TITLE I—AMENDMENT TO TITLE I OF THE ACT**SEC. 101. REVISION OF TITLE I.**

Title I of the Act is amended to read as follows:

“TITLE I—POSTSECONDARY PROGRAMS FOR
NONTRADITIONAL STUDENTS

“FINDINGS

20 USC 1001.

“SEC. 101. The Congress finds that—

“(1) the increasing incidence of relocation and dislocation of industries and workers, the entry and reentry of adults into the labor force, and the rapid rate of change in technology, the economy, population demographics, and social conditions, necessitate significant improvement in postsecondary educational opportunities for adults in all stages of life;

“(2) the majority of adults who continue their education do so for job-related and career-oriented reasons or to fulfill admissions requirements for educational or vocational training;

“(3) minority-group citizens comprise the fastest growing segment of the population and labor force, yet are underrepresented in adult education programs;

“(4) access to postsecondary educational opportunities is limited for adults whose educational needs have been inadequately served, or for those whose age, sex, race, disability, national origin, rural isolation, or economic or personal circumstances (such as marital status or responsibility with regard to dependent children) are barriers to such opportunities;

“(5) enrollment of adult learners (including individuals aged 50 and over) approaches or equals that of traditional students in postsecondary institutions and such enrollment patterns are changing the demography of postsecondary education;

“(6) the organizational structure and administration of postsecondary institutions often represents a significant barrier to matriculation for the adult learner and such institutions need to adapt themselves to integrate adult learners;

“(7) the Federal Government should encourage the development of institutional partnerships between the public and private sectors and postsecondary institutions for the purpose of planning and implementing effective educational programs and services for the adult learner; and

“(8) it is in the interest of the Federal Government to support continuing education for adults in order to reduce unemployment and underemployment, enhance job opportunities, and promote a well-trained, flexible, internationally competitive work force and an educated citizenry.

“DEFINITIONS

20 USC 1002.

“SEC. 102. For the purpose of this title—

“(1) the term ‘continuing education’ means postsecondary instruction and support services that are designed to meet the educational needs of adult learners;

“(A) which has endowment funds (other than any endowment fund built under section 332 of this Act as in effect on September 30, 1986, and under part B) the market value of which, per full-time equivalent student, is less than the average current market value of the endowment funds, per full-time equivalent student (other than any endowment fund built under section 332 of this Act as in effect on September 30, 1986, and under part B) at similar institutions; or

“(B) which has expenditures per full-time equivalent student for library materials which is less than the average of the expenditures for library materials per full-time equivalent student by other similarly situated institutions.

“BASIC EDUCATIONAL OPPORTUNITY GRANTS: AMOUNT AND DETERMINATIONS; APPLICATIONS

“SEC. 411. (a) PROGRAM AUTHORITY AND METHOD OF DISTRIBUTION.—(1) The Secretary shall, during the period beginning July 1, 1972, and ending September 30, 1992, pay to each eligible institution such sums as may be necessary to pay to each eligible student (defined in accordance with section 484) for each academic year during which that student is in attendance at an institution of higher education, as an undergraduate, a basic grant in the amount for which that student is eligible, as determined pursuant to paragraph (2). Not less than 85 percent of such sums shall be advanced to eligible institutions prior to the start of each payment period and shall be based upon an amount requested by the institution as needed to pay eligible students.

20 USC 1070a.

“(2) Nothing in this section shall be interpreted to prohibit the Secretary from paying directly to students, in advance of the beginning of the academic term, an amount for which they are eligible, in cases where the eligible institution elects not to participate in the disbursement system required by paragraph (1).

“(3) Basic grants made under this subpart shall be known as ‘Pell Grants’.

“(b) PURPOSE AND AMOUNT OF GRANTS.—(1) The purpose of this subpart is to provide a basic grant that (A) as determined under paragraph (2), will meet 60 percent of a student’s cost of attendance (as defined in section 411F); and (B) in combination with reasonable parental or independent student contribution and supplemented by the programs authorized under subparts 2 and 3 of this part, will meet 75 percent of a student’s cost of attendance (as defined in section 472), unless the institution determines that a greater amount of assistance would better serve the purposes of section 401.

“(2)(A) The amount of the basic grant for a student eligible under this part shall be—

“(i) \$2,300 for academic year 1987-1988,

“(ii) \$2,500 for academic year 1988-1989,

“(iii) \$2,700 for academic year 1989-1990,

“(iv) \$2,900 for academic year 1990-1991, and

“(B) In any case where a student attends an institution of higher education on less than a full-time basis during any academic year, the amount of the basic grant to which that student is entitled shall be reduced in proportion to the degree to which that student is not so attending on a full-time basis, in accordance with a schedule of reductions established by the Secretary for the purposes of this division. Such schedule of reductions shall be established by regulation and published in the Federal Register in accordance with section 482 of this Act.

“(3) The amount of a basic grant to which a student is entitled under this subpart for any academic year shall not exceed 60

percent of the cost of attendance (as defined in section 411F) at the institution at which the student is in attendance for that year.

"(4) No basic grant under this subpart shall exceed the difference between the expected family contribution for a student and the cost of attendance (as defined in section 411F) at the institution at which that student is in attendance. If, with respect to any student, it is determined that the amount of a basic grant plus the amount of the expected family contribution for that student exceeds the cost of attendance for that year, the amount of the basic grant shall be reduced until the combination of expected family contribution and the amount of the basic grant does not exceed the cost of attendance at such institution.

"(5) No basic grant shall be awarded to a student under this subpart if the amount of that grant for that student as determined under this subsection for any academic year is less than \$200.

"(6) No basic grant shall be awarded under this subpart to any student who is attending on a less than half-time basis—

"(A) from funds appropriated for fiscal years before fiscal year 1989;

"(B) from funds appropriated for fiscal year 1989 or 1990, unless the expected family contribution for such student is less than or equal to zero; or

"(C) from funds appropriated for fiscal year 1991, unless the expected family contribution for such student is less than or equal to \$200.

"(7) No basic grant shall be awarded under this subpart from funds appropriated for fiscal year 1989 to students who are attending on a less than half-time basis if awarding basic grants to such students would cause basic grants to other students to be reduced pursuant to subsection (g). The provisions of this paragraph may not be waived unless enacted in express limitation of this paragraph.

"(c) PERIOD OF ELIGIBILITY FOR GRANTS.—(1) The period during which a student may receive basic grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attendance except that—

"(A) such period may not exceed the full-time equivalent of—

"(i) 5 academic years in the case of an undergraduate degree or certificate program normally requiring 4 years or less;

"(ii) 6 academic years in the case of an undergraduate degree or certificate program normally requiring more than 4 years;

"(B) any period during which the student is enrolled in a noncredit or remedial course of study as defined in paragraph (2) shall not be counted for the purpose of subparagraph (A); and

"(C) an institution of higher education at which the student is in attendance may waive subparagraph (A) for undue hardship based on—

"(i) the death of a relative of the student;

"(ii) the personal injury or illness of the student; or

"(iii) special circumstances as determined by the institution.

"(2) Nothing in this section shall exclude from eligibility courses of study which are noncredit or remedial in nature (including courses in English language instruction) which are determined by the institution to be necessary to help the student be prepared for

the pursuit of a first undergraduate baccalaureate degree or certificate or, in the case of courses in English language instruction, to be necessary to enable the student to utilize already existing knowledge, training, or skills.

"(3) No student is entitled to receive Pell Grant payments concurrently from more than one institution or from the Secretary and an institution.

"(d) APPLICATIONS FOR GRANTS.—(1) The Secretary shall from time to time set dates by which students shall file applications for basic grants under this subpart.

"(2) Each student desiring a basic grant for any year shall file an application therefor containing such information and assurances as the Secretary may deem necessary to enable the Secretary to carry out the functions and responsibilities of this subpart.

"(e) DISTRIBUTION OF GRANTS TO STUDENTS.—Payments under this section shall be made in accordance with regulations promulgated by the Secretary for such purpose, in such manner as will best accomplish the purpose of this section. Any disbursement allowed to be made by crediting the student's account shall be limited to tuition and fees and, in the case of institutionally owned housing, room and board. The student may elect to have the institution provide other such goods and services by crediting the student's account.

"(f) CALCULATION OF ELIGIBILITY.—(1) Each contractor processing applications for awards under this subpart (including a central processor, if any, designated by the Secretary) shall, in a timely manner, furnish to the student financial aid administrator (at each institution of higher education which a student awarded a basic grant under this subpart is attending) an estimate of the eligibility index for each such student. Each such student financial aid administrator shall—

"(A) examine and assess the data used to calculate the eligibility index of the student furnished pursuant to this subsection;

"(B) recalculate the eligibility index of the student if there has been a change in circumstances of the student or in the data submitted;

"(C) make the award to the student in the correct amount; and

"(D) after making such award report the corrected data to such contractor and to a central processor (if any) designated by the Secretary for a confirmation of the correct computation of amount of the eligibility index for each such student.

"(2) Whenever a student receives an award under this subpart that, due to recalculation errors by the institution of higher education, is in excess of the amount which the student is entitled to receive under this subpart, such institution of higher education shall pay to the Secretary the amount of such excess unless such excess can be resolved in a subsequent disbursement to the institution.

"(3) Each contractor processing applications for awards under this subpart shall for each academic year after academic year 1986-1987 prepare and submit a report to the Secretary on the correctness of the computations of amount of the eligibility index, and on the accuracy of the questions on the application form under this subpart for the previous academic year for which the contractor is responsible. The Secretary shall transmit the report, together with the

Reports.

comments and recommendations of the Secretary, to the Committee on Appropriations and the Committee on Labor and Human Resources of the Senate and the Committee on Appropriations and the Committee on Education and Labor of the House of Representatives.

“(g) ADJUSTMENTS FOR INSUFFICIENT APPROPRIATIONS.—(1) If, for any fiscal year, the funds appropriated for payments under this subpart are insufficient to satisfy fully all entitlements, as calculated under subsection (b), the amount paid with respect to each entitlement shall be—

“(A) the full amount for any student whose expected family contribution is \$200 or less, or

“(B) a percentage of that entitlement, as determined in accordance with a schedule of reductions established by the Secretary for this purpose, for any student whose expected family contribution is more than \$200.

“(2) Any schedule established by the Secretary for the purpose of paragraph (1) of this subsection shall contain a single linear reduction formula in which the percentage reduction increases uniformly as the entitlement decreases, and shall provide that if an entitlement is reduced to less than \$100, no payment shall be made.

“(h) USE OF EXCESS FUNDS.—(1) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by 15 percent or less, then all of the excess funds shall remain available for making payments under this subpart during the next succeeding fiscal year.

“(2) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by more than 15 percent, then all of such funds shall remain available for making such payments but payments may be made under this paragraph only with respect to entitlements for that fiscal year.

“(i) NONCONTRACTOR STATUS OF INSTITUTIONS.—Any institution of higher education which enters into an agreement with the Secretary to disburse to students attending that institution the amounts those students are eligible to receive under this subpart shall not be deemed, by virtue of such agreement, a contractor maintaining a system of records to accomplish a function of the Secretary.

“SEC. 413A. (a) PURPOSE OF SUBPART.—It is the purpose of this subpart to provide, through institutions of higher education, supplemental grants to assist in making available the benefits of post-secondary education to qualified students who demonstrate financial need in accordance with the provisions of part F of this title.

“(b) AUTHORIZATION OF APPROPRIATIONS.—(1) For the purpose of enabling the Secretary to make payments to institutions of higher education which have made agreements with the Secretary in accordance with section 413C(a), for use by such institutions for payments to undergraduate students of supplemental grants awarded to them under this subpart, there are authorized to be appropriated \$490,000,000 for fiscal year 1987, and such sums as may be necessary for the 4 succeeding fiscal years.

“(2) Sums appropriated pursuant to this subsection for any fiscal year shall be available for payments to institutions until the end of the second fiscal year succeeding the fiscal year for which they were appropriated.

“AMOUNT AND DURATION OF GRANTS

20 USC 1070b-1.

“SEC. 413B. (a) AMOUNT OF GRANT.—(1) From the funds received by it for such purpose under this subpart, an institution which awards a supplemental grant to a student for an academic year under this subpart shall, for each year, pay to that student an amount not to exceed the lesser of (A) the amount determined by the institution, in accordance with the provisions of part F of this title, to be needed by that student to enable the student to pursue a course of study at the institution, or (B) \$4,000.

“(2) If the amount determined under paragraph (1) with respect to a student for any academic year is less than \$100, no payment shall be made to that student for that year. For a student enrolled for less than a full academic year, the minimum payment required shall be reduced proportionately.

“(b) PERIOD FOR RECEIPT OF GRANTS; CONTINUING ELIGIBILITY.—(1) The period during which a student may receive supplemental grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student.

“(2) A supplemental grant awarded under this subpart shall entitle the student (to whom it is awarded) to payments pursuant to such grant only if the student meets the requirements of section 484, except as provided in section 413C(c).

“(c) DISTRIBUTION OF GRANT DURING ACADEMIC YEAR.—Nothing in this section shall be construed to prohibit an institution from making payments of varying amounts from a supplemental grant to

a student during an academic year to cover costs for a period which are not applicable to other periods of such academic year.

“AGREEMENTS WITH INSTITUTIONS; SELECTION OF RECIPIENTS

“SEC. 413C. (a) INSTITUTIONAL ELIGIBILITY.—Assistance may be made available under this subpart only to an institution which— 20 USC 1070b-2.

“(1) has, in accordance with section 487, an agreement with the Secretary applicable to this subpart;

“(2) agrees that the Federal share of awards under this subpart will not exceed—

“(A) 95 percent of such awards in fiscal year 1989,

“(B) 90 percent of such awards in fiscal year 1990, and

“(C) 85 percent of such awards in fiscal year 1991,

except that the Federal share may be exceeded if the Secretary determines, pursuant to regulations establishing objective criteria for such determinations, that a larger Federal share is required to further the purpose of this subpart; and

“(3) agrees that the non-Federal share of awards made under this subpart shall be made from the institution's own resources, including—

“(A) institutional grants and scholarships;

“(B) tuition or fee waivers;

“(C) State scholarships; and

“(D) foundation or other charitable organization funds.

“(b) ELIGIBILITY FOR SELECTION.—Awards may be made under this subpart only to a student who—

“(1) is an eligible student under section 484; and

“(2) makes application at a time and in a manner consistent with the requirements of the Secretary and that institution.

“(c) SELECTION OF INDIVIDUALS AND DETERMINATION OF AMOUNT OF AWARDS.—(1) From among individuals who are eligible for supplemental grants for each fiscal year, the institution shall, in accordance with the agreement under section 487, and within the amount allocated to the institution for that purpose for that year under section 413D, select individuals who are to be awarded such grants and determine, in accordance with section 413B, the amounts to be paid to them.

“(2)(A) In carrying out paragraph (1) of this subsection, each institution of higher education shall, in the agreement made under section 487, assure that the selection procedures—

“(i) will be designed to award supplemental grants under this subpart, first, to students with exceptional need, and

“(ii) will give a priority for supplemental grants under this subpart to students who receive Pell Grants and meet the requirements of section 484.

“(B) For the purpose of subparagraph (A), the term ‘students with exceptional need’ means students with the lowest expected family contributions at the institution.

“(d) USE OF FUNDS FOR LESS-THAN-FULL-TIME STUDENTS.—If the institution's allocation under this subpart is directly or indirectly based in part on the financial need demonstrated by students attending the institution less than full time, a reasonable proportion of the institution's allocation shall be made available to such students.

“(e) USE AND TRANSFER OF FUNDS FOR ADMINISTRATIVE EXPENSES.—An agreement entered into pursuant to this section shall

provide that funds granted to an institution of higher education may be used only to make payments to students participating in a grant program authorized under this subpart, except that an institution may use a portion of the sums allocated to it under this subpart to meet administrative expenses in accordance with section 489 of this title, and may transfer such funds in accordance with the provisions of section 488.

“ALLOCATION OF FUNDS

20 USC 1070b-3.

“SEC. 413D. (a) ALLOCATION BASED ON PREVIOUS ALLOCATION.—(1) From the amount appropriated pursuant to section 413A(b) for each fiscal year, the Secretary shall first allocate to each eligible institution an amount equal to 100 percent of the amount such institution received and used under this subpart for fiscal year 1985.

