## DOL Town Hall with Secretary Walsh and Deputy Secretary Su

**This message is intended for all DOL federal employees and contractors**

Dear DOL Colleagues,

I hope you are having a wonderful summer so far. It is hard to believe that it has been almost 5 months since the Secretary first began. He has learned so much from all of you and looks forward to much more in the months and years ahead. The Secretary is looking forward to bringing the Department together again to discuss priorities for the Department moving forward, share his experience over his first few months, and to introduce you to our new Deputy Secretary, Julie Su.

Additionally, representatives from the Office of the Assistant Secretary for Administration and Management (OASAM) and the Occupational Safety and Health Administration (OSHA) will share important office reentry updates. I hope you can join us as we welcome the Deputy Secretary, discuss the critical work and priorities for the coming months, and discuss our plans for increasing onsite presence in our workspaces.

## SAVE THE DATE

### **DOL Town Hall with Secretary Walsh and Deputy Secretary Su**

Featuring reentry updates from OASAM

Thursday, July 22, 2021

1:00pm Eastern Time

Microsoft Teams Live
