

## FCC FORM 323-E

### INSTRUCTIONS FOR OWNERSHIP REPORT FOR NONCOMMERCIAL BROADCAST STATIONS

#### GENERAL INSTRUCTIONS

1. **Definitions.** For the purposes of completing this form:

- (1) A **Licensee** is a natural person or an entity that holds a Commission license for a noncommercial educational broadcast station.
- (2) A **Permittee** is a natural person or an entity that holds a Commission construction permit for a noncommercial educational broadcast station.
- (3) A **Respondent** is any person or entity that is required to file Form 323-E.

2. **Filing Requirements: Non-Biennial Ownership Reports.** Licensees and Permittees of noncommercial educational AM, FM, or full power television stations must file Form 323-E to report all attributable interests in the Licensee or Permittee as follows.

- (1) Transfers of Control/Assignment of License or Construction Permit. Licensees and Permittees must file Form 323-E within 30 days after the consummation of a transfer of control or an assignment of a noncommercial educational AM, FM, or full power television station license or construction permit. *See* 47 C.F.R. Section 73.3615(f). **Note: FCC consent is required prior to consummation of transfers of control/assignments of broadcast authorizations.**
- (2) Post-grant of Construction Permit. A Permittee of a new noncommercial educational AM, FM, or full power television broadcast station must file Form 323-E within 30 days after the grant of an original construction permit. *See* 47 C.F.R. Section 73.3615(e)(i).
- (3) Application for Station License. On the date that a Permittee applies for a license to cover an original construction permit for a new noncommercial educational AM, FM, or full power television broadcast station, the Permittee must file Form 323-E to update its ownership information. A filer may choose to certify the continuing accuracy and completeness of a previously-filed ownership report. If the permit

*was not* assigned or transferred since it was first granted, the filer may certify the continuing accuracy and completeness of a previously-filed report that was submitted pursuant to item (1), above (*i.e.*, a report that was filed in connection with grant of the original construction permit). If the permit *was* assigned or transferred since it was first granted, the filer may certify the continuing accuracy and completeness of a previously-filed report that was submitted pursuant to item (2), above (*i.e.*, a post-consummation ownership report). In either case, the information in the previously-filed report must remain accurate. *See* 47 C.F.R. Section 73.3615(e)(ii).

In the case of organizational structures that include holding companies or other forms of indirect ownership, a separate FCC Form 323-E must be filed for each entity in the organizational structure that has an attributable interest in the Licensee or Permittee. If a Permittee or Licensee holds multiple construction permits and/or station licenses for which the filing of a non-biennial ownership report was triggered pursuant to (1), (2), or (3), above, and the information submitted on the Permittee's or Licensee's ownership report is equally applicable to each such permit and/or license, the Licensee or Permittee may file a single Form 323-E listing all such licenses and/or permits. Similarly, if a non-Licensee/Permittee Respondent holds attributable interests in multiple Licensees or Permittees and the information submitted on the Respondent's ownership report is equally applicable to each such Licensee/Permittee and all associated licenses/permits, the Respondent may file a single Form 323-E listing all such Licensees/Permittees and licenses/permits. Notwithstanding the foregoing, any Respondent that both (1) is a Licensee and/or Permittee and (2) holds attributable interests in one or more Licensees and/or Permittees must file two ownership reports – one as a Licensee/Permittee and one as a non-Licensee/Permittee Respondent.

3. This form is not to be used to request a transfer of control or assignment of license or construction permit. The appropriate forms for use in connection with such transfers or assignments are FCC Forms 314, 315, and/or 316. *See* 47 C.F.R. Sections 73.3540 and 73.3541. It is the responsibility of the Licensee or Permittee to

determine if a given transaction constitutes a transfer of control or an assignment.

**4. Filing Requirements: Biennial Reports.** Licensees of noncommercial educational AM, FM, and full power television broadcast stations, as well as Licensees of Class A Television and Low Power Television (LPTV) stations, must file FCC Form 323-E every two years to report all attributable interests in the Licensee. Ownership reports must be filed by December 1 in all odd-numbered years. The information in each ownership report shall be current as of October 1 of the year in which the ownership report is filed. *See* 47 C.F.R. Section 73.3615(d).