“(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1985 but is not a first or second time participant, an amount equal to the greater of—

“(i) \$5,000; or

“(ii) 90 percent of the amount received and used under this subpart for the first year it participated in the program.

“(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1985 and is a first or second time participant, an amount equal to the greatest of—

“(i) \$5,000;

“(ii) an amount equal to (I) 90 percent of the amount received and used under this subpart in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

“(iii) 90 percent of the institution's allocation under this part for the preceding fiscal year.

“(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which—

“(i) was a first-time participant in the program in fiscal year 1986 or any subsequent fiscal year, and

“(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

“(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

“(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

“(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

“(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

“(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

“(b) ALLOCATION OF EXCESS BASED ON PRO RATA SHARE.—From one-quarter of the remainder of the amount appropriated pursuant to section 413A(b) for any fiscal year (after making the allocations required by subsection (a)), the Secretary shall allocate to each eligible institution an amount which bears the same ratio to such one-quarter as the amount the eligible institution receives for such fiscal year under subsection (a) bears to the amount all such institutions receive under such subsection (a).

“(c) ALLOCATION OF EXCESS BASED ON FAIR SHARE.—(1) From three-quarters of the remainder of the amount appropriated pursuant to section 413A(b) for each year (after making the allocations required by subsection (a)), the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

“(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

“(A)(i) the amount of that institution’s need (as determined under subsection (d)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 413A(b) of the fiscal year; exceeds

“(B) the amount required to be allocated to that institution under subsection (a).

“(d) DETERMINATION OF INSTITUTION’S NEED.—(1) The amount of an institution’s need is equal to—

“(A) the sum of the need of the institution’s eligible undergraduate students; minus

“(B) the sum of grant aid received by students under subparts 1 and 3 of this part.

“(2) To determine the need of an institution’s eligible undergraduate students, the Secretary shall—

“(A) establish various income categories for dependent and independent undergraduate students;

“(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

“(C) compute 75 percent of the average cost of attendance for all undergraduate students;

“(D) multiply the number of eligible dependent students in each income category by the lesser of—

“(i) 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

“(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category,

except that the amount computed by such subtraction shall not be less than zero;

“(E) add the amounts determined under subparagraph (D) for each income category of dependent students;

“(F) multiply the number of eligible independent students in each income category by the lesser of—

“(i) 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

“(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

“(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

“(H) add the amounts determined under subparagraphs (E) and (G).

“(3)(A) For purposes of paragraph (2), the term ‘average cost of attendance’ means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

“(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate and graduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution’s enrollment for such second preceding year.

“(C) The standard living expense described in subparagraph (A)(ii) is equal to three-fourths in the Pell Grant family size offset for a single independent student.

“(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to \$450.

“(e) REALLOCATION OF EXCESS ALLOCATIONS.—If an institution returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year the Secretary shall, in accordance with regulations, reallocate such excess to other institutions.

“(f) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(a) ALLOTMENT BASED ON NUMBER OF ELIGIBLE STUDENTS IN ATTENDANCE.—(1) From the sums appropriated pursuant to section 415A(b)(1) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to such sums as the number of students who are deemed eligible in such State for participation in the grant program authorized by this subpart bears to the total number of such students in all the States, except that no State shall receive less than the State received for fiscal year 1979.

20 USC 1070c-1.

“(2) For the purpose of this subsection, the number of students who are deemed eligible in a State for participation in the grant program authorized by this subpart, and the number of such students in all the States, shall be determined for the most recent year for which satisfactory data are available.

“(b) REALLOTMENT.—The amount of any State's allotment under subsection (a) for any fiscal year which the Secretary determines will not be required for such fiscal year for the State student grant incentive program of that State shall be available for reallocation from time to time, on such dates during such year as the Secretary may fix, to other States in proportion to the original allotments to such States under such part for such year, but with such proportionate amount for any of such States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use for such year for carrying out the State plan. The total of such reductions shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any amount reallocated to a State under this part during a year from funds appropriated pursuant to section 415A(b)(1) shall be deemed part of its allotment under subsection (a) for such year.

“(c) ALLOTMENTS SUBJECT TO CONTINUING COMPLIANCE.—The Secretary shall make payments for continuing incentive grants only to States which continue to meet the requirements of section 415C(b).

“APPLICATIONS FOR STATE STUDENT INCENTIVE GRANT PROGRAMS

“SEC. 415C. (a) SUBMISSION AND CONTENTS OF APPLICATIONS.—A State which desires to obtain a payment under this subpart for any fiscal year shall submit annually an application therefor through the State agency administering its program under this subpart as of July 1, 1985, unless the Governor of that State so designates, in writing, a different agency to administer the program. The application shall contain such information as may be required by, or pursuant to, regulation for the purpose of enabling the Secretary to make the determinations required under this subpart.

20 USC 1070c-2.

“(5) provides that, effective with respect to any academic year beginning on or after October 1, 1978, all nonprofit institutions of higher education in the State are eligible to participate in the State program, except in any State in which participation of nonprofit institutions of higher education is in violation of the constitution of the State or in any State in which participation of nonprofit institutions of higher education is in violation of a statute of the State which was enacted prior to October 1, 1978;

“(6) provides for the payment of the non-Federal portion of such grants or of such work-study jobs from funds supplied by such State which represent an additional expenditure for such year by such State for grants or work-study jobs for students attending institutions of higher education over the amount expended by such State for such grants or work-study jobs, if any, during the second fiscal year preceding the fiscal year in which such State initially received funds under this subpart;

“(7) provides that, if the institution's allocation under this subpart is based in part on the financial need demonstrated by students attending the institution less than full time, a reasonable proportion of the institution's allocation shall be made available to such students;

“(8) provides for State expenditures under such program of an amount not less than the average annual aggregate expenditures for the preceding three fiscal years or the average annual expenditure per full-time equivalent student for such years;

“(9) provides (A) for such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for Federal funds paid to the State agency under this subpart, and (B) for the making of such reports, in such form and containing such information, as may be reasonably necessary to enable the Secretary to perform his functions under this subpart; and

“(10) for any academic year beginning after June 30, 1987, provides the non-Federal share of the amount of student grants or work-study jobs under this subpart through a direct appropriation of State funds for the program under this subpart.

“(c) RESERVATION AND DISBURSEMENT OF ALLOTMENTS AND REALLOTMENTS.—Upon his approval of any application for a payment under this subpart, the Secretary shall reserve from the applicable allotment (including any applicable reallocation) available therefor, the amount of such payment, which (subject to the limits of such allotment or reallocation) shall be equal to the Federal share of the cost of the students’ incentive grants or work-study jobs covered by such application. The Secretary shall pay such reserved amount, in advance or by way of reimbursement, and in such installments as the Secretary may determine. The Secretary may amend the reservation of any amount under this section, either upon approval of an amendment of the application or upon revision of the estimated cost of the student grants or work-study jobs with respect to which such reservation was made. If the Secretary approves an upward revision of such estimated cost, the Secretary may reserve the Federal share of the added cost only from the applicable allotment (or reallocation) available at the time of such approval.

“SEC. 415D. (a) DISAPPROVAL OF APPLICATIONS; SUSPENSION OF ELIGIBILITY.—(1) The Secretary shall not finally disapprove any application for a State program submitted under section 415C, or any modification thereof, without first affording the State agency submitting the program reasonable notice and opportunity for a hearing. 20 USC 1070c-3.

“(2) Whenever the Secretary, after reasonable notice and opportunity for hearing to the State agency administering a State program approved under this subpart, finds—

“(A) that the State program has been so changed that it no longer complies with the provisions of this subpart, or

“(B) that in the administration of the program there is a failure to comply substantially with any such provisions, the Secretary shall notify such State agency that the State will not be regarded as eligible to participate in the program under this subpart until he is satisfied that there is no longer any such failure to comply.

“(b) REVIEW OF DECISIONS.—(1) If any State is dissatisfied with the Secretary’s final action with respect to the approval of its State program submitted under this subpart or with his final action under subsection (a), such State may appeal to the United States court of appeals for the circuit in which such State is located. The summons and notice of appeal may be served at any place in the United States. The Commissioner shall forthwith certify and file in the court the transcript of the proceedings and the record on which he based his action.

Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

“(3) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United

Not over 1,000	\$500 for each recipient.

“(B) The Secretary shall make a separate determination of the number of students in attendance at an institution of higher education and the number of recipients of basic grants at any such institution at each branch or separate campus of that institution located in a different community from the principal campus of that institution pursuant to criteria established by him.

“(C) APPLICATIONS; CONTENTS AND MANNER OF FILING.—An institution of higher education may receive a cost-of-education payment in accordance with this section only upon application therefor. “(A) to encourage States and nonprofit private institutions and organizations to establish adequate loan insurance programs for students in eligible institutions (as defined in section 435),

“(B) to provide a Federal program of student loan insurance for students or lenders who do not have reasonable access to a State or private nonprofit program of student loan insurance covered by an agreement under section 428(b),

“(C) to pay a portion of the interest on loans to qualified students which are insured under this part, and

“(D) to guarantee a portion of each loan insured under a program of a State or of a nonprofit private institution or organization which meets the requirements of section 428(a)(1)(B).

“(2) DISCRIMINATION BY CREDITORS PROHIBITED.—No agency, organization, institution, bank, credit union, corporation, or other lender who regularly extends, renews, or continues credit or provides insurance under this part shall exclude from receipt or deny the benefits of, or discriminate against any borrower or applicant in obtaining, such credit or insurance on the basis of race, national origin, religion, sex, marital status, age, or handicapped status.

“ADVANCES FOR RESERVE FUNDS OF STATE AND NONPROFIT PRIVATE
LOAN INSURANCE PROGRAMS

20 USC 1072.

“SEC. 422. (a) PURPOSE OF AND AUTHORITY FOR ADVANCES TO
RESERVE FUNDS.—

“(1) PURPOSE; ELIGIBLE RECIPIENTS.—From sums appropriated pursuant to paragraphs (3) and (4)(A) of section 421(b), the Secretary is authorized to make advances to any State with which the Secretary has made an agreement pursuant to section 428(b) for the purpose of helping to establish or strengthen the reserve fund of the student loan insurance program covered by that agreement. If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances for such year for the same purpose to one or more nonprofit private institutions or organizations with which the Secretary has made an agreement pursuant to section 428(b) in order to enable students in the State to participate in a program of student loan insurance covered by such an agreement. The Secretary may make advances under this subsection both to a State program (with which he has such an agreement) and to one or more nonprofit private institutions or organizations (with which he has such an agreement) in that State if he determines that such advances are necessary in order that students in each eligible institution have access through such institution to a student loan insurance program which meets the requirements of section 428(b)(1).

“(2) **MATCHING REQUIREMENT.**—No advance shall be made after June 30, 1968, unless matched by an equal amount from non-Federal sources. Such equal amount may include the unencumbered non-Federal portion of a reserve fund. As used in the preceding sentence, the term ‘unencumbered non-Federal portion’ means the amount (determined as of the time immediately preceding the making of the advance) of the reserve fund less the greater of—

“(A) the sum of—

“(i) advances made under this section prior to July 1, 1968;

“(ii) an amount equal to twice the amount of advances made under this section after June 30, 1968, and before the advance for purposes of which the determination is made; and

“(iii) the proceeds of earnings on advances made under this section; or

“(B) any amount which is required to be maintained in such fund pursuant to State law or regulation, or by agreement with lenders, as a reserve against the insurance of outstanding loans.

“(3) **TERMS AND CONDITIONS; REPAYMENT.**—Advances pursuant to this subsection shall be upon such terms and conditions (including conditions relating to the time or times of payment) consistent with the requirements of section 428(b) as the Secretary determines will best carry out the purpose of this section. Advances made by the Secretary under this subsection shall be repaid within such period as the Secretary may deem to be appropriate in each case in the light of the maturity and solvency of the reserve fund for which the advance was made.

“(b) **LIMITATIONS ON TOTAL ADVANCES.**—

“(1) **IN GENERAL.**—The total of the advances from the sums appropriated pursuant to paragraph (4)(A) of section 421(b) to nonprofit private institutions and organizations for the benefit of students in any State and to such State may not exceed an amount which bears the same ratio to such sums as the population of such State aged 18 to 22, inclusive, bears to the population of all the States aged 18 to 22 inclusive, but such advances may otherwise be in such amounts as the Secretary determines will best achieve the purposes for which they are made. The amount available for advances to any State shall not be less than \$25,000 and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below \$25,000) the amount available for advances to each of the remaining States.

“(2) **CALCULATION OF POPULATION.**—For the purpose of this subsection, the population aged 18 to 22, inclusive, of each State and of all the States shall be determined by the Secretary on the basis of the most recent satisfactory data available to him.

“(c) **ADVANCES FOR INSURANCE OBLIGATIONS.**—

“(1) **USE FOR PAYMENT OF INSURANCE OBLIGATIONS.**—From sums appropriated pursuant to section 421(b)(4)(B), the Secretary shall advance to each State which has an agreement with the Secretary under section 428(c) with respect to a student loan insurance program, an amount determined in accordance with paragraph (2) of this subsection to be used for the purpose of

making payments under the State's insurance obligations under such program.

“(2) AMOUNT OF ADVANCES.—(A) Except as provided in subparagraph (B), the amount to be advanced to each such State shall be equal to 10 percent of the principal amount of loans made by lenders and insured by such agency on those loans on which the first payment of principal became due during the fiscal year immediately preceding the fiscal year in which the advance is made.

“(B) The amount of any advance determined according to subparagraph (A) of this paragraph shall be reduced by—

“(i) the amount of any advance or advances made to such State pursuant to this subsection at an earlier date; and

“(ii) the amount of the unspent balance of the advances made to a State pursuant to subsection (a).

Notwithstanding subparagraph (A) and the preceding sentence of this subparagraph, but subject to subparagraph (D) of this paragraph, the amount of any advance to a State described in paragraph (5)(A) for the first year of its eligibility under such paragraph, and the amount of any advance to any State described in paragraph (5)(B) for each year of its eligibility under such paragraph, shall not be less than \$50,000.

“(C) For the purpose of subparagraph (B), the unspent balance of the advances made to a State pursuant to subsection (a) shall be that portion of the balance of the State's reserve fund (remaining at the time of the State's first request for an advance pursuant to this subsection) which bears the same ratio to such balance as the Federal advances made and not returned by such State, pursuant to subsection (a), bears to the total of all past contributions to such reserve funds from all sources (other than interest on investment of any portion of the reserve fund) contributed since the date such State executed an agreement pursuant to section 428(b).

“(D) If the sums appropriated for any fiscal year for paying the amounts determined under subparagraphs (A) and (B) are not sufficient to pay such amounts in full, then such amounts shall be reduced—

“(i) by ratably reducing that portion of the amount allocated to each State which exceeds \$50,000; and

“(ii) if further reduction is required, by equally reducing the \$50,000 minimum allocation of each State.

If additional sums become available for paying such amounts for any fiscal year during which the preceding sentence has been applied, such reduced amounts shall be increased on the same basis as they were reduced.

“(3) USE OF EARNINGS FOR INSURANCE OBLIGATIONS.—The earnings, if any, on any investments of advances received pursuant to this subsection must be used for making payments under the State's insurance obligations.

“(4) REPAYMENT OF ADVANCES.—Advances made by the Secretary under this subsection shall, subject to subsection (d), be repaid within such period as the Secretary may deem to be appropriate and shall be deposited in the fund established by section 431.

“(5) LIMITATION ON NUMBER OF ADVANCES.—Advances pursuant to this subsection shall be made to a State—

“(A) in the case of a State which is actively carrying on a program under an agreement pursuant to section 428(b) which was entered into before October 12, 1976, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 2 succeeding calendar years after the date so requested; and

“(B) in the case of a State which enters into an agreement pursuant to section 428(b) on or after October 12, 1976, or which is not actively carrying on a program under an agreement pursuant to such section on such date, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 4 succeeding calendar years after the date so requested of the advance.

“(6) PAYMENT OF ADVANCES WHERE NO STATE PROGRAM.—(A) If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances pursuant to this subsection for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant to subsection (c), as well as subsection (b), of section 428 and subparagraph (B) of this paragraph in order to enable students in that State to participate in a program of student loan insurance covered by such agreements.

