

Tom Tredway
President, Erie Molded Packaging

Biography

Tom Tredway is the President of Erie Molded Packaging (EMP) and oversees the development and execution of EMP's sales and marketing strategy. Founded in 1982 by Tom's father Phil, EMP remains a family-owned and operated business, constantly striving to fulfill its motto to deliver "Big Company Capabilities backed by Small Company Values." EMP manufactures close-tolerance products (products that require precision machining where products have to fit together within thousandths or even millionths of an inch) for a wide range of markets including food and beverage, personal care, health and beauty, chemical, pharmaceutical, and nutraceutical. With a tenure that began in 2006, Tredway initially held the role of Vice President of Sales until 2020. Before his time at Erie Molded, he provided financial advisory services at Ameriprise Financial Services in Annapolis, MD.

Returning to Erie, Tredway has actively engaged with the local community, contributing his expertise to various boards, including Young Erie Professionals, Erie Regional Chamber of Commerce, Montessori Regional Charter School, Stairways Behavioral Health, and Manufacturers and Business Association. On a national scale, he served on the board of the Manufacturer's Association for Plastics Processing. Tredway holds B.S. degrees in Finance and Management from Lehigh University..