In the case of organizational structures that include holding companies or other forms of indirect ownership, a separate FCC Form 323-E must be filed for each entity in the organizational structure that has an attributable interest in the Licensee. If a Licensee holds multiple station licenses and the information submitted on the Licensee's ownership report is equally applicable to each such license, the Licensee may file a single Form 323-E listing all such licenses. Similarly, if a non-Licensee Respondent holds attributable interests in multiple Licensees and the information submitted on the Respondent's ownership report is equally applicable to each such Licensee and all licenses, the Respondent may file a single Form 323-E listing all such Licensees and licenses. Notwithstanding the foregoing, any Respondent that both (1) is a Licensee and (2) holds attributable interests in one or more Licensees must file two ownership reports – one as a Licensee and one as a non-Licensee Respondent.

If there has been no change in the information submitted since the filing of the last biennial report, and that last biennial report was filed electronically via the Commission's Licensing and Management System (LMS) using the current version of Form 323-E, a Licensee or other Respondent may electronically validate and resubmit its previously-filed biennial Form 323-E.

**5. Electronic Filing of FCC Form 323-E.** All Form 323-E filings must be submitted electronically. Use the Media Bureau electronic filing system (<http://www.fcc.gov/encyclopedia/media-bureau-filing-systems-and-databases>).

## **SECTION I – GENERAL INFORMATION (All Respondents Must Complete)**

**Respondent and Contact Representative.** Enter the legal name, address, contact information and FCC Registration Number (FRN) of the Respondent. Also

provide the name, organization, and contact information for the Respondent's representative.

**Licensee/Permittee Respondents.** The name of the Licensee or Permittee should be stated exactly as it appears on the station's existing license or construction permit. The current street address or post office box used by the Licensee or Permittee for receipt of Commission correspondence should be set forth. Any change in the name of the Licensee or Permittee, which does not involve a change in ownership requiring prior Commission approval, can be communicated to the Commission by letter. Changes in the mailing address previously used by the Licensee or Permittee should be promptly transmitted to the Commission. *See* 47 C.F.R. Section 1.5. Licensees and permittees should submit address changes via the Media Bureau electronic filing system (<http://www.fcc.gov/encyclopedia/media-bureau-filing-systems-and-databases>).

**FRN.** The Respondent must provide its FRN – a ten-digit unique entity identifier. An FRN can be obtained through the Commission Registration System (CORES), which is listed among the FCC E-Filing systems (<https://www.fcc.gov/licensing-databases/general/online-filing>).

If a Respondent submits and/or is listed as an attributable interest holder on multiple ownership reports, it must provide the same FRN on all such ownership reports. Filers should coordinate with each other to ensure such consistency.

Questions concerning CORES FRNs can be directed to the CORES help desk via email at [CORES@fcc.gov](mailto:CORES@fcc.gov) or by calling 1-877-480-3201 (Mon.-Fri. 8 a.m.-6 p.m. ET).

**Respondent and Report Information.** Select the appropriate option to indicate whether the Respondent, is

- (1) a Licensee;
- (2) a Permittee (non-biennial reports only); or
- (3) an entity required to file a Form 323-E because it holds an attributable interest in one or more Licensees or, in the case of non-biennial reports, Permittees.

Also indicate whether the Respondent's governing board (or other governing entity) is directly or indirectly under the control of another entity. **If "yes" is selected, a separate Form 323-E must be submitted for each such controlling entity.**

Indicate whether the report is (1) filed to satisfy the biennial filing requirement; (2) a validation and resubmission of a previously-filed biennial report (certifying no change from the previously-filed biennial report), (3) filed in connection with a transfer of control or assignment of permit or license, (4) a report by a Permittee within 30 days after the grant of a construction permit; (5) a report in conjunction with a Permittee's application for a station license, or (6) a certification of accuracy of a previously filed ownership report by a Permittee (report in conjunction with a Permittee's application for a station license). Purposes (1) and (2) apply only to biennial filings, while purposes (3) – (6) apply only to non-biennial filings.

A Respondent with a current and unamended biennial ownership report on file with the Commission that is still accurate and that was filed using the current electronic version of Form 323-E may select option (2) to validate and resubmit the Respondent's previously-filed biennial ownership report. A Respondent that selects this option will not be permitted to make changes to the information provided under Licensee/Permittee and License/Permit Information or to Section II-B of the new report. If such changes are needed, the Respondent should NOT select option (2) but instead should make use of the report copying/prefiling capabilities within LMS to create the new report.