“(B) The Secretary may enter into an agreement with a private nonprofit institution or organization for the purpose of this paragraph under which such institution or organization—

“(i) agrees to establish within such State at least one office with sufficient staff to handle written and telephone inquiries from students, eligible lenders, and other persons in the State, to encourage maximum commercial lender participation within the State, and to conduct periodic visits to at least the major eligible lenders within the State;

“(ii) agrees that its insurance will not be denied any student because of his or her choice of eligible institutions; and

“(iii) certifies that it is neither an eligible institution, nor has any substantial affiliation with an eligible institution.

“(d) RECOVERY OF ADVANCES DURING FISCAL YEARS 1988 AND 1989.—

“(1) AMOUNT AND USE OF RECOVERED FUNDS.—Notwithstanding any other provision of this section, advances made by the Secretary under this section shall be repaid in accordance with this subsection and shall be deposited in the fund established by section 431. The Secretary shall, in accordance with the requirements of paragraph (2), recover (and so deposit) an amount equal to \$75,000,000 during fiscal year 1988 and an amount equal to \$35,000,000 for fiscal year 1989.

“(2) DETERMINATION OF GUARANTY AGENCY OBLIGATIONS.—In determining the amount of advances which shall be repaid by a guaranty agency under paragraph (1), the Secretary—

“(A) shall consider the solvency and maturity of the reserve and insurance funds of the guaranty agency assisted by such advances, as determined by the Comptroller

General taking into account the requirements of State law as in effect on the date of enactment of the Higher Education Amendments of 1986;

“(B) shall not seek repayment of such advances from any State described in subsection (c)(5)(B) during any year of its eligibility under such subsection; and

“(C) shall not seek repayment of such advances from any State if such repayment encumbers the reserve fund requirement of State law as in effect on such date of enactment.

“EFFECTS OF ADEQUATE NON-FEDERAL PROGRAMS

20 USC 1073.

“SEC. 423. (a) FEDERAL INSURANCE BARRED TO LENDERS WITH ACCESS TO STATE OR PRIVATE INSURANCE.—Except as provided in subsection (b), the Secretary shall not issue certificates of insurance under section 429 to lenders in a State if the Secretary determines that every eligible institution has reasonable access in that State to a State or private nonprofit student loan insurance program which is covered by an agreement under section 428(b).

“(b) EXCEPTIONS.—The Secretary may issue certificates of insurance under section 429 to a lender in a State—

“(1) for insurance of a loan made to a student borrower who does not, by reason of the borrower’s residence, have access to loan insurance under the loan insurance program of such State (or under any private nonprofit loan insurance program which has received an advance under section 422 for the benefit of students in such State);

“(2) for insurance of all the loans made to student borrowers by a lender who satisfies the Secretary that, by reason of the residence of such borrowers, such lender will not have access to any single State or nonprofit private loan insurance program which will insure substantially all of the loans such lender intends to make to such student borrowers; or

“(3) under such circumstances as may be approved by the guaranty agency in such State, for the insurance of a loan to a borrower for whom such lender previously was issued such a certificate if the loan covered by such certificate is not yet repaid.

“SCOPE AND DURATION OF FEDERAL LOAN INSURANCE PROGRAM

20 USC 1074.

“SEC. 424. (a) LIMITATIONS ON AMOUNTS OF LOANS COVERED BY FEDERAL INSURANCE.—The total principal amount of new loans made and installments paid pursuant to lines of credit (as defined in section 435) to students covered by Federal loan insurance under this part shall not exceed \$2,000,000,000 for the period from July 1, 1976, to September 30, 1976, and for each of the succeeding fiscal years ending prior to October 1, 1992. Thereafter, Federal loan insurance pursuant to this part may be granted only for loans made (or for loan installments paid pursuant to lines of credit) to enable students, who have obtained prior loans insured under this part, to continue or complete their educational program; but no insurance may be granted for any loan made or installment paid after September 30, 1997.

“(b) APPORTIONMENT OF AMOUNTS.—The Secretary may, if he or she finds it necessary to do so in order to assure an equitable

distribution of the benefits of this part, assign, within the maximum amounts specified in subsection (a), Federal loan insurance quotas applicable to eligible lenders, or to States or areas, and may from time to time reassign unused portions of these quotas.

**“LIMITATIONS ON INDIVIDUAL FEDERALLY INSURED LOANS AND ON
FEDERAL LOAN INSURANCE**

“SEC. 425. (a) ANNUAL AND AGGREGATE LIMITS.—

20 USC 1075.

“(1) ANNUAL LIMITS.—(A) The total of loans made to a student in any academic year or its equivalent (as determined by the Secretary) which may be covered by Federal loan insurance under this part may not exceed—

“(i) \$2,625, in the case of a student who has not successfully completed the first and second year of a program of undergraduate education;

“(ii) \$4,000, in the case of a student who has successfully completed such first and second year but who has not successfully completed the remainder of a program of undergraduate education; or

“(iii) \$7,500, in the case of a graduate or professional student (as defined in regulations of the Secretary).

“(B) The annual insurable limits contained in subparagraph (A) shall not apply in cases where the Secretary determines, pursuant to regulations, that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education. The annual insurable limit per student shall not be deemed to be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any year in excess of the annual limit.

“(2) AGGREGATE LIMITS.—(A) The aggregate insured unpaid principal amount for all such insured loans made to any student shall not at any time exceed—

“(i) \$17,250, in the case of any student who has not successfully completed a program of undergraduate education; and

“(ii) \$54,750, in the case of any graduate or professional student (as defined by regulations of the Secretary and including any loans which are insured by the Secretary under this part, or by a guaranty agency, made to such person before he or she became a graduate or professional student).

“(B) The Secretary may increase the aggregate insurable limit applicable to students who are pursuing programs which the Secretary determines are exceptionally expensive.

“(b) LEVEL OF INSURANCE COVERAGE BASED ON DEFAULT RATE.—

“(1) REDUCTION FOR DEFAULTS IN EXCESS OF 5 OR 9 PERCENT.—

(A) Except as provided in subparagraph (B), the insurance liability on any loan insured by the Secretary under this part shall be 100 percent of the unpaid balance of the principal amount of the loan plus interest, except that—

“(i) if, for any fiscal year, the total amount of payments under section 430 by the Secretary to any eligible lender as described in section 435(d)(1)(D) exceeds 5 percent of the sum of the loans made by such lender which are insured by the Secretary and which were in repayment at the end of

the preceding fiscal year, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 90 percent of the amount of such portion; or

“(ii) if, for any fiscal year, the total amount of such payments to such a lender exceeds 9 percent of such sum, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 80 percent of the amount of such portion.

“(B) Notwithstanding subparagraph (A), the provisions of clauses (i) and (ii) of such subparagraph shall not apply to an eligible lender as described in section 435(d)(1)(D) for the fiscal year in which such lender begins to carry on a loan program insured by the Secretary, or for any of the 4 succeeding fiscal years.

“(C) The applicable date with respect to a loan made by an eligible lender as described in section 435(d)(1)(D) shall be—

“(i) the 90th day after the adjournment of the next regular session of the appropriate State legislature which convenes after the date of enactment of the Education Amendments of 1976, or

“(ii) if the primary source of lending capital for such lender is derived from the sale of bonds, and the constitution of the appropriate State prohibits a pledge of such State’s credit as security against such bonds, the day which is one year after such 90th day.

“(2) COMPUTATION OF AMOUNTS IN REPAYMENT.—For the purpose of this subsection, the sum of the loans made by a lender which are insured by the Secretary and which are in repayment shall be the original principal amount of loans made by such lender which are insured by the Secretary reduced by—

“(A) the amount the Secretary has been required to pay to discharge his or her insurance obligations under this part;

“(B) the original principal amount of loans insured by the Secretary which have been fully repaid;

“(C) the original principal amount insured on those loans for which payment of first installment of principal has not become due pursuant to section 427(a)(2)(B) or such first installment need not be paid pursuant to section 427(a)(2)(C); and

“(D) the original principal amount of loans repaid by the Secretary under section 437.

“(3) PAYMENTS TO ASSIGNEES.—For the purpose of this subsection, payments by the Secretary under section 430 to an assignee of the lender with respect to a loan shall be deemed payments made to such lender.

“(4) PLEDGE OF FULL FAITH AND CREDIT.—The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under the provisions of section 430 or 437 of this part.

“(4) AVAILABILITY OF VARIABLE RATES.—(A) For any loan made pursuant to section 428A or 428B to cover the cost of instruction for any period of enrollment beginning on or after July 1, 1987, or any loan made pursuant to such section prior to such date that is refinanced pursuant to section 428A(d) or 428B(d), the applicable rate of interest during any calendar year shall be determined under subparagraph (B), except that such rate shall not exceed 12 percent.

“(d) INTEREST RATES FOR NEW BORROWERS AFTER JULY 1, 1988.—Notwithstanding subsections (a) and (b) of this section, with respect to any loan (other than a loan made pursuant to sections 428A, 428B, and 428C) to cover the cost of instruction for any period of enrollment beginning on or after July 1, 1988, to any borrower who, on the date of entering into the note or other written evidence of the loan, has no outstanding balance of principal or interest on any loan made, insured, or guaranteed under this part, the applicable rate of interest shall be—

“(2) 10 percent per year on the unpaid principal balance of the loan during the remainder of the repayment period.

“(e) TREATMENT OF EXCESS INTEREST PAYMENTS ON NEW BORROWER ACCOUNTS RESULTING FROM DECLINE IN TREASURY BILL RATES.—

“(1) IN GENERAL.—If, with respect to a loan for which the applicable interest rate is 10 percent under subsection (d) of this section at the close of any calendar quarter, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.25 percent is less than 10

percent, then an adjustment shall be made to a borrower's account—

“(A) by calculating excess interest in the amount computed under paragraph (2) of this subsection; and

“(B) by crediting the excess interest to the reduction of principal to the extent provided for under paragraph (3) of this subsection.

“(2) AMOUNT OF ADJUSTMENT.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—

“(A) 10 percent minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.25 percent; multiplied by

“(B) the outstanding principal balance of the loan (not including unearned interest added to principal) at the end of such calendar quarter; divided by

“(C) four.

“(3) ANNUAL ADJUSTMENT OF INTEREST AND BORROWER ELIGIBILITY FOR CREDIT.—Any adjustment amount computed pursuant to paragraph (2) of this subsection for any quarter shall be credited, by the holder of the loan on the last day of the calendar year in which such quarter falls, to the loan account of the borrower so as to reduce the principal balance of such account. No such credit shall be made to the loan account of a borrower who on the last day of the calendar year is delinquent for more than 30 days in making a required payment on the loan. Any credit which is to be made to a borrower's account pursuant to this subsection shall be made effective commencing no later than 30 days following the last day of the calendar year in which the quarter falls for which the credit is being made. Nothing in this subsection shall be construed to require refunding any repayment of a loan. At the option of the lender, the amount of such adjustment may be distributed to the borrower either by reduction in the amount of the periodic payment on the loan, or by reducing the number of payments that shall be made with respect to the loan.

“(4) PUBLICATION OF TREASURY BILL RATE.—For the purpose of enabling holders of loans to make the determinations and adjustments provided for in this subsection, the Secretary shall for each calendar quarter commencing with the quarter beginning on July 1, 1987, publish a notice of the average of the bond equivalent rates of 91-day Treasury bills auctioned for such quarter. Such notice shall be published not later than 7 days after the end of the quarter to which the notice relates.

“(5) STUDY OF TREATMENT OF EXCESS INTEREST PAYMENTS PROVISIONS.—The Secretary shall examine and evaluate the provisions of this subsection, and not later than 6 months after the date of enactment of the Higher Education Amendments of 1986, prepare and submit to the Congress such legislative proposals as the Secretary determines are necessary to carry out the objectives of this subsection.

“(f) LESSER RATES PERMITTED.—Nothing in this section or section 428C shall be construed to prohibit a lender from charging a borrower interest at a rate less than the rate which is applicable under this part.

“(g) DEFINITIONS.—For the purpose of subsections (a) and (d) of this section—

“(1) the term ‘period of instruction’ shall, at the discretion of the lender, be any academic year, semester, trimester, quarter, or other academic period; or shall be the period for which the loan is made as determined by the institution of higher education; and

“(2) the term ‘period of enrollment’ shall be the period for which the loan is made as determined by the institution of higher education and shall coincide with academic terms such as academic year, semester, trimester, quarter, or other academic period as defined by such institution.

“FEDERAL PAYMENTS TO REDUCE STUDENT INTEREST COSTS

“SEC. 428. (a) FEDERAL INTEREST SUBSIDIES.—

20 USC 1078.

“(1) TYPES OF LOANS THAT QUALIFY.—Each student who has received a loan for study at an eligible institution—

“(A) which is insured by the Secretary under this part; or

“(B) which is insured under a program of a State or of a nonprofit private institution or organization which was contracted for, and paid to the student, within the period specified in paragraph (5), and which—

“(i) in the case of a loan insured prior to July 1, 1967, was made by an eligible lender and is insured under a program which meets the requirements of subparagraph (E) of subsection (b)(1) and provides that repayment of such loan shall be in installments beginning not earlier than 60 days after the student ceases to pursue a course of study (as described in subparagraph (D) of subsection (b)(1)) at an eligible institution, or

“(ii) in the case of a loan insured after June 30, 1967, was made by an eligible lender and is insured under a program covered by an agreement made pursuant to subsection (b),

shall be entitled to have paid on his or her behalf and for his or her account to the holder of the loan a portion of the interest on such loan under circumstances described in paragraph (2).

“(2) ADDITIONAL REQUIREMENTS TO RECEIVE SUBSIDY.—(A) Each student qualifying for a portion of an interest payment under paragraph (1) shall—

“(i) have provided to the lender a statement from the eligible institution, at which the student has been accepted for enrollment, or at which the student is in attendance, which—

“(I) sets forth such student's estimated cost of attendance (as determined under section 472); and

“(II) sets forth such student's estimated financial assistance; and

“(ii) meet the requirements of subparagraph (B).

“(B) For the purpose of clause (ii) of subparagraph (A), a student shall qualify for a portion of an interest payment under paragraph (1) if the eligible institution has provided the lender with a statement evidencing a determination of need for a loan (as determined under part F of this title) and the amount of such need, subject to the provisions of subparagraph (D).

“(C) For the purpose of paragraph (1) and this paragraph—

38 USC 1601 et
seq., 1651 et seq.,
1700 et seq.

“(i) a student’s estimated financial assistance means, for the period for which the loan is sought, the amount of assistance such student will receive under subpart 1 of part A (as determined in accordance with section 484(b)), subpart 2 of part A, and parts C and E of this title, and any amount paid the student under chapters 32, 34, and 35 of title 38, United States Code, plus other scholarship, grant, or loan assistance; and

“(ii) the determination of need and of the amount of a loan by an eligible institution under subparagraph (B) with respect to a student shall be calculated by subtracting from the estimated cost of attendance at the eligible institution the total of the expected family contribution with respect to such student plus any estimated financial assistance reasonably available to such student.

“(D) An eligible institution may not, in carrying out the provisions of subparagraphs (A) and (B) of this paragraph, provide a statement which permits the student to receive any loan under this part in excess of the maximum amount applicable to such loan.

“(E) For the purpose of subparagraphs (B) and (C) of this paragraph, any loan obtained by a student under section 428A or a parent under section 428B of this Act or under any State-sponsored or private loan program for an academic year for which the determination is made may be used to offset the expected family contribution of the student for that year.

“(F) Except as provided in subparagraph (D), an eligible institution may not, in carrying out the provisions of subparagraphs (A) and (B) of this paragraph, refuse to provide to any eligible lender which has an agreement under subsection (b) of this section with any guaranty agency, a statement which permits a student to receive any loan under this part.

“(3) AMOUNT OF INTEREST SUBSIDY.—(A)(i) Subject to section 438(c), the portion of the interest on a loan which a student is entitled to have paid, on behalf of and for the account of the student, to the holder of the loan pursuant to paragraph (1) of this subsection shall be equal to the total amount of the interest on the unpaid principal amount of the loan—

“(I) which accrues prior to the beginning of the repayment period of the loan, or

“(II) which accrues during a period in which principal need not be paid (whether or not such principal is in fact paid) by reason of a provision described in subsection (b)(1)(M) of this section or in section 427(a)(2)(C).

