing you do is listen, and let people vent, hear them out—hear their take on what went wrong, and what caused the issue . . . [hear] what they're proud of about the place they work, what they think those strong core assets are. What do they want to see change, what's their hope for the future?" What faculty and labor wanted was new management.

A new executive team was recruited, and it operates under what Mark calls PRIDE (Professionalism, Respect, Integrity, Diversity and Excellence). UCSF's commitment to quality patient care, operational efficiency, deep employee engagement, and health equity were formalized. Although it would take another 14 years, equity remained a core value and was made concrete when UCSF acquired Oakland Children's Hospital, now known as UCSF Benioff Children's Hospital, Oakland. A new capital campaign to update that campus has begun.

UCSF Health also focused on regional care and an expansion of research. To expand its research capacity, Mark and his board created an entirely new and state of the art campus at Mission Bay. From the remains of railroad tracks and industrial decay, UCSF Mission Bay rose to offer globally competitive research space and hospitals that serve the entire San Francisco Bay Area. \$1.6 billion was needed by an institution that only a few years earlier was teetering on the edge of financial ruin. Mark is a visionary, and philanthropists from throughout the Bay Area supported that vision with \$600 million in donations, matched by \$700 million in borrowing and other funds. Today, the Mission Bay campus includes Benioff Children's Hospital San Francisco, Bakar Cancer Hospital, Betty Irene Moore Women's Hospital, and the Ron Conway Family Gateway Medical Building. From birth to passing, relying heavily upon one of the globe's premier research and training programs, UCSF Health provides first rate health care for the people of our region.

I have known Mark Laret for decades dating back to my years in the state legislature where we worked together after the unwinding of the Stanford merger. The first district that I represented in Congress had the UCSF Parnassus campus at its outer boundary. I was thrilled and spoke regularly to Mark and his leadership team about the vision for UCSF