If a report is filed pursuant to option (6), provide the file number of the previously-filed report that is being certified. A Respondent that selects this option will not be permitted to make changes to the information provided under Licensee/Permittee and License/Permit Information or to Section II-A of the new report. If such changes are needed, the Respondent should NOT select option (6) and should instead select option (5) and make use of the report copying/ prefiling capabilities within LMS to create the new report.

Respondents may also amend a previously filed ownership report. Respondents should select this option *only if* the purpose of the filing is to correct one or more errors in a previously-submitted report. Filing an amendment will update the previously-filed report, and the resulting report will have the same file number as the previously-filed report. When submitting an amendment, a Respondent must provide the File Number of the previously-filed report and an exhibit listing the portions of the previous report that are being revised. A Respondent that wishes to create a *new* report based on data contained in a previously-submitted report should NOT amend the previously-submitted report. Instead, the Respondent should make use of the report copying/

prefiling capabilities within the LMS to create the new report.

Also enter the "as of" date in the field provided. When filing a biennial ownership report, the date entered must be Oct. 1 of the filing year.

#### **Licensee/Permittee and License/Permit Information.**

All Licensee/Permittee Respondents must enter the name and FRN of the Licensee/Permittee and provide information for each license/permit held by the Licensee/Permittee and covered by the ownership report, including call sign, Facility ID Number, community of license, and class of service. All non-Licensee/Permittee Respondents must enter the name and FRN for each Licensee/Permittee covered by the ownership report. In addition, such Respondents must provide the required information for each license/permit that is held by one of those Licensee(s)/Permittee(s) and covered by the ownership report.

Facility ID Number. Facility ID numbers can be located by using the "Station Search" at the Media Bureau electronic filing system (<http://www.fcc.gov/encyclopedia/media-bureau-filing-systems-and-databases>). In addition, the Facility ID Number is included on all broadcast authorizations and postcards.

FRN. Filers must provide an FRN – a ten-digit unique identifier – for each licensee/permittee that appears on the report. An FRN can be obtained through the CORES, which is listed among the FCC E-Filing systems (<https://www.fcc.gov/licensing-databases/general/online-filing>).

Questions concerning CORES FRNs can be directed to the CORES help desk via email at [CORES@fcc.gov](mailto:CORES@fcc.gov) or by calling 1-877-480-3201 (Mon.-Fri. 8 a.m.-6 p.m. ET).

#### **SECTION II-A – NON-BIENNIAL OWNERSHIP INFORMATION**

**Contract Information.** Licensees and Permittees of full power noncommercial educational television stations, AM radio stations, and FM radio stations are required to provide to the Commission upon request copies of any contracts or other instruments, or modifications thereof, relating to the ownership, control, or management of the Licensee or Permittee or to its stock. *See* 47 C.F.R. Section 73.3613. Licensees and Permittees must provide the Commission with copies of all contracts or instruments of the types specified in Section 73.3613 within seven days of a request by the FCC. The filing requirement is not limited to executed contracts, but

includes documents such as options, pledges, and other executory agreements and contracts relating to ownership, control, or management.

Licensee/Permittee Respondents should list all documents set forth in Section 73.3613(a) through (c) for all of the stations covered by the report. For each contract or instrument, the Respondent should provide a description of the document, a listing of the parties, the month and year of execution, and the month and year of expiration (if the agreement is perpetual or does not have a fixed expiration date, select “No Expiration Date”). In addition, the Respondent should indicate whether each document is a network affiliation agreement or another type of document. If “other” is selected, filers may use the text box to provide additional information about the agreement. Each contract/instrument must be identified and listed directly in the fields provided. **For the purposes of completing this question only a listing of the relevant contract and instruments, including the specific information discussed above, is required. Do not attach copies of the contracts/instruments to the form.**

This question does not apply to non-Licensee/Permittee Respondents.

**Ownership Interests.** As used in this question, an attributable interest is an ownership interest in or relationship to a Licensee that confers on its holder a certain degree of influence or control over the Licensee as defined in the Commission’s rules. For guidance concerning attributable interests, Respondents should consult the instructions below. In addition, Respondents should review the Commission’s attribution policies and standards, which are set forth in 47 C.F.R. Section 73.3555, as revised and explained in *Review of the Commission’s Regulations Governing Attribution of Broadcast and Cable/MDS Interests*, MM Docket No. 94-150, 14 FCC Rcd 12559 (1999), *recon. granted in part*, 16 FCC Rcd 1097 (2000) and *Report and Order* in MM Docket No. 83-46, 97 FCC 2d 997 (1984), *recon. granted in part*, 58 RR 2d 604 (1985), *further modified on recon.*, 61 RR 2d 739 (1986). Finally, Respondents should consult *Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Second Report and Order, and Order on Reconsideration, 31 FCC Rcd 398, 422-24, paras. 47-50 (2016).