“(ii) Such portion of the interest on a loan shall not exceed, for any period, the amount of the interest on that loan which is payable by the student after taking into consideration the amount of any interest on that loan which the student is entitled to have paid on his or her behalf for that period under any State or private loan insurance program.

“(iii) The holder of a loan with respect to which payments are required to be made under this section shall be deemed to have a contractual right, as against the United States, to receive from the Secretary the portion of interest which has been so determined without administrative delay after the receipt by the Secretary of an accurate and complete request for payment pursuant to paragraph (4).

"(iv) The Secretary shall pay this portion of the interest to the holder of the loan on behalf of and for the account of the borrower at such times as may be specified in regulations in force when the applicable agreement entered into pursuant to subsection (b) was made, or, if the loan was made by a State or is insured under a program which is not covered by such an agreement, at such times as may be specified in regulations in force at the time the loan was paid to the student.

State and local governments.

"(B) If—

"(i) a State student loan insurance program is covered by an agreement under subsection (b),

"(ii) a statute of such State limits the interest rate on loans insured by such program to a rate which is less than the applicable interest rate under this part, and

"(iii) the Secretary determines that subsection (d) does not make such statutory limitation inapplicable and that such statutory limitation threatens to impede the carrying out of the purpose of this part,

then the Secretary may pay an administrative cost allowance to the holder of each loan which is insured under such program and which is made during the period beginning on the 60th day after the date of enactment of the Higher Education Amendments of 1968 and ending 120 days after the adjournment of such State's first regular legislative session which adjourns after January 1, 1969. Such administrative cost allowance shall be paid over the term of the loan in an amount per year (determined by the Secretary) which shall not exceed 1 percent of the unpaid principal balance of the loan.

20 USC 1001
note.

"(4) SUBMISSION OF STATEMENTS BY HOLDERS ON AMOUNT OF PAYMENT.—Each holder of a loan with respect to which payments of interest are required to be made by the Secretary shall submit to the Secretary, at such time or times and in such manner as the Secretary may prescribe, statements containing such information as may be required by or pursuant to regulation for the purpose of enabling the Secretary to determine the amount of the payment which he must make with respect to that loan.

"(5) DURATION OF AUTHORITY TO MAKE INTEREST SUBSIDIZED LOANS.—The period referred to in subparagraph (B) of paragraph (1) of this subsection shall begin on the date of enactment of this Act and end at the close of September 30, 1992, except that, in the case of a loan made or insured under a student loan or loan insurance program to enable a student who has obtained a prior loan made or insured under such program to continue his or her education program, such period shall end at the close of September 30, 1997.

"(6) ASSESSMENT OF BORROWER'S FINANCIAL CONDITION NOT PROHIBITED OR REQUIRED.—Nothing in this or any other Act shall be construed to prohibit or require, unless otherwise specifically provided by law, a lender to evaluate the total financial situation of a student making application for a loan under this part, or to counsel a student with respect to any such loan, or to make a decision based on such evaluation and counseling with respect to the dollar amount of any such loan.

In no case shall a guaranty agency file a claim under this subsection for reimbursement with respect to losses prior to 270 days after the loan becomes delinquent with respect to any installment thereon.

“(B) Notwithstanding subparagraph (A)—

“(i) if, for any fiscal year, the amount of such reimbursement payments by the Secretary under this subsection exceeds 5 percent of the loans which are insured by such guaranty agency under such program and which were in repayment at the end of the preceding fiscal year, the amount to be paid as reimbursement under this subsection for such excess shall be equal to 90 percent of the amount of such excess; and

“(ii) if, for any fiscal year, the amount of such reimbursement payments exceeds 9 percent of such loans, the amount to be paid as reimbursement under this subsection for such excess shall be equal to 80 percent of the amount of such excess.

“(C) For the purpose of this subsection, the amount of loans of a guaranty agency which are in repayment shall be the original principal amount of loans made by a lender which are insured by such a guaranty agency reduced by—

“(i) the amount the insurer has been required to pay to discharge its insurance obligations under this part;

“(ii) the original principal amount of loans insured by it which have been fully repaid; and

“(iii) the original principal amount insured on those loans for which payment of the first installment of principal has not become due pursuant to subsection (b)(1)(E) of this section or such first installment need not be paid pursuant to subsection (b)(1)(M) of this section.

“(2) CONTENTS OF GUARANTY AGREEMENTS.—The guaranty agreement—

“(A) shall set forth such administrative and fiscal procedures as may be necessary to protect the United States from the risk of unreasonable loss thereunder, to ensure proper and efficient administration of the loan insurance program, and to assure that due diligence will be exercised in the collection of loans insured under the program, including a requirement that each beneficiary of insurance on the loan submit proof that reasonable attempts were made to locate the borrower (when the location of the

borrower is unknown) and proof that contact was made with the borrower (when the location is known);

“(B) shall provide for making such reports, in such form and containing such information, as the Secretary may reasonably require to carry out the Secretary’s functions under this subsection, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports;

“(C) shall set forth adequate assurances that, with respect to so much of any loan insured under the loan insurance program as may be guaranteed by the Secretary pursuant to this subsection, the undertaking of the Secretary under the guaranty agreement is acceptable in full satisfaction of State law or regulation requiring the maintenance of a reserve;

State and local governments.

“(D) shall provide that if, after the Secretary has made payment under the guaranty agreement pursuant to paragraph (1) of this subsection with respect to any loan, any payments are made in discharge of the obligation incurred by the borrower with respect to such loan (including any payments of interest accruing on such loan after such payment by the Secretary), there shall be paid over to the Secretary (for deposit in the fund established by section 431) such proportion of the amounts of such payments as is determined (in accordance with paragraph (6)) to represent his equitable share thereof, but (i) shall provide for subrogation of the United States to the rights of any insurance beneficiary only to the extent required for the purpose of paragraph (8); and (ii) except as the Secretary may otherwise by or pursuant to regulation provide, amounts so paid by a borrower on such a loan shall be first applied in reduction of principal owing on such loan;

“(E) shall set forth adequate assurance that an amount equal to each payment made under paragraph (1) will be promptly deposited in or credited to the accounts maintained for the purpose of section 422(c);

“(F) set forth adequate assurances that the guaranty agency will not engage in any pattern or practice which results in a denial of a borrower’s access to loans under this part because of the borrower’s race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within the area served by the guaranty agency, length of the borrower’s educational program, or the borrower’s academic year in school; and

“(G) may include such other provisions as may be necessary to promote the purpose of this part.

“(3) FORBEARANCE.—To the extent provided in regulations of the Secretary, a guaranty agreement under this subsection may contain provisions which permit such forbearance for the benefit of the student borrower as may be agreed upon by the parties to an insured loan and approved by the insurer. Such regulations shall not preclude guaranty agencies from permitting the parties to such a loan from entering into a forbearance agreement solely because the loan is in default.

“(4) DEFINITIONS.—For the purpose of this subsection, the terms ‘insurance beneficiary’ and ‘default’ have the meanings assigned to them by section 435.

“(5) APPLICABILITY TO EXISTING LOANS.—In the case of any guaranty agreement with a guaranty agency, the Secretary may, in accordance with the terms of this subsection, undertake to guarantee loans described in paragraph (1) which are insured by such guaranty agency and are outstanding on the date of execution of the guaranty agreement, but only with respect to defaults occurring after the execution of such guaranty agreement or, if later, after its effective date.

“(6) SECRETARY’S EQUITABLE SHARE.—(A) For the purpose of paragraph (2)(D), the Secretary’s equitable share of payments made by the borrower shall be that portion of the payments remaining after the guaranty agency with which the Secretary has an agreement under this subsection has deducted from such payments—

“(i) a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

“(ii) an amount equal to 30 percent of such payments (subject to subparagraph (D) of this paragraph) for costs related to the student loan insurance program, including the administrative costs of collection of loans reimbursed under this subsection, the administrative costs of preclaims assistance for default prevention, the administrative costs of supplemental preclaims assistance for default prevention, and the administrative costs of monitoring the enrollment and repayment status of students (as such terms are defined in subparagraph (B) or (C) of this paragraph).

“(B) For the purpose of this paragraph and subsection (f) of this section, the term—

“(i) ‘administrative costs of collection of loans’ means any administrative costs incurred by a guaranty agency which are directly related to the collection of the loan on which a default claim has been paid to the participating lender, including the attributable compensation of collection personnel (and in the case of personnel who perform several functions for such an agency only the portion of the compensation attributable to the collection activity), attorney’s fees, fees paid to collection agencies, postage, equipment, supplies, telephone and similar charges, but does not include the overhead costs of such agency whether or not attributable;

“(ii) ‘administrative costs of preclaim assistance for default prevention’ means any administrative costs incurred by a guaranty agency which are directly related to providing collection assistance to the lender on a delinquent loan, prior to the loan’s being legally in a default status, including the attributable compensation of appropriate personnel (and in the case of personnel who perform several functions for such an agency only the portion of compensation attributable to the collection activity), fees paid to locate a missing borrower, postage, equipment, supplies, telephone and similar charges, but does not include the overhead costs of such agency whether or not attributable; and

“(iii) ‘administrative costs of monitoring the enrollment and repayment status of students’ means any administrative costs by a guaranty agency which are directly related to ascertaining the student’s enrollment status, prompt notification to the lender of such status, an audit of the note or written agreement to determine if the provisions of that note or agreement are consistent with the records of the guaranty agency as to the principal amount of the loan guaranteed, and an examination of the note or agreement to assure that the repayment provisions are consistent with the provisions of this part,

subject to such additional criteria as the Secretary may by regulation prescribe.

“(C)(i) For the purpose of this paragraph, ‘administrative costs of supplemental preclaims assistance’ means (subject to divisions (ii) through (iv)) any administrative costs—

“(I) incurred by a guaranty agency in connection with a loan on which the guarantor has exercised preclaims assistance required or permitted under paragraph (2)(A) of this subsection and subsection (f), and which has been in delinquent status for at least 120 days; and

“(II) which are directly related to providing collection assistance to the lender on a delinquent loan, prior to a claim being filed with the guaranty agency,

including the attributable compensation of appropriate personnel (and in the case of personnel who perform several functions, only the portion of compensation attributable to the collection assistance), fees paid to locate a missing borrower, postage, equipment, supplies, telephone, and similar charges, but does not include overhead costs.

“(ii) The administrative costs for which reimbursement is authorized under this subparagraph must be clearly supplemental to the preclaim assistance for default prevention which the guaranty agency is required or permitted to provide pursuant to paragraph (2)(A) of this subsection and subsection (f).

“(iii) The services associated with carrying out this subparagraph may be provided by the guaranty agency directly or under contract, except that such services may not be carried out by an organization or entity (other than the guaranty agency)—

Contracts.

“(I) that is the holder or servicer of the loan or an organization or entity that owns or controls the holder or servicer of the loan;

“(II) that is owned or controlled by the same corporation, partnership, association, or individual that owns or controls the holder or servicer of the loan; or

“(III) that is an organization or entity that has a contract with a guaranty agency to perform collection activities with respect to the same loans in the event of default.

“(iv) The costs for each delinquent loan associated with carrying out this subparagraph may not exceed 2 percent of the outstanding principal balance of each such loan subject to the supplemental preclaims assistance authorized by this subparagraph or \$100, whichever is less.

“(D) In the case of a State which enacts a garnishment law that complies with the requirements of section 428E, subparagraph (A)(ii) shall be applied by substituting ‘35 percent’ for ‘30 percent’.

State and local governments.

“(7) **NEW PROGRAMS ELIGIBLE FOR 100 PERCENT REINSURANCE.**—(A) Notwithstanding paragraph (1)(B), the amount to be paid a guaranty agency for any fiscal year—

“(i) which begins on or after October 1, 1977; and

“(ii) which is either the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) of this section, or is one of the 4 succeeding fiscal years, shall be 100 percent of the amount expended by such guaranty agency in discharge of its insurance obligation insured under such program.

“(B) The Secretary shall continuously monitor the operations of those guaranty agencies to which the provisions of subparagraph (A) are applicable and revoke the application of such subparagraph to any such guaranty agency which the Secretary determines has not exercised reasonable prudence in the administration of such program.

“(8) **ASSIGNMENT TO PROTECT FEDERAL FISCAL INTEREST.**—If the Secretary determines that the protection of the Federal fiscal interest so requires, a guaranty agency shall assign to the Secretary any loan of which it is the holder and for which the Secretary has made a payment pursuant to paragraph (1) of this subsection.

“(9) **REINSURANCE FEES.**—(A) Any guaranty agency which has entered into an agreement with the Secretary pursuant to this subsection shall pay to the Secretary during each fiscal year a reinsurance fee in an amount equal to—

“(i) 0.25 percent of the total principal amount of the loans upon which insurance was issued by such agency during such fiscal year, in any fiscal year other than a fiscal year described in clause (ii); or

“(ii) 0.5 percent of the total principal amount of the loans upon which insurance was issued by such agency during such fiscal year, in any fiscal year with respect to which the Secretary reimbursed the agency for any losses (resulting from the default of the borrower) pursuant to paragraph (1)(B) of this subsection.

“(B) The amount to be paid pursuant to subparagraph (A) may be paid from any funds available to the guaranty agency.

“(C) When the Secretary first reimburses a guaranty agency pursuant to paragraph (1)(B) of this subsection, the Secretary shall notify such agency of the exact date of such reimbursement.

“(d) **USURY LAWS INAPPLICABLE.**—No provision of any law of the United States (other than this Act) or of any State (other than a statute applicable principally to such State's student loan insurance program) which limits the rate or amount of interest payable on loans shall apply to a loan—

“(1) which bears interest (exclusive of any premium for insurance) on the unpaid principal balance at a rate not in excess of the rate specified in this part; and

“(2) which is insured (i) by the United States under this part, or (ii) by a guaranty agency under a program covered by an agreement made pursuant to subsection (b) of this section.

“(e) **PAYMENTS FOR LENDER REFERRAL SERVICES.**—

“(1) IN GENERAL.—The Secretary shall make payments in accordance with this paragraph to a guaranty agency in any State which provides a lender referral service for students who meet the requirements of paragraph (2).

State and local governments.

“(2) STUDENT ELIGIBILITY.—A student is eligible to apply for lender referral services to a guaranty agency in a State if—

“(B) such student has sought and was unable to find a lender willing to make a loan under this part.

“(3) AMOUNT OF PAYMENT.—The amount which the Secretary shall pay to any eligible guaranty agency under this paragraph shall be equal to one-half of 1 percent of the total principal amount of the loans (upon which insurance was issued under this part) to a student described in paragraph (2) who subsequently obtained such loans because of such agency's referral service.

“(4) INCENTIVE FEES TO LENDERS.—Nothing in this or any law shall prohibit an agency from using all or any portion of the funds received under this part for the payment of incentive fees to lenders who agree to participate in a lender referral service.

“(5) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated such sums as are necessary to carry out the provisions of this paragraph.

“(f) PAYMENTS OF CERTAIN COSTS.—

“(ii) the administrative costs of collection of loans;

“(iii) the administrative costs of preclaims assistance for default prevention;

“(iv) the administrative costs of monitoring the enrollment and repayment status of students; or

“(v) other such costs related to the student loan insurance program subject to such agreement.

“(B) The total amount of payments for any fiscal year made under this paragraph shall be equal to 1 percent of the total principal amount of the loans upon which insurance was issued under this part during such fiscal year by such guaranty agency. The guaranty agency shall be deemed to have a contractual right against the United States to receive payments according to the provisions of this subparagraph. Payments shall be made promptly and without administrative delay to any guaranty agency submitting an accurate and complete application therefor under this subparagraph.

“(2) APPLICATIONS FOR PAYMENTS.—No payment may be made under paragraph (1) of this subsection unless the guaranty agency submits to the Secretary an application at such time, at least annually, in such manner, and containing or accompanied by such information, as the Secretary may reasonably require. Each such application shall—

“(2) as provided in the application, undertakes to meet the requirements of section 422(c)(6)(B) (i), (ii), and (iii), the Secretary shall consider and act upon such application within 180 days, and shall forthwith notify the Committee on Labor and Human Resources of the Senate and the Committee on Education and Labor of the House of Representatives of his actions.

State and local governments.

“(h) LENDING BY GUARANTY AGENCIES.—

“(1) LENDING FROM SALLIE MAE ADVANCES.—From sums advanced by the Association pursuant to section 439(p), each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) of the Act is authorized to make loans directly to students otherwise unable to obtain loans under this part.

