

from participating in sports. The teenage years are a difficult time enough but think about what this ban has imposed.

Let me tell you, Republicans are not satisfied with just banning transgender girls from competition in athletics. What this amendment will do is to accomplish full exclusion of transgender people, not only from athletic programs, but from any other auxiliary programming that a student would want to participate with their teams.

Not only are they interested in assuring that transgender girls and women can't enjoy the benefits of the athletic aspects of team sports, but they also want to make sure that trans students who, statistically speaking, already face intense marginalization in school environments are deprived of the opportunity to make friends, to be included, and just have fun.

□ 0930

No wonder more than half of transgender kids have thought about suicide or have attempted it.

This amendment is the example that represents the whole. The nature of this amendment is what is at the heart of this bill. It is not about competition. It is about participation.

I wish that they would stop using examples of difficulties in elite competitions as a justification to harm transgender kids all across this Nation and exclude them not only from sports but also exclude them from sports banquets or special study halls that may be associated with athletes.

This is an insidious amendment. It is an insidious bill. It is contrary to our values as Americans.

Mr. Chair, I reserve the balance of my time.

Mr. OGLES. Mr. Chair, no woman or girl in our country should be forced to lose competitions to biological men. No school in our country should be punished for fighting to preserve the integrity of women's sports.

We cannot pass up an opportunity to protect schools from adverse actions accusing them of discrimination when they provide a tutor to a team or they let athletes move into a dorm early or accommodate a practice schedule.

We know Democrats will work to pursue every loophole imaginable to undermine this bill, and we should take this opportunity to stop them before they can start.

Mr. Chair, I urge adoption of my amendment, and I reserve the balance of my time.

Mr. TAKANO. Mr. Chair, I would just say let's allow, at the very elite level, organizations like the International Olympic Committee and the NCAA to make determinations of what constitutes fairness, not impose the Federal Government where it is not necessary. Transgender athletes have been welcomed into participation for 20 years now and only recently has it become a major issue in our country.

Mr. Chair, where have the Republicans' concerns about government

overreach gone? Where have the concerns about allowing States and voluntary associations to solve problems before the Federal Government is brought to bear gone?

Certainly, we should not be using one or two examples at the elite sports level to affect the participation of transgender girls and women all across our country in high schools and colleges.

Mr. Chair, I reserve the balance of my time.

Mr. OGLES. Mr. Chair, I reiterate that no woman or girl should be forced to lose competitions to biological men. I say that as a father of a daughter who is an athlete. I say that as a father to two sons who are athletes. Girls should play girls' sports, and boys should play boys' sports.

Mr. Chair, I yield back the balance of my time.

Mr. TAKANO. Mr. Chair, I would say that organizations like the NCAA and the International Olympic Committee can resolve these issues about fairness in competition, but we should not neglect the greater value of participation, connecting to others in society and welcoming everybody into the community. This bill and this amendment do not do that, and they put our transgender kids in harm's way.

Mr. Chair, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Tennessee (Mr. OGLES).

The amendment was agreed to.

Mr. OGLES. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

ADJOURNMENT FROM THURSDAY,  
APRIL 20, 2023, TO MONDAY,  
APRIL 24, 2023

Mrs. KIM of California. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 11 a.m. on Monday next.

The SPEAKER pro tempore (Mr. DUARTE). Is there objection to the request of the gentlewoman from California?

There was no objection.

RECOGNIZING THE LIFE AND  
LEGACY OF NATHAN LEIKIP

(Ms. HAGEMAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HAGEMAN. Mr. Speaker, I rise today to recognize the life and legacy of Nathan Leikip, a Wyomingite who bravely defended this country and touched the hearts of all of those around him.

Upon graduation from Sheridan High School, Nathan enlisted in the U.S. Navy, serving honorably for 4 years. Following the tragic attacks on 9/11, compelled by his devotion to service and love of his Nation, Nathan returned to Active Duty in the Army,

completing multiple deployments in Iraq.