**Part (a).** Respondents must enter detailed information about ownership interests by generating a series of subforms. Answer each item on each subform. The first subform listing should be for the Respondent itself. If the Respondent is not a natural person, also list each of the officers, directors, stockholders, non-insulated partners,

non-insulated members and other persons or entities with a direct attributable interest in the Respondent. (A “direct” interest is one that is not held through any intervening companies or entities.) In the case of vertical or indirect ownership structures, report only those interests in the Respondent that also represent an attributable interest in the Licensee(s) and/or Permittee(s) for which the report is being submitted.

List each person or entity with a direct attributable interest in the Respondent separately. Entities that are part of an organizational structure that includes holding companies or other forms of indirect ownership must file separate ownership reports. In such a structure, do not report or file separate reports for persons or entities that do not have an attributable interest in the Licensee(s) and/or Permittee(s) for which the report is being submitted.

**Attributable Agreements.** Pursuant to Section 73.3555, Notes 2(j) and 2(k), certain agreements give rise to an attributable interest in a Licensee or Permittee. Any party to such agreement that creates an attributable interest in the Licensee/Permittee by virtue of the standards set forth in 73.3555, Notes 2(j) and 2(k) must be listed in the Ownership Interests Section of the report filed by the Licensee/Permittee – regardless of whether or not the Licensee/Permittee itself is a party to the agreement(s). In addition, each such party must file its own ownership report(s), pursuant to the standards set forth in these Instructions, in connection with the relevant Licensee/Permittee and license(s)/permit(s).

**FRNs.** Respondents must provide an FRN – a ten-digit unique identifier – for each entity reported on Form 323-E. An FRN can be obtained through CORES, which is listed among the FCC E-Filing systems (<https://www.fcc.gov/licensing-databases/general/online-filing>).

For each individual (but not entities) reported on Form 323-E, a Respondent must provide a CORES FRN, a Restricted Use FRN (RUFN), or a Special Use FRN (SUFN). While Respondents are encouraged to report either a CORES FRN or RUFN for each individual on Form 323-E, Respondents also have the option of reporting an SUFN for an individual interest holder. However, if an individual has already obtained an RUFN or CORES FRN (or if an RUFN or CORES FRN has already been obtained on behalf of an individual), the Respondent must report that existing RUFN or CORES FRN for that individual. If an RUFN or CORES FRN has been previously reported for an individual on one or more ownership report filings (either commercial or noncommercial), the Respondent must use that previously-reported RUFN or CORES

FRN for that individual on all current and future ownership report filings.

Before generating or submitting an SUFRN for an individual, Respondents should read the Commission's Form 323 and Form 323-E Frequently Asked Questions concerning the SUFRN (<https://www.fcc.gov/media/ownership-report-commercial-broadcast-station-form-323>). By reporting an SUFRN for an individual, the Respondent affirms to the Commission that the Respondent attempted and was unable to identify an existing CORES FRN or RUFNR for that individual based on previous ownership reports and information that is publicly available in the CORES database. See *Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Order on Reconsideration, 32 FCC Rcd 3440, 3448, para. 13 (2017).

The Commission reminds filers of their obligation to review the ownership report and affirm that, to the best of the filer's "knowledge and belief, all statements in [the ownership report] are true, correct, and complete." This includes verifying that the CORES FRN or RUFNR reported for each reported party is correct and that no SUFRN has been used for an individual who has previously been reported with a CORES FRN or RUFNR on one or more ownership report filings (either commercial or noncommercial) or who has an assigned CORES FRN or RUFNR that is publicly available in the CORES.

If an SUFRN has not been reported previously for an individual on any ownership report filings (either commercial or noncommercial), and, pursuant to the instructions and standards set forth above, the Respondent determines that the individual does not have an existing CORES FRN or RUFNR, the Respondent may click the button on the relevant subform for Part (a) to generate an SUFRN for that individual. If an SUFRN has been previously reported for an individual on one or more ownership report filings (either commercial or noncommercial) and, pursuant to the discussion and standards set forth above, the Respondent determines that the individual does not have an existing CORES FRN or RUFNR, the Respondent must report the previously-used SUFRN for the individual.