“(2) AMOUNT OF ADVANCES.—(A) Each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) which has an application approved under section 439(p)(2) may receive advances under section 439(p) for each fiscal year in an amount necessary to meet the demand for loans under this section. The amount such agency or lender is eligible to receive may not exceed 25 percent of the average of the loans guaranteed by that agency or lender for the 3 years preceding the fiscal year for which the determination is made. Whenever the determination required by the preceding sentence cannot be made because the agency or lender does not have 3 years previous experience, the amount such agency or lender is eligible to receive may not exceed 25 percent of the loans guaranteed under a program of a State of comparable size.

“(B) Each guaranty agency and each eligible lender in a State described in section 435(d)(1) (D) or (F) shall repay advances made under section 439(p) in accordance with agreements entered into between the Association and such agency or lender.

Such agreement shall provide that the lender will pay the proceeds of such loans into an escrow account to be administered by the escrow agent in accordance with the provisions of paragraph (2) of this subsection. Such agreement may allow the lender to make payments into the escrow account in amounts that do not exceed the sum of the amounts required for disbursement of initial or subsequent installments to borrowers and to make such payments not more than 45 days prior to the date of the disbursement of such installment to such borrowers. Such agreement shall require the lender to notify promptly the eligible institution when funds are escrowed under this subsection for a student at such institution.

State and local governments.

“(2) AUTHORITY OF ESCROW AGENT.—Each escrow agent entering into an agreement under paragraph (1) of this subsection is authorized to—

The information authorized to be furnished under this subsection may include the names and addresses of such students.

"(2) PUBLIC DISSEMINATION NOT AUTHORIZED.—Nothing in paragraph (1) of this subsection shall be construed to authorize public dissemination of the information described in paragraph (1).

"SUPPLEMENTAL LOANS FOR STUDENTS

"SEC. 428A. (a) AUTHORITY TO BORROW.—Graduate and professional students (as defined by regulations of the Secretary) and undergraduate independent students shall be eligible to borrow funds under this section in amounts specified in subsection (b), and unless otherwise specified in subsections (c) and (d), loans under this section shall have the same terms, conditions, and benefits as all other loans made under this part.

"(b) LIMITATIONS ON AMOUNTS OF LOANS.—

"(1) ANNUAL LIMIT.—Subject to paragraphs (2) and (3), the maximum amount a student may borrow in any academic year or its equivalent (as defined by regulation by the Secretary) is \$4,000.

Insurance.

"(2) AGGREGATE LIMIT.—The aggregate insured principal amount for insured loans made to any student under this section, exclusive of interest capitalized under subsection (c), shall not exceed \$20,000.

"(3) LIMITATION BASED ON NEED.—Any loan under this section may be counted as part of the expected family contribution in the determination of need under this title, but no loans may be made to any student under this section which would cause the student's combined loans for any academic year to exceed the student's estimated cost of attendance minus such student's estimated financial assistance as certified by the eligible institution under section 428(a)(2)(A) of this part. The annual insurable limit on account of the student shall not be deemed to be exceeded by a line of credit under which actual payments to the borrower will not be made in any year in excess of the annual limit.

"(c) PAYMENT OF PRINCIPAL AND INTEREST.—

"(1) COMMENCEMENT OF REPAYMENT.—Repayment of principal on loans made under this section shall commence not later than 60 days after the date such loan is disbursed by the lender, subject to deferral pursuant to sections 427(a)(2)(C) and 428(b)(1)(M).

"(2) CAPITALIZATION OF INTEREST.—Interest on loans made under this section for which payments of principal and interest are deferred under sections 427(a)(2)(C)(i) and 428(b)(1)(M)(i) shall, if agreed upon by the borrower and the lender (A) be paid quarterly or (B) be added to the principal amount of the loan on a quarterly basis by the lender. Such capitalization of interest shall not be deemed to exceed the annual insurable limit on account of the student.

"(3) SUBSIDIES PROHIBITED.—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

"(4) APPLICABLE RATES OF INTEREST.—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A(c).

"(5) AMORTIZATION.—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal

to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

“(A) the amount of the periodic payment will be adjusted annually, or

“(B) the period of repayment of principal will be lengthened or shortened,
in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

“(d) REFINANCING.—

“(1) REFINANCING TO SECURE COMBINED PAYMENT.—An eligible lender may consolidate loans held by it which are made under this section to a borrower, including loans which were made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986, under a single repayment schedule which provides for a single principal payment and a single payment of interest, and shall calculate the repayment period for each included loan from the date of the commencement of repayment of the most recent included loan. Unless the borrower complies with the requirements of paragraph (2), such consolidated loan shall bear interest at the weighted average of the rates of all included loans. The extension of any repayment period of an included loan pursuant to this paragraph shall be reported to the Secretary or guaranty agency insuring the loan, as the case may be, but no additional insurance premiums shall be payable with respect to any such extension. The extension of the repayment period of any included loan shall not require the formal extension of the promissory note evidencing the included loan or the execution of a new promissory note, but shall be treated as an administrative forbearance of the repayment terms of the included loan.

“(2) REFINANCING TO SECURE VARIABLE INTEREST RATE.—An eligible lender may reissue a loan which was made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986 in order to permit the borrower to obtain the interest rate provided under section 427A(c)(4). A lender offering to reissue a loan for such purpose may charge a borrower an amount not to exceed \$100 to cover the administrative costs of reissuing such loan, not more than one-half of which shall be paid to the guarantor of the loan being reissued to recover costs of reissuance. Reissuance of a loan under this paragraph shall not affect any insurance applicable with respect to the loan, and no additional insurance fee may be charged to the borrower with respect to the loan.

“(3) REFINANCING BY DISCHARGE OF PREVIOUS LOAN.—A borrower who has applied to an original lender for reissuance of a loan under paragraph (2) and who is denied such reissuance may obtain a loan from another lender for the purpose of discharging the loan from such original lender. A loan made for such purpose—

“(A) shall bear interest at the applicable rate of interest provided under section 427A(c)(4);

“(B) shall not result in the extension of the duration of the note (other than as permitted under subsection (c)(5)(B));

“(C) may be subject to an additional insurance fee but shall not be subject to the administrative cost charge permitted by paragraph (2) of this subsection; and

“(D) shall be applied to discharge the borrower from any remaining obligation to the original lender with respect to the original loan.

“(4) CERTIFICATION IN LIEU OF PROMISSORY NOTE PRESENTATION.—Each new lender may accept certification from the original lender of the borrower’s original loan in lieu of presentation of the original promissory note.

“(5) NOTIFICATION TO BORROWERS OF AVAILABILITY OF REFINANCING OPTIONS.—Each holder of a loan made under this section or under section 428B as in effect prior to the date of enactment of this Act shall, not later than January 1, 1987, in the case of loans made before the date of enactment of this Act, notify the borrower of such loan—

“(A) of the refinancing options for which the borrower is eligible under this subsection;

“(B) of those options which will be made available by the holder; and

“(C) that, with respect to any option that the holder will not make available, the holder will, to the extent practicable, refer the borrower to an eligible lender offering such option.

“PLUS LOANS

20 USC 1078-2.

“SEC. 428B. (a) AUTHORITY TO BORROW.—Parents of a dependent student shall be eligible to borrow funds under this section in amounts specified in subsection (b), and unless otherwise specified in subsections (c) and (d), such loans shall have the same terms, conditions, and benefits as all other loans made under this part. Whenever necessary to carry out the provisions of this section, the terms ‘student’ and ‘borrower’ as used in this part shall include a parent borrower under this section, but such a parent borrower shall not be eligible for any deferment pursuant to section 427(a)(2)(C) or 428(b)(1)(M) except for the deferments allowed (with respect to the student) under clauses (i), (viii), and (ix) of such sections.

“(b) LIMITATIONS ON AMOUNTS OF LOANS.—

“(1) ANNUAL LIMIT.—Subject to paragraphs (2) and (3), the maximum amount parents may borrow for one student in any academic year or its equivalent (as defined by regulation of the Secretary) is \$4,000.

“(2) AGGREGATE LIMIT.—The aggregate insured principal amount for insured loans made to parents on account of a student shall not exceed \$20,000.

“(3) LIMITATION BASED ON NEED.—Any loan under this section may be counted as part of the expected family contribution in the determination of need under this title, but no loan may be made to any parent under this section which would cause the combined loans of the parent and the student for any academic year to exceed the student’s estimated cost of attendance minus such student’s estimated financial assistance as certified by the eligible institution under section 428(a)(2)(A) of this part. The annual insurable limit on account of any student shall not be deemed to be exceeded by a line of credit under which actual

payments to the borrower will not be made in any year in excess of the annual limit.

“(c) PAYMENT OF PRINCIPAL AND INTEREST.—

“(1) COMMENCEMENT OF REPAYMENT.—Repayment of principal on loans made under this section shall commence not later than 60 days after the date such loan is disbursed by the lender, subject to deferral pursuant to sections 427(a)(2)(C) (i), (viii), and (ix) and 428(b)(1)(M) (i), (viii), and (ix).

“(2) CAPITALIZATION OF INTEREST.—Interest on loans made under this section for which payments of principal and interest are deferred under sections 427(a)(2)(C)(i) and 428(b)(1)(M)(i) shall, if agreed upon by the borrower and the lender (A) be paid quarterly or (B) be added to the principal amount of the loan on a quarterly basis by the lender. Such capitalization of interest shall not be deemed to exceed the annual insurable limit on account of the student.

“(3) SUBSIDIES PROHIBITED.—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

“(4) APPLICABLE RATES OF INTEREST.—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A(c).

“(5) AMORTIZATION.—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

“(A) the amount of the periodic payment will be adjusted annually, or

“(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

“(d) REFINANCING.—

“(1) REFINANCING TO SECURE COMBINED PAYMENT.—An eligible lender may consolidate loans held by it which are made under this section to a borrower, including loans which were made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986, under a single repayment schedule which provides for a single principal payment and a single payment of interest, and shall calculate the repayment period for each included loan from the date of the commencement of repayment of the most recent included loan. Unless the borrower complies with the requirements of paragraph (2), such consolidated loan shall bear interest at the weighted average of the rates of all included loans. The extension of any repayment period of an included loan pursuant to this paragraph shall be reported to the Secretary or guaranty agency insuring the loan, as the case may be, but no additional insurance premiums shall be payable with respect to any such extension. The extension of the repayment period of any included loan shall not require the formal extension of the promissory note evidencing the included loan or the execution of a new promissory note, but shall be treated as an administrative forbearance of the repayment terms of the included loan.

“(2) **REFINANCING TO SECURE VARIABLE INTEREST RATE.**—An eligible lender may reissue a loan which was made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986 in order to permit the borrower to obtain the interest rate provided under section 427A(c)(4). A lender offering to reissue a loan for such purpose may charge a borrower an amount not to exceed \$100 to cover the administrative costs of reissuing such loan, not more than one-half of which shall be paid to the guarantor of the loan being reissued to cover costs of reissuance. Reissuance of a loan under this paragraph shall not affect any insurance applicable with respect to the loan, and no additional insurance fee may be charged to the borrower with respect to the loan.

“(3) **REFINANCING BY DISCHARGE OF PREVIOUS LOAN.**—A borrower who has applied to an original lender for reissuance of a loan under paragraph (2) and who is denied such reissuance may obtain a loan from another lender for the purpose of discharging the loan from such original lender. A loan made for such purpose—

“(A) shall bear interest at the applicable rate of interest provided under section 427A(c)(4);

“(B) shall not result in the extension of the duration of the note (other than as permitted under subsection (c)(5)(B));

“(A) of the refinancing options for which the borrower is eligible under this subsection;

“(i) has an outstanding indebtedness on eligible student loans, at the time of application for a consolidation loan, of not less than \$5,000;

“(ii) is in repayment status, or in a grace period preceding repayment, and is not delinquent with respect to any required payment on such indebtedness by more than 90 days; and

“(iii) is not a parent borrower under section 428B.

“(B) An individual’s status as an eligible borrower under this section terminates upon receipt of a consolidation loan under this section except with respect to loans received under this title after the date of receipt of the consolidation loan. Loans made under this section shall, to the extent used to discharge loans made under this part, be counted against the applicable limitations on aggregate indebtedness contained in sections 425(a)(2) and 428(b)(1)(B).

“(4) DEFINITION OF ELIGIBLE STUDENT LOANS.—For the purpose of paragraph (1), the term ‘eligible student loans’ means loans—

“(b) CONTENTS OF AGREEMENTS, CERTIFICATES OF INSURANCE, AND LOAN NOTES.—

“(1) AGREEMENTS WITH LENDERS.—Any lender described in subparagraph (A), (B), or (C) of subsection (a)(1) who wishes to make consolidation loans under this section shall enter into an agreement with the Secretary or a guaranty agency which provides—

“(A) that, in the case of all lenders described in subsection (a)(1), the lender will make a consolidation loan to an eligible borrower (on request of that borrower) only if the borrower certifies that the borrower has no other application pending for a loan under this section and (i) the lender holds an outstanding loan of that borrower which is selected by the borrower for consolidation under this section, or (ii) the borrower certifies that the borrower has sought and has been unable to obtain a consolidation loan from the

holders of the outstanding loans of that borrower (which are so selected for consolidation);

“(B) that each consolidation loan made by the lender will bear interest, and be subject to repayment, in accordance with subsection (c);

“(C) that each consolidation loan will be made, notwithstanding any other provision of this part limiting the annual or aggregate principal amount for all insured loans made to a borrower, in an amount (i) which is not less than the minimum amount required for eligibility of the borrower under subsection (a)(2), and (ii) which is equal to the sum of the unpaid principal and accrued unpaid interest and late charges of all loans received by the eligible borrower under this title which are selected by the borrower for consolidation;

“(D) that the proceeds of each consolidation loan will be paid by the lender to the holder or holders of the loans so selected to discharge the liability on such loans;

“(E) such other terms and conditions as the Secretary or the guaranty agency may specifically require of the lender to carry out this section.

“(2) ISSUANCE OF CERTIFICATE OF COMPREHENSIVE INSURANCE COVERAGE.—The Secretary shall issue a certificate of comprehensive insurance coverage under section 429(b) to a lender which has entered into an agreement with the Secretary under paragraph (1) of this subsection. The guaranty agency may issue a certificate of comprehensive insurance coverage to a lender with which it has an agreement under such paragraph. The Secretary shall not issue a certificate to a lender described in subparagraph (B) or (C) of subsection (a)(1) unless the Secretary determines that such lender has first applied to, and has been denied a certificate of insurance by, the guaranty agency which insures the preponderance of its loans (by value).

“(3) CONTENTS OF CERTIFICATE.—A certificate issued under paragraph (2) shall, at a minimum, provide—

“(A) that all consolidation loans made by such lender in conformity with the requirements of this section will be insured by the Secretary or the guaranty agency (whichever is applicable) against loss of principal and interest;

“(B) that a consolidation loan will not be insured unless the lender has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being consolidated—

“(i) that the loan is a legal, valid, and binding obligation of the borrower;

“(ii) that each such loan was made and serviced in compliance with applicable laws and regulations; and

“(H) the terms upon which the issuer of the certificate may limit, suspend, or terminate the lender’s authority to make consolidation loans under the certificate (without affecting the insurance on any consolidation loan made prior to such limitation, suspension, or termination).

“(4) TERMS AND CONDITIONS OF LOANS.—A consolidation loan made pursuant to this section shall be insurable by the Secretary or a guaranty agency pursuant to paragraph (2) only if the loan is made to an eligible borrower who has agreed to notify the holder of the loan promptly concerning any change of address and the loan is evidenced by a note or other written agreement which—

“(A) is made without security and without endorsement, except that if the borrower is a minor and such note or other written agreement executed by him or her would not, under applicable law, create a binding obligation, endorsement may be required;

“(B) provides for the payment of interest and the repayment of principal in accordance with subsection (c) of this section;

“(C) provides that periodic installments of principal need not be paid, but interest shall accrue and be paid, during any period for which the borrower would be eligible for a deferral under clause (i), (viii), or (ix) of section 428(b)(1)(M), and that any such period shall not be included in determining the repayment period pursuant to subsection (c)(2) of this section;

“(D) entitles the borrower to accelerate without penalty repayment of the whole or any part of the loan; and

“(E)(i) contains a notice of the system of disclosure concerning such loan to credit bureau organizations under section 430A, and (ii) provides that the lender on request of the borrower will provide information on the repayment status of the note to such organizations.