During his combat deployments, Nathan was twice wounded from attacks on his convoy and received two Purple Hearts and the Army Commendation Medal with Combat V.

Following his military service, Nathan continued to serve others as a sheriff's deputy in Bayfield, Colorado, for many years.

Tragically, Nathan took his own life after a long, hard-fought battle with PTSD and other sustained injuries from his service. Nathan was a child of God and a patriot who will not be forgotten.

His leadership, compassion, and desire to help others will be forever remembered by his community and should serve as a model for all Americans each and every day.

To Nathan's family, I offer my sincere prayers in this difficult time of mourning, and I ask all of my colleagues to join me in remembering the life of Nathan Leikip, honoring his service to our Nation, and standing with his family in these difficult times.

DENOUNCE MAGA REPUBLICANS'  
TRANSGENDER BILL

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to discuss the Protection of Women and Girls in Sports Act, or H.R. 734. This bill is yet another attack by the Republicans on a vulnerable population in America. It is nothing more than an attempt to score cheap political points and bully transgender youth. I question why the Republicans are so eager to pass this bill now.

Do you remember what the Republicans said before the last election? They told Americans that they would work with President Biden to lower inflation, that they would work with the President to lower gas prices, they would protect the economy, support a rise in the debt ceiling, and offer an alternative budget.

Now that they have the House majority, they have done none of those things. The Republican priorities are not aligned with the needs of the American people, and the American voters are paying attention to it.

HONORING THE LIFE OF DR. HOWARD  
WASDIN AND RECOGNIZING  
THE FIRST RESPONDERS OF  
WAYNE COUNTY GEORGIA

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize the Wayne County, Georgia, first responders for their efforts in handling a recent plane crash in Wayne County. I also rise to honor the life of Dr. Howard Wasdin.

On Thursday, April 6, Wayne County emergency responders answered a dispatch to a report of a missing aircraft. About 30 minutes later, the plane was located approximately a quarter mile from the William A. Zorn Airport.

The pilot has been identified as Dr. Howard Wasdin, who was a highly decorated Navy Seal. He served in Desert Storm and was part of the operation to capture Mohamed Farrah Aidid, a Somali warlord.

After 12 years of service, he earned his doctor of chiropractor from Life University and lived in Georgia, where he operated a chiropractic clinic.

This situation has been particularly difficult due to the impact it has had on Dr. Wasdin's family and the community at large. I thank all of the first responders for their tireless efforts in responding to this tragic accident.

Dr. Wasdin will be missed greatly by all who knew him. My thoughts and prayers are with him and his family.

IN DEFENSE OF SCIENCE,  
FREEDOM, AND CHOICE

(Ms. SALINAS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SALINAS. Mr. Speaker, I rise in defense of science, freedom, and choice.

Two weeks ago, a Trump-appointed judge issued a ruling to suspend the FDA's approval of mifepristone, a safe abortion and miscarriage management medication that has been on the market for more than two decades.

This unscientific, partisan judicial decision is the latest move in the ongoing attack on reproductive freedom across the United States.

Abortion, including medication abortion, like mifepristone, is still safe and legal in Oregon. But, like so many Oregonians, I am deeply troubled by these attacks, and I refuse to sit idly by as they jeopardize the health and well-being of millions of Americans.

I will continue to stand up for those who can get pregnant to ensure mifepristone remains available to all who need it, and to restore the right to choose in all 50 States.

Congress can and must intervene.

TODAY'S ECONOMY

(Mrs. KIM of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. KIM of California. Mr. Speaker, American families are hurting from high inflation resulting in higher prices of everyday goods from groceries to gasoline. Nearly two out of every three Americans is living paycheck to paycheck.

Unfortunately, in California, everything is more expensive. That is why I am working to bring some common sense to Congress and make life affordable by combating reckless spending and lowering taxes.