RUFNRs and SUFRNs may only be used to file ownership reports, and may not be used for any other purpose at the FCC. RUFNRs and SUFRNs are only available for natural persons. In addition, RUFNRs and SUFRNs are not available for any natural person who is a Respondent on one or more ownership reports.

If a party submits and/or is listed as an attributable interest holder on multiple ownership reports, it must provide the same FRN on all such ownership reports, regardless of whether that FRN is a CORES FRN, RUFNR, or SUFRN. Filers should coordinate with each other to ensure such consistency.

The guidance concerning SUFRNs provided in *Media Bureau Announces Online Availability of Revised Biennial Form 323, an Instructional Workshop on the Revised Form, and the Possibility of Obtaining a Special Use FRN for the Form*, MB Docket No. 07-294, Public Notice, 24 FCC Rcd 14329 (Med. Bur. 2009) has been superseded as discussed herein and as provided in *Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Second Report and Order, and Order on Reconsideration, 31 FCC Rcd 398 (2016), *recon. granted in part*, Order on Reconsideration, 32 FCC Rcd 3440 (2017).

Questions concerning CORES FRNs and RUFNRs can be directed to the CORES help desk via email at [CORES@fcc.gov](mailto:CORES@fcc.gov) or by calling 1-877-480-3201 (Mon.-Fri. 8 a.m.-6 p.m. ET).

**Address Information.** Provide address information for the interest holder in the relevant fields.

**Listing Type.** Indicate whether the interest holder is the Respondent on the report. Respondent interest holders should be identified on the first subform of Part (a).

**Positional Interests:** For each interest holder other than the Respondent, check the boxes for each type of interest in the Respondent held by the interest holder. If "other" is selected, specify the interest type.

**Principal Profession or Occupation:** Indicate the principal profession or occupation of the reported individual. Interest holders that are not natural persons are not required to answer this item.

**By Whom Appointed or Elected:** Indicate the person(s) responsible for appointing or electing the reported individual. Interest holders that are not natural persons are not required to answer this item.

**Percentages of Votes and Total Assets (Equity Debt Plus).** For each interest holder other than the Respondent, provide the interest holder's voting percentage in the Respondent in the field provided. If the interest holder holds an attributable interest in the Respondent solely pursuant to the Commission's Equity Debt Plus attribution standard, provide the interest holder's percentage of total assets (Equity Debt Plus) in the field

provided. Otherwise, leave the total assets (Equity Debt Plus) field blank.

**Other Broadcast Interests.** Use the radio buttons on the subform to indicate whether the interest holder reported on that subform also has attributable interests in one or more broadcast stations other than those covered by the current ownership report.

**Part (b).** Respondents must indicate that the information provided in Part (a) of this question is complete by certifying that all interests, including equity, financial, or voting interests, not reported in response to Part (a) are non-attributable.

**Part (c).** If the Respondent seeks an attribution exemption for any officer or member of the governing board (or other governing entity) with duties wholly unrelated to the Licensee(s)/Permittee(s), select “Yes” and enter the name and title of the each such individual in the applicable fields. For each such individual, provide an exhibit establishing that he or she will not exercise authority or influence in areas that will affect the Respondent or the Licensee(s)/Permittee(s) and station(s) covered by the report. This exhibit should describe that individual’s duties and responsibilities and explain the manner in which such individual is insulated from the Respondent and, therefore, should not be attributed an interest.

When responding to Part (c), Respondents should note that exemption from attribution cannot be invoked for an officer or member of the governing board (or other governing entity) unless he or she does not, and will not, have the ability to influence the broadcast operations of the Permittee(s)/Licensee(s) or Station(s). *See* 47 C.F.R. § 73.3555, Note 2(g).

## **SECTION II-B – BIENNIAL OWNERSHIP INFORMATION**

**Contract Information.** Licensees of full power noncommercial educational television stations, AM radio stations, and FM radio stations are required to provide to the Commission upon request copies of any contracts or other instruments, or modifications thereof, relating to the ownership, control, or management of the Licensee or to its stock. *See* 47 C.F.R. Section 73.3613. Licensees must provide the Commission with copies of all contracts or instruments of the types specified in Section 73.3613 within seven days of a request by the FCC. The filing requirement is not limited to executed contracts, but includes documents such as options, pledges, and other executory agreements and contracts relating to ownership, control, or management.