“(c) PAYMENT OF PRINCIPAL AND INTEREST.—

“(1) INTEREST RATES.—(A) Consolidation loans made under this section shall bear interest at rates determined under subparagraph (B) or (C). For the purposes of payment of special allowances under section 438(b)(2), the interest rate required by this subsection is the applicable interest rate with respect to a consolidation loan.

“(B) Except as provided in subparagraph (C), a consolidation loan shall bear interest at an annual rate on the unpaid principal balance of the loan which is equal to the weighted average of the interest rates on the loans consolidated, rounded to the nearest whole percent.

“(C) A consolidation loan shall bear interest at an annual rate on the unpaid principal balance of the loan equal to not less than 9 percent.

“(2) REPAYMENT SCHEDULES.—(A) Notwithstanding any other provision of this part, to the extent authorized by its certificate of insurance under subsection (b)(2)(F) and approved by the issuer of such certificate, the lender of a consolidation loan shall establish repayment terms as will promote the objectives of this section, which may include the establishment of graduated or income sensitive repayment schedules. Such repayment terms shall require that if the sum of the consolidation loan and the amount outstanding on other student loans to the individual—

“(i) is equal to or greater than \$5,000 but less than \$7,500, then such consolidation loan shall be repaid in not more than 10 years;

“(ii) is equal to or greater than \$7,500 but less than \$10,000, then such consolidation loan shall be repaid in not more than 12 years;

“(v) is more than \$45,000, then such consolidation loan shall be repaid in not more than 25 years.

“(B) Unless a consolidation loan under subparagraph (A)(ii) will be used to discharge at least \$5,000 of loans made under this part, such loan shall be repaid in accordance with subparagraph (A)(i).

“(C) The amount outstanding on other student loans which may be counted for the purpose of subparagraph (A) may not exceed the amount of the consolidation loan.

“(3) ADDITIONAL REPAYMENT REQUIREMENTS.—Notwithstanding paragraph (2)—

“(A) a repayment schedule established with respect to a consolidation loan shall require that the minimum installment payment equal to not less than the accrued unpaid interest; and

“(B) the lender of a consolidation loan may, with respect to repayment on the loan, when the amount of a monthly or other similar payment on the loan is not a multiple of \$5, round the payment to the next highest whole dollar amount that is a multiple of \$5.

“(4) COMMENCEMENT OF REPAYMENT.—Repayment of a consolidation loan shall commence within 60 days after all holders have, pursuant to subsection (b)(1)(D), discharged the liability of the borrower on the loans selected for consolidation.

“(5) INSURANCE PREMIUMS PROHIBITED.—No insurance premium shall be charged to the borrower on any consolidation loan, and no insurance premium shall be payable by the lender to the Secretary with respect to any such loan.

“(d) TERMINATION OF AUTHORITY.—The authority to make loans under this section expires at the close of September 30, 1992. Nothing in this section shall be construed to authorize the Secretary to promulgate rules or regulations governing the terms or conditions of the agreements and certificates under subsection (b). Loans made under this section which are insured by the Secretary shall be considered to be new loans made to students for the purpose of section 424(a).

"COMMINGLING OF FUNDS

"Sec. 428D. Notwithstanding any other provision of this part regarding permissible uses of funds from any source, funds received by a guaranty agency under any provision of this part may be commingled with funds received under any other provision of this part and may be used to carry out the purposes of such other provision, except that—

20 USC 1078-4.

"(1) the total amount expended for the purposes of such other provision shall not exceed the amount the guaranty agency would otherwise be authorized to expend; and

"(2) the authority to commingle such funds shall not relieve such agency of any accounting or auditing obligations under this part.

"STATE GARNISHMENT LAW REQUIREMENTS

"Sec. 428E. (a) REQUIREMENTS FOR ADDITIONAL COST PAYMENTS.— A garnishment law complies with the requirements of this section if such law—

20 USC 1078-5.

"(1) provides that the amount deducted for any pay period may not exceed 10 percent of disposable pay, except that a greater percentage may be deducted upon the written consent of the individual involved;

"(2) provides the individual with a minimum of 30 days written notice, informing such individual of the nature and amount of the indebtedness determined by such agency to be due, the intention of the agency to initiate proceedings to collect the debt through deductions from pay, and an explanation of the rights of the individual under such law;

"(3) provides the individual with an opportunity to inspect and copy records relating to the debts;

"(4) provides the individual with an opportunity to enter into a written agreement with the agency, under terms agreeable to the head of the agency or his designee, to establish a schedule for the repayment of the debt;

"(5) provides the individual with an opportunity for a hearing in accordance with subsection (b) on the determination of the agency concerning the existence or the amount of the debt, and in the case of an individual whose repayment schedule is established other than by a written agreement pursuant to paragraph (4), concerning the terms of the repayment schedule, but does not permit additional administrative or judicial procedures that would delay collection of the debt (such as reduction of the debt to a judgment);

"(6) provides that the employer will be held liable to the agency for any amount which such employer fails to withhold from wages due an employee following receipt by such employer of proper notice under paragraph (2), but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph; and

"(7) provides for the imposition of a fine against any employer who discharges from employment, refuses to employ, or takes disciplinary action against any individual subject to wage withholding required by this section because of the existence of such withholding and the obligations or additional obligations which it imposes upon the employer.

“(b) HEARING REQUIREMENTS.—A hearing described in subsection (a)(5) shall be provided if the individual, on or before the 15th day following receipt of the notice described in subsection (a)(2), and in accordance with such procedures as the head of the agency may prescribe, files a petition requesting such a hearing. The timely filing of a petition for hearing shall stay the commencement of collection proceedings. A hearing under subsection (a)(5) may not be conducted by an individual under the supervision or control of the head of the agency, except that nothing in this sentence shall be construed to prohibit the appointment of an administrative law judge. The hearing official shall issue a final decision at the earliest practicable date, but not later than 60 days after the filing of the petition requesting the hearing.

“(c) NOTICE REQUIREMENTS.—The notice given to the employer pursuant to subsection (a)(2) shall contain only such information as may be necessary for the employer to comply with the withholding order.

“(d) DEFINITION.—For the purpose of this section, the term ‘disposable pay’ means that part of pay of any individual remaining after the deduction of any amounts required by law to be withheld.

“REHABILITATION OF DEFAULTED LOANS

20 USC 1078-6.

“SEC. 428F. (a) AUTHORITY TO ESTABLISH PILOT PROGRAM.—The Secretary shall, in accordance with the requirements of this section, establish a pilot program to test the feasibility of rehabilitating defaulted loans under this part. Such pilot program shall be commenced within 3 months after the date of enactment of this section and shall be completed not later than 3 years after such date. The Secretary shall submit a report on the results of such pilot program within 3 months after its completion.

“(b) ELIGIBILITY FOR PILOT PROGRAM.—The loans which shall be eligible for rehabilitation under this section shall be only those loans which are made to borrowers who, at the time of default on the loan, are unemployed or institutionalized.

“(c) METHOD OF REHABILITATION.—

“(1) SALE OF LOAN PURSUANT TO AGREEMENT.—Upon securing consecutive payments for 12 months of amounts owed on a loan for which the Secretary has made a payment under section 428(c)(1), the guaranty agency (pursuant to an agreement with the Secretary) or the Secretary shall, if practicable, sell the rehabilitated loan to an eligible lender, other than an eligible lender who has been found by the guaranty agency or the Secretary to have substantially failed to exercise the due diligence required of lenders under this part.

“(2) TERMS OF AGREEMENT.—Such agreement between the guaranty agency and the Secretary shall provide—

“(A) for the repayment by the agency to the Secretary of 81.5 percent of the amount of the principal balance outstanding at the time of such sale multiplied by a percentage amount equal to the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

“(B) for the reinstatement by the Secretary (I) of the obligation to reimburse such agency for the amount expended by it in discharge of its insurance obligation under its loan insurance program, and (II) of the obligation to pay

to the holder of the rehabilitated loan a special allowance pursuant to section 438.

“(3) PROCEEDS OF SALES OFFSET AGAINST DEFAULT CLAIMS.—Amounts received by the Secretary pursuant to the sale of rehabilitated loans by a guaranty agency under this paragraph shall be deducted from the calculations of the amount of claims for reimbursement filed by the agency under section 428(c)(1) for the fiscal year in which the amount was received, notwithstanding the fact that the default occurred in a prior fiscal year.

“(4) EFFECT OF REHABILITATION ON BORROWER ELIGIBILITY.—Any borrower whose loan is rehabilitated under this subsection shall not be precluded by section 484 from receiving additional assistance under this title (for which he or she is otherwise eligible) on the basis of defaulting on the loan prior to rehabilitation.

“(5) APPLICABILITY OF OTHER TERMS, CONDITIONS, AND BENEFITS.—A loan which is rehabilitated under this paragraph shall be subject to the same terms and conditions and qualify for the same benefits and privileges as other loans made under this part.

“CERTIFICATE OF FEDERAL LOAN INSURANCE—EFFECTIVE DATE OF INSURANCE

“SEC. 429. (a) LOAN-BY-LOAN INSURANCE.—

20 USC 1079.

“(1) AUTHORITY TO ISSUE CERTIFICATES ON APPLICATION.—If, upon application by an eligible lender, made upon such form, containing such information, and supported by such evidence as the Secretary may require, and otherwise in conformity with this section, the Secretary finds that the applicant has made a loan to an eligible student which is insurable under the provisions of this part, he may issue to the applicant a certificate of insurance covering the loan and setting forth the amount and terms of the insurance.

“(2) EFFECTIVENESS OF CERTIFICATE.—Insurance evidenced by a certificate of insurance pursuant to subsection (a)(1) shall become effective upon the date of issuance of the certificate, except that the Secretary is authorized, in accordance with regulations, to issue commitments with respect to proposed loans, or with respect to lines (or proposed lines) of credit, submitted by eligible lenders, and in that event, upon compliance with subsection (a)(1) by the lender, the certificate of insurance may be issued effective as of the date when any loan, or any payment by the lender pursuant to a line of credit, to be covered by such insurance was made. Such insurance shall cease to be effective upon 60 days' default by the lender in the payment of any installment of the premiums payable pursuant to subsection (c).

“(3) CONTENTS OF APPLICATIONS.—An application submitted pursuant to subsection (a)(1) shall contain (A) an agreement by the applicant to pay, in accordance with regulations, the premiums fixed by the Secretary pursuant to subsection (c), and (B) an agreement by the applicant that if the loan is covered by insurance the applicant will submit such supplementary reports and statement during the effective period of the loan agreement, upon such forms, at such times, and containing such

information as the Secretary may prescribe by or pursuant to regulation.

“(b) COMPREHENSIVE INSURANCE COVERAGE CERTIFICATE.—

“(1) ESTABLISHMENT OF SYSTEM BY REGULATION.—In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each student loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 424, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary's judgment will best achieve the purpose of this subsection while protecting the United States from the risk of unreasonable loss and promoting the objectives of this part, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

“(2) UNCOVERED LOANS.—If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a student a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 424, the Secretary may, in accordance with regulations, make commitments to insure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance on comprehensive coverage under the subsection for the period or periods in which such future loans or payments are made.

“(c) CHARGES FOR FEDERAL INSURANCE.—The Secretary shall, pursuant to regulations, charge for insurance on each loan under this part a premium in an amount not to exceed one-fourth of 1 percent per year of the unpaid principal amount of such loan (excluding interest added to principal), payable in advance, at such times and in such manner as may be prescribed by the Secretary. Such regulations may provide that such premium shall not be payable, or if paid shall be refundable, with respect to any period after default in the payment of principal or interest or after the borrower has died or becomes totally and permanently disabled, if (1) notice of such default or other event has been duly given, and (2) requests for payment of the loss insured against has been made or the Secretary has made such payment on his own motion pursuant to section 430(a).

“(d) **ASSIGNABILITY OF INSURANCE.**—The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned as security by such lender only to another eligible lender, and subject to regulation by the Secretary.

“(e) **CONSOLIDATION NOT TO AFFECT INSURANCE.**—The consolidation of the obligations of two or more federally insured loans obtained by a student borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness shall not affect the insurance by the United States. If the loans thus consolidated are covered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation; if they are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

“**DEFAULT OF STUDENT UNDER FEDERAL LOAN INSURANCE PROGRAM**

“**SEC. 430. (a) NOTICE TO SECRETARY AND PAYMENT OF LOSS.**—Upon default by the student borrower on any loan covered by Federal loan insurance pursuant to this part, and prior to the commencement of suit or other enforcement proceedings upon security for that loan, the insurance beneficiary shall promptly notify the Secretary, and the Secretary shall if requested (at that time or after further collection efforts) by the beneficiary, or may on the Secretary's own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that loan as soon as that amount has been determined. The ‘amount of the loss’ on any loan shall, for the purposes of this subsection and subsection (b), be deemed to be an amount equal to the unpaid balance of the principal amount and accrued interest, including interest accruing from the date of submission of a valid default claim (as determined by the Secretary) to the date on which payment is authorized by the Secretary, reduced to the extent required by section 425(b). Such beneficiary shall be required to meet the standards of due diligence in the collection of the loan and shall be required to submit proof that reasonable attempts were made to locate the borrower (when the location of the borrower is unknown) and proof that contact was made with the borrower (when the location is known). The Secretary shall make the determination required to carry out the provisions of this section not later than 90 days after the notification by the insurance beneficiary and shall make payment in full on the amount of the beneficiary's loss pending completion of the due diligence investigation.

20 USC 1080.

“(b) **EFFECT OF PAYMENT OF LOSS.**—Upon payment of the amount of the loss pursuant to subsection (a), the United States shall be subrogated for all of the rights of the holder of the obligation upon the insured loan and shall be entitled to an assignment of the note or other evidence of the insured loan by the insurance beneficiary. If the net recovery made by the Secretary on a loan after deduction of the cost of that recovery (including reasonable administrative costs and collection costs, to the extent set forth in regulations issued by the Secretary) exceeds the amount of the loss, the excess shall be paid over to the insured. The Secretary may, in attempting to make recovery on such loans, contract with private business concerns, State student loan insurance agencies, or State guaranty agencies,

for payment for services rendered by such concerns or agencies in assisting the Secretary in making such recovery. Any contract under this subsection entered into by the Secretary shall provide that attempts to make recovery on such loans shall be fair and reasonable, and do not involve harassment, intimidation, false or misleading representations, or unnecessary communications concerning the existence of any such loan to persons other than the student borrower.

“(c) **FORBEARANCE NOT PRECLUDED.**—Nothing in this section or in this part shall be construed to preclude any forbearance for the benefit of the student borrower which may be agreed upon by the parties to the insured loan and approved by the Secretary, or to preclude forbearance by the Secretary in the enforcement of the insured obligation after payment on that insurance. Any forbearance which is approved by the Secretary under this subsection with respect to the repayment of a loan, including a forbearance during default, shall not be considered as indicating that a holder of a federally insured loan has failed to exercise reasonable care and due diligence in the collection of the loan.

“(d) **CARE AND DILIGENCE REQUIRED OF HOLDERS.**—Nothing in this section or in this part shall be construed to excuse the holder of a federally insured loan from exercising reasonable care and diligence in the making and collection of loans under the provisions of this part. If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that it has substantially failed to exercise such care and diligence or to make the reports and statements required under section 428(a)(4) and section 429(a)(3), or to pay the required Federal loan insurance premiums, the Secretary shall disqualify that lender for further Federal insurance on loans granted pursuant to this part until the Secretary is satisfied that its failure has ceased and finds that there is reasonable assurance that the lender will in the future exercise necessary care and diligence or comply with such requirements, as the case may be.

