HONORING SEAN HUGHES

(Ms. DEAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DEAN. Madam Speaker, 2 weeks ago, Lower Merion, Pennsylvania, and the entire Montgomery County community lost a distinguished educator and community leader, Lower Merion High School Principal Sean Hughes.

Coming from Harleysville, Principal Hughes dedicated himself to Montgomery County throughout his life, serving as a teacher and athletic director, and last serving as principal for 14 years.

As a teacher, Mr. Hughes taught with compassion, personality, and an open-door policy, shaping thousands of students' lives with his kindness and leadership. One student called him “the light of the school.”

His trademark phrase was: “Character counts.” If the outpouring of love and support from the Lower Merion community, from students past and present, is any indication, Mr. Hughes' character was one to emulate.

His life was taken too soon. May his memory and light continue in the hearts and minds of his students, peers, and family.

Though it is profoundly difficult, I pray for his family, especially his wife, Kristi, and their children, Jack, Nolan, and Kate, and the Lower Merion High School to find solace in the thousands of lives he has touched.

Rest in peace, Principal Hughes. Your character has counted and will continue to. May your memory be a blessing.

HAPPY 30TH BIRTHDAY TO CHINO HILLS

(Mrs. KIM of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. KIM of California. Madam Speaker, I rise today to join the Chino Hills community of the 39th District in

California in celebrating its 30th birthday and honoring its rich history, natural beauty, and wonderful people.

From Chino Hills State Park to excellent schools and a vibrant small business community, Chino Hills is a great place to live and visit.

We honor our community's past; we recognize the more than 82,000 residents contributing to our history, culture, and economy each day; and we commit to working together to ensure Chino Hills continues to prosper for future generations.

I am honored to represent Chino Hills in Congress and will do all I can to ensure our community continues to thrive for many generations to come.

Happy birthday, Chino Hills.

SENATE SHOULD MOVE SWIFTLY

(Ms. BOURDEAUX asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BOURDEAUX. Madam Speaker, I rise today in strong support of the Build Back Better Act.

This bill increases access to affordable healthcare by expanding Medicaid in States like Georgia and significantly reducing the cost of health insurance premiums on the exchange.

With this bill, we will finally ensure that every Georgian has access to quality, affordable healthcare.

This bill will also ensure that nearly 200,000 additional 3- and 4-year-olds in Georgia will have access to universal pre-K.

The Build Back Better Act is the largest effort to combat the climate crisis in American history and realigns our tax code to support economic growth in our clean energy economy.

These are just some of the highlights in this critical bill that is fully paid for and makes long-overdue investments in our community and in our country.

I urge the Senate to act swiftly to pass the Build Back Better Act and invest in the future of all Americans.

INFLATION IS TAXATION

(Mr. CARL asked and was given permission to address the House for 1 minute.)

Mr. CARL. Madam Speaker, I stand here representing families all across this country who are struggling with rising costs of virtually everything, from gas to groceries. And there doesn't seem to be an end in sight.

Inflation is taxation, and it has increased every single month since Joe Biden has been President. Last month marked a 30-year record high in inflation.

Even worse, real wages have decreased under Biden almost every month since he has been in office.

So what is causing this inflation? President Biden and his allies in Congress are continuing to borrow trillions and trillions of dollars to pay for a massive Big Government expansion. It