Licensee Respondents that hold one or more licenses for full power noncommercial educational television stations, AM radio stations, and/or FM radio stations should list all documents set forth in Section 73.3613(a) through (c) for all of the stations covered by the report. For each contract or instrument, the Respondent should provide a description of the document, a listing of the parties, the month and year of execution, and the month and year of expiration (if the agreement is perpetual or does not have a fixed expiration date, select “No Expiration Date”). In addition, the Respondent should indicate whether each document is a network affiliation agreement or another type of document. If “other” is selected, filers may use the text box to provide additional information about the agreement. Each contract/instrument must be identified and listed directly in the fields provided. **For the purposes of completing this question only a listing of the relevant contract and instruments, including the specific information discussed above, is required. Do not attach copies of the contracts/instruments to the form.**

Licensee respondents that hold only authorizations for Class A Television or LPTV stations should select “Not Applicable” in response to this question and should not provide any information concerning contracts or other instruments.

This question does not apply to non-Licensee Respondents.

**Ownership Interests.** As used this question, an attributable interest is an ownership interest in or relationship to a Licensee that confers on its holder a certain degree of influence or control over the Licensee as defined in the Commission’s rules. For guidance concerning attributable interests, Respondents should consult the instructions below. In addition, Respondents should review the Commission’s attribution policies and standards, which are set forth in 47 C.F.R. Section 73.3555, as revised and explained in *Review of the Commission’s Regulations Governing Attribution of Broadcast and Cable/MDS Interests*, MM Docket No. 94-150, 14 FCC Rcd 12559 (1999), *recon. granted in part*, 16 FCC Rcd 1097 (2000) and *Report and Order* in MM Docket No. 83-46, 97 FCC 2d 997 (1984), *recon. granted in part*, 58 RR 2d 604 (1985), *further modified on recon.*, 61 RR 2d 739 (1986). Finally, Respondents should consult *Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Second Report and Order, and Order on Reconsideration, 31 FCC Rcd 398, 422-24, paras. 47-50 (2016).

**Part (a).** Respondents must enter detailed information about ownership interests by generating a series of subforms. Answer each item on each subform. The first subform listing should be for the Respondent itself. If the Respondent is not a natural person, also list each of the officers, directors, stockholders, non-insulated partners, non-insulated members and other persons or entities with a direct attributable interest in the Respondent. (A “direct” interest is one that is not held through any intervening companies or entities.) In the case of vertical or indirect ownership structures, report only those interests in the Respondent that also represent an attributable interest in the Licensee(s) for which the report is being submitted.

List each person or entity with a direct attributable interest in the Respondent separately. Entities that are part of an organizational structure that includes holding companies or other forms of indirect ownership must file separate ownership reports. In such a structure, do not report or file separate reports for persons or entities that do not have an attributable interest in the Licensee(s) for which the report is being submitted.

**Attributable Agreements.** Pursuant to Section 73.3555, Notes 2(j) and 2(k), certain agreements give rise to an attributable interest in a Licensee. Any party to such agreement that is attributable in the Licensee by virtue of the standards set forth in 73.3555, Notes 2(j) and 2(k) must be listed in the Ownership Interests Section of the report filed by the Licensee – regardless of whether or not the Licensee itself is a party to the agreement(s). In addition, each such party must file its own ownership report(s), pursuant to the standards set forth in these Instructions, in connection with the relevant Licensee(s) and license(s).

**FRNs.** Respondents must provide an FRN – a ten-digit unique identifier – for each entity reported on Form 323-E. An FRN can be obtained through the Commission Registration System, CORES, which is listed among the FCC E-Filing systems (<https://www.fcc.gov/licensing-databases/general/online-filing>).

For each individual (but not entities) reported on Form 323-E, a Respondent must provide a CORES FRN, a Restricted Use FRN (RUFN), or a Special Use FRN (SUFN). While Respondents are encouraged to report either a CORES FRN or RUFN for each individual on Form 323-E, Respondents also have the option of reporting an SUFN for an individual interest holder. However, if an individual has already obtained an RUFN or CORES FRN (or if an RUFN or CORES FRN has already been obtained on behalf of an individual), the Respondent must report that existing

RUFN or CORES FRN for that individual. If an RUFN or CORES FRN has been previously reported for an individual on one or more ownership report filings (either commercial or noncommercial), the Respondent must use that previously-reported RUFN or CORES FRN for that individual on all current and future ownership report filings.