“**REPORTS TO CREDIT BUREAUS AND INSTITUTIONS OF HIGHER
EDUCATION**”

20 USC 1080a.

“**SEC. 430A. (a) AGREEMENTS TO EXCHANGE INFORMATION.**—For the purpose of promoting responsible repayment of loans covered by Federal loan insurance pursuant to this part or covered by a guaranty agreement pursuant to section 428, the Secretary, each guaranty agency, eligible lender, and subsequent holder shall enter into agreements with credit bureau organizations to exchange information concerning student borrowers, in accordance with the requirements of this section. For the purpose of assisting such organizations in complying with the Fair Credit Reporting Act, such agreements may provide for timely response by the Secretary (concerning loans covered by Federal loan insurance), by a guaranty agency, eligible lender, or subsequent holder (concerning loans covered by a guaranty agreement), or to requests from such organizations for responses to objections raised by borrowers. Subject to the requirements of subsection (c), such agreements shall require the Secretary, the guaranty agency, eligible lender, or subsequent holder, as appropriate, to disclose to such organizations, with respect to any loan under this part that has not been repaid by the borrower—

15 USC 1681

“(2) information concerning the date of any default on the loan and the collection of the loan, including information concerning the repayment status of any defaulted loan on which the Secretary has made a payment pursuant to section 430(a) or the guaranty agency has made a payment to the previous holder of the loan; and

“(3) the date of cancellation of the note upon completion of repayment by the borrower of the loan or payment by the Secretary pursuant to section 437.

“(b) **ADDITIONAL INFORMATION.**—Such agreements may also provide for the disclosure by such organizations to the Secretary or a guaranty agency, whichever insures or guarantees a loan, upon receipt of a notice under subsection (a)(2) that such a loan is in default, of information concerning the borrower's location or other information which may assist the Secretary, the guaranty agency, the eligible lender, or the subsequent holder in collecting the loan.

“(c) **CONTENTS OF AGREEMENTS.**—Agreements entered into pursuant to this section shall contain such provisions as may be necessary to ensure that—

“(1) no information is disclosed by the Secretary or the guaranty agency, eligible lender, or subsequent holder unless its accuracy and completeness have been verified and the Secretary or the guaranty agency has determined that disclosure would accomplish the purpose of this section;

“(2) as to any information so disclosed, such organizations will be promptly notified of, and will promptly record, any change submitted by the Secretary, the guaranty agency, eligible lender, or subsequent holder with respect to such information, or any objections by the borrower with respect to any such information, as required by section 611 of the Fair Credit Reporting Act (15 U.S.C. 1681i);

“(3) no use will be made of any such information which would result in the use of collection practices with respect to such a borrower that are not fair and reasonable or that involve harassment, intimidation, false or misleading representations, or unnecessary communication concerning the existence of such loan or concerning any such information; and

“(4) with regard to notices of default under subsection (a)(2) of this section, except for disclosures made to obtain the borrower's location, the Secretary, or the guaranty agency, eligible lender, or subsequent holder whichever is applicable (A) shall not disclose any such information until the borrower has been notified that such information will be disclosed to credit bureau organizations unless the borrower enters into repayment of his or her loan, but (B) shall, if the borrower has not entered into repayment within a reasonable period of time, but not less than 30 days, from the date such notice has been sent to the borrower, disclose the information required by this subsection.

“(d) **CONTRACTOR STATUS OF PARTICIPANTS.**—A guaranty agency, eligible lender, or subsequent holder or credit bureau organization which discloses or receives information under this section shall not be considered a Government contractor within the meaning of section 552a of title 5, United States Code.

“(e) **DISCLOSURE TO INSTITUTIONS.**—The Secretary and each guaranty agency, eligible lender, and subsequent holder of a loan are authorized to disclose information described in subsections (a) and

(b) concerning student borrowers to the eligible institutions such borrowers attend or previously attended.

“(1) 7 years from the date on which the Secretary or the agency paid a claim to the holder on the guaranty, or

“(2) with regard to an account on a loan on which the Secretary or the guaranty agency has paid a claim but not reported the account to a consumer reporting agency on or before October 1, 1985, 7 years from that date.

“INSURANCE FUND

20 USC 1081.

“SEC. 431. (a) ESTABLISHMENT.—There is hereby established a student loan insurance fund (hereinafter in this section called the ‘fund’) which shall be available without fiscal year limitation to the Secretary for making payments in connection with the default of loans insured by the Secretary under this part, or in connection with payments under a guaranty agreement under section 428(c). All amounts received by the Secretary as premium charges for insurance and as receipts, earnings, or proceeds derived from any claim or other assets acquired by the Secretary in connection with operations under this part, any excess advances under section 422(c)(4)(C), and any other moneys, property, or assets derived by the Secretary from operations in connection with this section, shall be deposited in the fund. All payments in connection with the default of loans insured by the Secretary under this part, or in connection with such guaranty agreements shall be paid from the fund. Moneys in the fund not needed for current operations under this section may be invested in bonds or other obligations guaranteed as to principal and interest by the United States.

“(b) BORROWING AUTHORITY.—If at any time the moneys in the fund are insufficient to make payments in connection with the default of any loan insured by the Secretary under this part, or in connection with any guaranty agreement made under section 428(c), the Secretary is authorized, to the extent provided in advance by appropriations Acts, to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. 5 USC app.

“(3) **DEFINITION OF RECORDS.**—For the purpose of this subsection, the term ‘record’ includes any information, document,

report, answer, account, paper, or other data or documentary evidence.

“(g) CIVIL PENALTIES.—

“(1) AUTHORITY TO IMPOSE PENALTIES.—Upon determination, after reasonable notice and opportunity for a hearing on the record, that a lender or a guaranty agency—

“(A) has violated or failed to carry out any provision of this part or any regulation prescribed under this part, or

“(B) has engaged in substantial misrepresentation of the nature of its financial charges,

the Secretary may impose a civil penalty upon such lender or agency of not to exceed \$25,000 for each violation, failure, or misrepresentation.

“(2) LIMITATIONS.—No civil penalty may be imposed under paragraph (1) of this subsection unless it is determined that the violation, failure, or substantial misrepresentation referred to in that paragraph resulted from—

“(A)(i) a clear and consistent pattern or practice of violations, failures, or substantial misrepresentations in which the lender or guaranty agency did not maintain procedures reasonably adapted to avoid the violation, failure, or substantial representation;

“(ii) gross negligence; or

“(iii) willful actions on the part of the lender or guaranty agency; and

“(B) the violation, failure, or substantial representation is material.

“(3) CORRECTION OF FAILURE.—A lender or guaranty agency has no liability under paragraph (1) of this subsection if, prior to the institution of an action under that paragraph, the lender or guaranty agency cures or corrects the violation or failure or notifies the person who received the substantial misrepresentation of the actual nature of the financial charges involved.

“(4) CONSIDERATION AS SINGLE VIOLATION.—For the purpose of paragraph (1) of this subsection, violations, failures, or substantial misrepresentations arising from a specific practice of a lender or guaranty agency shall be deemed to be a single violation, failure, or substantial misrepresentation even if the violation, failure, or substantial misrepresentation affects more than one loan or more than one borrower, or both, and the Secretary may only impose a single civil penalty for each such violation, failure, or substantial misrepresentation.

“(5) ASSIGNEES NOT LIABLE FOR VIOLATIONS BY OTHERS.—If a loan affected by a violation, failure, or substantial misrepresentation is assigned to another holder, the lender or guaranty agency responsible for the violation, failure, or substantial misrepresentation shall remain liable for any civil money penalty provided for under paragraph (1) of this subsection, but the assignee shall not be liable for any such civil money penalty.

“(6) COMPROMISE.—Until a matter is referred to the Attorney General, any civil penalty under paragraph (1) of this subsection may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the Secretary shall consider the appropriateness of the penalty to the resources of the lender or guaranty agency subject to the determination; the gravity of the violation, failure, or substantial misrepresentation; the frequency and

persistence of the violation, failure, or substantial misrepresentation; and the amount of any losses resulting from the violation, failure, or substantial misrepresentation. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the lender or agency charged, unless the lender or agency has, in the case of a final agency determination, commenced proceedings for judicial review within 90 days of the determination, in which case the deduction may not be made during the pendency of the proceeding.

“(h) AUTHORITY OF THE SECRETARY TO IMPOSE AND ENFORCE LIMITATIONS, SUSPENSIONS, AND TERMINATIONS.—

“(1) IMPOSITION OF SANCTIONS.—(A) If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that the eligible lender—

“(I) to exercise reasonable care and diligence in the making and collecting of loans under the provisions of this part,

“(II) to make the reports or statements under section 428(a)(4), or

“(III) to pay the required loan insurance premiums to any guaranty agency, or

“(ii) has engaged in—

“(I) fraudulent or misleading advertising or in solicitations that have resulted in the making of loans insured or guaranteed under this part to borrowers who are ineligible; or

“(II) the practice of making loans that violate the certification for eligibility provided in section 428,

the Secretary shall limit, suspend, or terminate that lender from participation in the insurance programs operated by guaranty agencies under this part.

“(B) The Secretary shall not lift any such limitation, suspension, or termination until the Secretary is satisfied that the lender's failure under subparagraph (A)(i) of this paragraph or practice under subparagraph (A)(ii) of this paragraph has ceased and finds that there are reasonable assurances that the lender will—

“(i) exercise the necessary care and diligence,

“(ii) comply with the requirements described in subparagraph (A)(i), or

“(iii) cease to engage in the practices described in subparagraph (A)(ii),

as the case may be.

“(2) REVIEW OF SANCTIONS ON LENDERS.—(A) The Secretary shall, in accordance with sections 556 and 557 of title 5, United States Code, review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(U) within 60 days after receipt by the Secretary of a notice from the guaranty agency of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the lender. The Secretary shall disqualify such lender from participation in the student loan insurance program of each of the guaranty agencies under this part, and notify such guaranty agencies of such disqualification—

Insurance.

“(i) if such review is waived; or

“(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

“(B) The Secretary shall not lift any such disqualification until the Secretary is satisfied that the lender has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the lender will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such disqualification.

“(3) REVIEW OF SANCTIONS ON ELIGIBLE INSTITUTIONS.—(A) The Secretary shall, in accordance with sections 556 and 557 of title 5, United States Code, review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(T) within 60 days after receipt by the Secretary of a notice from the guaranty agency of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the institution. The Secretary shall disqualify such institution from participation in the student loan insurance program of each of the guaranty agencies under this part, and notify such guaranty agencies of such disqualification—

“(i) if such review is waived; or

“(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

“(B) The Secretary shall not lift any such disqualification until the Secretary is satisfied that the institution has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the institution will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such disqualification.

“(i) AUTHORITY TO SELL DEFAULTED LOANS.—In the event that all other collection efforts have failed, the Secretary is authorized to sell defaulted student loans assigned to the United States under this part to collection agencies, eligible lenders, guaranty agencies, or other qualified purchaser on such terms as the Secretary determines are in the best financial interests of the United States. A loan may not be sold pursuant to this subsection if such loan is in repayment status.

The failure of an eligible lender to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary under a contract of insurance or reinsurance, or the obligation of a guaranty agency under a contract of guaranty. Nothing in this section shall be construed as subjecting the lender to the Truth in Lending Act with regard to loans made under this part. "DEFINITIONS FOR STUDENT LOAN INSURANCE PROGRAM

20 USC 1085.

"**SEC. 435.** As used in this part:

"(a) **ELIGIBLE INSTITUTION.**—

“(1) IN GENERAL.—The term ‘eligible institution’ means—

“(A) an institution of higher education;

“(B) a vocational school; or

“(C) with respect to students who are nationals of the United States, an institution outside the United States which is comparable to an institution of higher education or to a vocational school and which has been approved by the Secretary for the purpose of this part,

except that such term does not include any such institution or school which employs or uses commissioned salesmen to promote the availability of any loan program described in section 428(a)(1), 428A, or 428B at that institution or school.

“(2) FOREIGN MEDICAL SCHOOLS.—For the purpose of qualifying an institution under paragraph (1)(C) of this subsection, the Secretary shall establish criteria by regulation. In the case of a graduate medical school outside the United States, such criteria shall include a requirement that a student attending a medical school is ineligible for loans made, insured, or guaranteed under this part unless at least 60 percent of the students enrolled in such school are nationals of the country in which the school is located. A school that is unable to meet that criteria may establish the eligibility of its students for such loans if the United States nationals attending such school achieve a pass rate on the examinations administered by the Educational Commission for Foreign Medical Graduates that is—

“(A) not less than 45 percent for students taking such examination in the first and second years after the date of enactment of the Higher Education Amendments of 1986; and

“(B) not less than 50 percent for students taking such examination in any subsequent year.

“(b) INSTITUTION OF HIGHER EDUCATION.—The term ‘institution of higher education’ means an educational institution in any State which—

“(1) admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such certificate, or who are beyond the age of compulsory school attendance;

“(2) is legally authorized within such State to provide a program of education beyond secondary education;

“(3) provides an educational program for which it awards a bachelor's degree or provides not less than a 2-year program which is acceptable for full credit toward such a degree;

“(4) is a public or other nonprofit institution; and

“(5) is accredited by a nationally recognized accrediting agency or association approved by the Secretary for this purpose or, if not so accredited—

“(A) is an institution with respect to which the Secretary has determined that there is satisfactory assurance, considering the resources available to the institution, the period of time, if any, during which it has operated, the effort it is making to meet accreditation standards, and the purpose for which this determination is being made, that the institution will meet the accreditation standards of such an agency or association within a reasonable time; or

“(B) is an institution whose credits are accepted on transfer by not less than three institutions which are so accred-

ited, for credit on the same basis as if transferred from an institution so accredited.

Such term includes any school which provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and which meets the provisions of paragraphs (1), (2), (4), and (5). If the Secretary determines that a particular category of such schools does not meet the requirements of paragraph (5) because there is no nationally recognized accrediting agency or association qualified to accredit schools in such category, the Secretary shall, pending the establishment of such an accrediting agency or association, appoint an advisory committee, composed of persons specially qualified to evaluate training provided by schools in such category, which shall (i) prescribe the standards of content, scope, and quality which must be met in order to qualify schools in such category to participate in the program pursuant to this part, and (ii) determine whether particular schools not meeting the requirements of paragraph (5) meet those standards. For the purpose of this subsection, the Secretary shall publish a list of nationally recognized accrediting agencies or associations which the Secretary determines to be reliable authorities as to the quality of training offered.

“(c) VOCATIONAL SCHOOL.—The term ‘vocational school’ means a business or trade school, or technical institution or other technical or vocational school, in any State, which—

“(1) admits as regular students only persons who have completed or left elementary or secondary school and who have the ability to benefit (as determined by the institution under section 481(d)) from the training offered by such institution;

“(2) is legally authorized to provide, and provides within that State, a program of postsecondary vocational or technical education designed to fit individuals for useful employment in recognized occupations;

“(3) has been in existence for 2 years or has been specially accredited by the Secretary as an institution meeting the other requirements of this subsection; and

“(4) is accredited—

“(A) by a nationally recognized accrediting agency or association listed by the Secretary pursuant to this paragraph;

“(B) if the Secretary determines that there is no nationally recognized accrediting agency or association qualified to accredit schools of a particular category, by a State agency listed by the Secretary pursuant to this paragraph; and

“(C) if the Secretary determines there is no nationally recognized or State agency or association qualified to accredit schools of a particular category, by an advisory committee appointed by the Secretary and composed of persons specially qualified to evaluate training provided by schools of that category, which committee shall prescribe the standards of content, scope, and quality which must be met by those schools in order for loans to students attending them to be insurable under this part and shall also determine whether particular schools meet those standards.

For the purpose of this subsection, the Secretary shall publish a list of nationally recognized accrediting agencies or associations and

State agencies which the Secretary determines to be reliable authority as to the quality of education or training afforded.

“(d) ELIGIBLE LENDER.—

“(1) IN GENERAL.—Except as provided in paragraphs (2) through (5), the term ‘eligible lender’ means—

“(A) a National or State chartered bank, a mutual savings bank, a savings and loan association, a stock savings bank, a trust company, or a credit union which—

“(i) is subject to examination and supervision by an agency of the United States or of the State in which its principal place of operation is established, and

“(ii) does not have as its primary consumer credit function the making or holding of loans made to students under this part unless (I) it is a bank which is wholly owned by a State, (II) it is a single wholly owned subsidiary of a bank holding company which does not have as its primary consumer credit function the making or holding of loans made to students under this part, or (III) it is a trust company which makes student loans as a trustee pursuant to an express trust and which operated as a lender under this part prior to January 1, 1981;

“(B) a pension fund as defined in the Employee Retirement Income Security Act;

“(C) an insurance company which is subject to examination and supervision by an agency of the United States or a State;

“(E) an eligible institution which meets the requirements of paragraphs (2) through (5) of this subsection;

“(F) for purposes only of purchasing and holding loans made by other lenders under this part, the Student Loan Marketing Association or an agency of any State functioning as a secondary market;

“(G) for purposes of making loans under sections 428A(d), 428B(d), 428C, and 439(q), the Student Loan Marketing Association;

“(H) for purposes of making loans under sections 428(h) and 428(j), a guaranty agency; and

“(I) a Rural Rehabilitation Corporation, or its successor agency, which has received Federal funds under Public Law 499, Eighty-first Congress (64 Stat. 98 (1950)).

“(2) ADDITIONAL REQUIREMENTS OF ELIGIBLE INSTITUTIONS.—To be an eligible lender under this part, an eligible institution—

“(A) shall employ at least one person whose full-time responsibilities are limited to the administration of programs of financial aid for students attending such institution; and

“(B) shall not be a home study school.

“(3) DISQUALIFICATION FOR HIGH DEFAULT RATES.—The term ‘eligible lender’ does not include any eligible institution in any fiscal year immediately after the fiscal year in which the Secretary determines, after notice and opportunity for a hearing, that for each of 2 consecutive years, 15 percent or more of the total amount of such loans as are described in section 428(a)(1) made by the institution with respect to students at that institu-

tion and repayable in each such year, are in default, as defined in section 435(o).

“(4) **WAIVER OF DISQUALIFICATION.**—Whenever the Secretary determines that—

“(A) there is reasonable possibility that an eligible institution may, within 1 year after a determination is made under paragraph (3), improve the collection of loans described in section 428(a)(1), so that the application of paragraph (3) would be a hardship to that institution, or

“(B) the termination of the lender’s status under paragraph (3) would be a hardship to the present or for prospective students of the eligible institution, after considering the management of that institution, the ability of that institution to improve the collection of loans, the opportunities that institution offers to economically disadvantaged students, and other related factors,

the Secretary shall waive the provisions of paragraph (3) with respect to that institution. Any determination required under this paragraph shall be made by the Secretary prior to the termination of an eligible institution as a lender under the exception of paragraph (3). Whenever the Secretary grants a waiver pursuant to this paragraph, the Secretary shall provide technical assistance to the institution concerned in order to improve the collection rate of such loans.

“(5) **DISQUALIFICATION FOR USE OF CERTAIN INCENTIVES.**—The term ‘eligible lender’ does not include any lender that the Secretary determines, after notice and opportunity for a hearing, has after the date of enactment of this paragraph—

“(A) offered, directly or indirectly, points, premiums, payments, or other inducements, to any educational institution or individual in order to secure applicants for loans under this part;

“(B) conducted unsolicited mailings to students of student loan application forms, except to students who have previously received loans under this part from such lender;

“(e) **LINE OF CREDIT.**—The term ‘line of credit’ means an arrangement or agreement between the lender and the borrower whereby a loan is paid out by the lender to the borrower in annual installments, or whereby the lender agrees to make, in addition to the initial loan, additional loans in subsequent years.

“(f) **DUE DILIGENCE.**—The term ‘due diligence’ requires the utilization by a lender, in the servicing and collection of loans insured under this part, of collection practices at least as extensive and forceful as those generally practiced by financial institutions for the collection of consumer loans.

“(g) **TEMPORARILY TOTALLY DISABLED.**—

"SPECIAL ALLOWANCES

20 USC 1087-1.

"SEC. 438. (a) **FINDINGS.**—In order to assure (1) that the limitation on interest payments or other conditions (or both) on loans made or insured under this part, do not impede or threaten to impede the carrying out of the purposes of this part or do not cause the return to holders of loans to be less than equitable, (2) that incentive payments on such loans are paid promptly to eligible lenders, and (3) that appropriate consideration of relative administrative costs and money market conditions is made in setting the quarterly rate of such payments, the Congress finds it necessary to establish an improved method for the determination of the quarterly rate of the special allowances on such loans, and to provide for a thorough, expeditious, and objective examination of alternative methods for the determination of the quarterly rate of such allowances.

"(b) **COMPUTATION AND PAYMENT.**—

"(1) **QUARTERLY PAYMENT BASED ON UNPAID BALANCE.**—A special allowance shall be paid for each of the 3-month periods ending March 31, June 30, September 30, and December 31 of every year and the amount of such allowance paid to any holder with respect to any 3-month period shall be a percentage of the average unpaid balance of principal (not including unearned interest added to principal) of all eligible loans held by such holder during such period.

"(2) **RATE OF SPECIAL ALLOWANCE.**—(A) Subject to subparagraphs (B), (C), and (D) and paragraph (4), the special allowance paid pursuant to this subsection on loans shall be computed (i) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period, (ii) by subtracting the applicable interest rate on such loans from such average, (iii) by adding 3.25 percent to the resultant percent, and (iv) by dividing the resultant percent by 4.

"(B)(i) The quarterly rate of the special allowance for holders of loans which were made or purchased with funds obtained by the holder from the issuance of obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954 shall be one-half the quarterly rate of the special allowance established under subparagraph (A), except that, in determining the rate for the purpose of this division, subparagraph (A)(iii) shall be applied by substituting '3.5 percent' for '3.25 percent'. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the

20 USC 1 *et seq.*

holder from collections or default reimbursements on, or interests or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds. This subparagraph shall not apply to loans which were made or insured prior to October 1, 1980.

“(ii) The rate set under division (i) shall not be less than (I) 2.5 percent per year in the case of loans for which the applicable interest rate is 7 percent per year, (II) 1.5 percent per year in the case of loans for which the applicable interest rate is 8 percent per year, or (III) 0.5 percent in the case of loans for which the applicable rate is 9 percent per year.

“(iii) No special allowance may be paid under this subparagraph unless the issuer of such obligations complies with subsection (c) of this section.

“(C) In the case of loans made pursuant to section 428A or 428B for which the interest rate is determined under section 427A(c)(4), a special allowance shall not be paid unless the rate determined for any 12-month period under subparagraph (B) of such section exceeds 12.5 percent.

“(D)(i) In the case of loans made or purchased directly from funds loaned or advanced pursuant to a qualified State obligation, subparagraph (A)(iii) shall be applied by substituting ‘3.5 percent’ for ‘3.25 percent’.

“(ii) For the purpose of division (i) of this subparagraph, the term ‘qualified State obligation’ means—

“(I) an obligation of the Maine Educational Loan Marketing Corporation to the Student Loan Marketing Association pursuant to an agreement entered into on January 31, 1984; or

“(II) an obligation of the South Carolina Student Loan Corporation to the South Carolina National Bank pursuant to an agreement entered into on July 30, 1986.

“(3) CONTRACTUAL RIGHT OF HOLDERS TO SPECIAL ALLOWANCE.—The holder of an eligible loan shall be deemed to have a contractual right against the United States, during the life of such loan, to receive the special allowance according to the provisions of this section. The special allowance determined for any such 3-month period shall be paid promptly after the close of such period, and without administrative delay after receipt of an accurate and complete request for payment, pursuant to procedures established by regulations promulgated under this section.

“(4) PENALTY FOR LATE PAYMENT.—(A) If payments of the special allowances payable under this section or of interest payments under section 428(a) with respect to a loan have not been made within 30 days after the Secretary has received an accurate, timely, and complete request for payment thereof, the special allowance payable to such holder shall be increased by an amount equal to the daily interest accruing on the special allowance and interest benefits payments due the holder.

“(B) Such daily interest shall be computed at the daily equivalent rate of the sum of the special allowance rate computed pursuant to paragraph (2) and the interest rate applicable to the loan and shall be paid for the later of (i) the 31st day after the receipt of such request for payment from the holder, or (ii) the 31st day after the final day of the period or periods covered by

“(1) DEDUCTION FROM INTEREST AND SPECIAL ALLOWANCE SUBSIDIES.—Notwithstanding subsection (b), the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, to any holder shall be reduced by the Secretary by the amount which the lender is authorized to charge as an origination fee in accordance with paragraph (2) of this subsection. If the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, is less than the amount the lender was authorized to charge borrowers for origination fees in that quarter, the Secretary shall deduct the excess amount from the subsequent quarters’ payments until the total amount has been deducted.

“(2) AMOUNT OF ORIGINATION FEES.—With respect to any loan (other than loans made under sections 428A, 428B, 428C, and 439(o)) for which a completed note or other written evidence of the loan was sent or delivered to the borrower for signing on or after 10 days after the date of enactment of the Postsecondary Student Assistance Amendments of 1981, each eligible lender under this part is authorized to charge the borrower an origination fee in an amount not to exceed 5 percent of the principal amount of the loan, to be deducted proportionately from each installment payment of the proceeds of the loan prior to payment to the borrower.

“(3) RELATION TO APPLICABLE INTEREST.—Such origination fee shall not be taken into account for purposes of determining compliance with section 427A.

“(4) **DISCLOSURE REQUIRED.**—The lender shall disclose to the borrower the amount and method of calculating the origination fee.

“(5) **PROHIBITION ON DEPARTMENT COMPELLING ORIGINATION FEE COLLECTIONS BY LENDERS.**—Nothing in this subsection shall be construed to permit the Secretary to require any lender that is making loans that are insured or guaranteed under this part, but for which no amount will be payable for interest under section 428(a)(3)(A) or for special allowances under subsection (b) of this section, to collect any origination fee or to submit the sums collected as origination fees to the United States. The Secretary shall, not later than January 1, 1987, return to any such lender any such sums collected before the enactment of this paragraph, together with interest thereon.

“(d) **LENDING FROM PROCEEDS OF TAX EXEMPT OBLIGATIONS.**—

“(E) the Authority has a plan under which the Authority will pursue the development of new lender participation in a continuing program of benefits to students together with assurances of existing lender commitments to the program; and

“(F) there will be an annual audit of the Authority by a certified public accounting firm which will include review

of compliance by the Authority with the provisions of the plan.

“(3) **NONDISCRIMINATION.**—In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954, to be eligible to receive a special allowance under subsection (b)(2) of this section on any such loans, the Authority shall not engage in any pattern or practice which results in a denial of a borrower’s access to loans under this part because of the borrower’s race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within the area served by the Authority, length of the borrower’s educational program, or the borrower’s academic year in school.

26 USC 1 et seq.

The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank. To the extent that the average outstanding amount of the obligations owned by the Association pursuant to the authority contained in subsection (d)(1) (B) and (C) of this section and as to which the income is exempt from taxation under the Internal Revenue Code of 1954 does not exceed the average stockholders' equity of the Association, the interest on obligations issued under this paragraph shall not be deemed to be interest on indebtedness incurred or continued to purchase or carry obligations for the purpose of section 265 of the Internal Revenue Code of 1954.

“(2) GUARANTEE OF DEBT.—The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is authorized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations issued by him to the Secretary of the Treasury.

"(4) **ACTION ON REQUEST FOR GUARANTEES.**—Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. “(A) 100 percent of the amount such institution expended under this part for fiscal year 1985, multiplied by

“(B) the institution’s default penalty, as determined under subsection (f),

except that if the institution which has a default rate in excess of the applicable maximum default rate under subsection (g), the institution may not receive an allocation under this paragraph.

“(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1985 but is not a first or second time participant, an amount equal to the greater of—

“(i) \$5,000;

“(ii) an amount equal to (I) 90 percent of the amount received and used under this part in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

“(D) For any fiscal year after a fiscal year in which an institution receives an allocation under subparagraph (A), (B), or (C), the Secretary shall allocate to such institution an amount equal to the product of—

“(i) the amount determined under subparagraph (A), (B), or (C), multiplied by

“(A)(i) that institution's eligible amount (as determined under paragraph (3)), divided by (ii) the sum of the eligible amounts of all institutions (as so determined), multiplied by (iii) the amount

“(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

“(E) add the amounts determined under subparagraph (D) for each income category of dependent students;

“(F) multiply the number of eligible independent students in each income category by the lesser of—

“(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

“(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

“(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

“(H) add the amounts determined under subparagraphs (E) and (G).

“(3) To determine the self-help need of an institution's eligible graduate and professional students, the Secretary, for academic year 1988-1989, shall use the procedures employed for academic year 1986-1987, and, for any subsequent academic years, the Secretary shall—

“(A) establish various income categories for graduate and professional students;

“(C) determine the average cost of attendance for all graduate and professional students;

“(D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

“(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category;

“(F) add the amounts determined under subparagraph (E) for each income category.

“(3)(A) For purposes of paragraphs (2) and (3), the term ‘average cost of attendance’ means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

42 USC 294.

"(b) **APPLICABILITY OF OTHER REQUIREMENTS.**—A lender offering a combined payment plan shall comply with all provisions of section 428C applicable to loans consolidated or to be consolidated and shall comply with all provisions of subpart I of part C of title VII of the Public Health Service Act applicable to loans under that subpart

which are made part of the combined payment plan, except that a lender offering a combined payment plan under this section may offer consolidation loans pursuant to section 428C(b)(1)(A) if such lender holds any outstanding loan of a borrower which is selected for inclusion in a combined payment plan.

“(c) **LENDER ELIGIBILITY.**—Such lender may offer a combined payment plan only if—

“(1) the lender holds an outstanding loan of that borrower which is selected by the borrower for incorporation into a combined payment plan pursuant to this section (including loans which are selected by the borrower for consolidation under this section); or

“(2) the borrower certifies that the borrower has sought and has been unable to obtain a combined payment plan from the holders of the outstanding loans of that borrower.

“(d) **BORROWER SELECTION OF COMPETING OFFERS.**—In the case of multiple offers by lenders to administer a combined payment plan for a borrower, the borrower shall select from among them the lender to administer the combined payment plan including its loan consolidation component.

“(e) **EFFECT OF PLAN.**—Upon selection of a lender to administer the combined payment plan, the lender may reissue any Health Education Assistance Loan selected by the borrower for incorporation in the combined payment plan which is not held by such lender and the proceeds of such reissued loan shall be paid by the lender to the holder or holders of the loans so selected to discharge the liability on such loans, if—

“(1) the lender selected to administer the combined payment plan has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being reissued (A) that the loan is a legal, valid, and binding obligation of the borrower; (B) that each such loan was made and serviced in compliance with applicable laws and regulations; and (C) the insurance on such loan is in full force and effect; and

“(2) the loan being reissued was not in default (as defined in section 733(e)(3) of the Public Health Service Act) at the time the request for a combined payment plan is made.

“(f) **NOTES AND INSURANCE CERTIFICATES.**—(1) Each loan reissued under subsection (e) shall be evidenced by a note executed by the borrower. The Secretary of Health and Human Services shall insure such loan under a certificate of comprehensive insurance with no insurance limit, but any such certificate shall only be issued to an authorized holder of loans insured under subpart I of part C of title VII of the Public Health Service Act (including the Student Loan Marketing Association). Such certificates shall provide that all loans reissued under this section shall be fully insured against loss of principal and interest. Any insurance issued with respect to loans reissued under this section shall be excluded from the limitation on maximum insurance authority set forth in section 728(a) of the Public Health Service Act. Notwithstanding the provisions of section 729(a) of the Public Health Service Act, the reissued loan shall be made in an amount, including outstanding principal, capitalized interest, accrued unpaid interest not yet capitalized, and authorized late charges. The proceeds of each such loan will be paid by the lender to the holder of the original loan being reissued and the borrower's obligation to that holder on that loan shall be discharged.

42 USC 294.

42 USC 294a.

42 USC 294b.

"(2) Except as otherwise specifically provided for under the provisions of this section, the terms of any reissued loan shall be the same as the terms of the original loan. The maximum repayment period for a loan reissued under this section shall not exceed the remainder of the period which would have been permitted on the original loan. If the lender holds more than one loan insured under subpart I of part C of title VII of the Public Health Service Act, the maximum repayment period for all such loans may extend to the latest date permitted for any individual loan. Any reissued loan may be consolidated with any other Health Education Assistance Loan as provided in the Public Health Service Act, and, with the concurrence of the borrower, repayment of any such loans during any period may be made in amounts that are less than the interest that accrues on such loans during that period.

42 USC 294.

42 USC 201 note.

but the Secretary may waive the application of this subsection in cases or classes of cases where laborers or mechanics, not otherwise employed at any time in the construction of such project, voluntarily donate their services without full compensation for the purpose of lowering the costs of construction and the Secretary determines that any amounts saved thereby are fully credited to the educational institution undertaking the construction.