Before generating or submitting an SUFN for an individual, Respondents should read the Commission’s Form 323 and Form 323-E Frequently Asked Questions concerning the SUFN (<https://www.fcc.gov/media/ownership-report-commercial-broadcast-station-form-323>). By reporting an SUFN for an individual, the Respondent affirms to the Commission the Respondent attempted and was unable to identify an existing CORES FRN or RUFN for that individual based on previous ownership reports and information that is publicly available in the CORES database. *See Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Order on Reconsideration, 32 FCC Rcd 3440, 3447, para. 13 (2017).

The Commission reminds filers of their obligation to review the ownership report and affirm that, to the best of the filer’s “knowledge and belief, all statements in [the ownership report] are true, correct, and complete.” This includes verifying that the CORES FRN or RUFN reported for each reported party is correct and that no SUFN has been used for an individual who has previously been reported with a CORES FRN or RUFN on one or more ownership report filings (either commercial or noncommercial) or who has an assigned CORES FRN or RUFN that is publicly available in the CORES database.

If an SUFN has not been reported previously for an individual on any ownership report filings (either commercial or noncommercial), and, pursuant to the instructions and standards set forth above, the Respondent that the individual does not have an existing CORES FRN or, the Respondent may click the button on the relevant subform for Part (a) to generate an SUFN for that individual. If an SUFN has been previously reported for an individual on one or more ownership report filings (either commercial or noncommercial) and, pursuant to the discussion and standards set forth above, the Respondent determines that the individual does not have an existing CORES FRN or RUFN, the Respondent must report the previously-used SUFN for the individual.

RUFNs and SUFNs may only be used to file ownership reports, and may not be used for any other

purpose at the FCC. RUFNRs and SUFRNs are only available for natural persons. In addition, RUFNRs and SUFRNs are not available for any natural person who is a Respondent on one or more ownership reports.

If a party submits and/or is listed as an attributable interest holder on multiple ownership reports, it must provide the same FRN on all such ownership reports, regardless of whether that FRN is a CORES FRN, RUFNR, or SUFRN. Filers should coordinate with each other to ensure such consistency.

The guidance concerning SUFRNs provided in *Media Bureau Announces Online Availability of Revised Biennial Form 323, an Instructional Workshop on the Revised Form, and the Possibility of Obtaining a Special Use FRN for the Form*, MB Docket No. 07-294, Public Notice, 24 FCC Rcd 14329 (Med. Bur. 2009) has been superseded as discussed herein and as provided in *Promoting Diversification of Ownership in the Broadcasting Services*, MB Docket No. 07-294, Second Report and Order, and Order on Reconsideration, 31 FCC Rcd 398 (2016), *recon. granted in part*, Order on Reconsideration, 32 FCC Rcd 3440 (2017).

Questions concerning CORES FRNs and RUFNRs can be directed to the CORES help desk via email at [CORES@fcc.gov](mailto:CORES@fcc.gov) or by calling 1-877-480-3201 (Mon.-Fri. 8 a.m.-6 p.m. ET).

**Address Information.** Provide address information for the interest holder in the relevant fields.

**Listing Type.** Indicate whether the interest holder is the Respondent on the report. Respondent interest holders should be identified on the first subform of Part (a).

**Positional Interests.** For each interest holder other than the Respondent, check the boxes for each type of interest in the Respondent held by the interest holder. If “other” is selected, specify the interest type.

**Principal Profession or Occupation.** Indicate the principal profession or occupation of the reported individual. Interest holders that are not natural persons are not required to answer this item.

**By Whom Appointed or Elected.** Indicate the person(s) responsible for appointing or electing the reported individual. Interest holders that are not natural persons are not required to answer this item.

**Citizenship, Gender, Ethnicity, and Race Information.** Among other things, Part (a) seeks information as to those persons to which the Commission’s minority and female

ownership policies have historically applied. In addition to citizenship and gender information, Part (a) seeks information concerning the ethnicity and race of reported individuals. Interest holders that are not natural persons are not required to answer this item.

**Ethnicity.** Indicate whether or not the individual being reported is Hispanic or Latino (*i.e.*, a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish Culture or origin, regardless of race).

**Race.** The five racial categories are as follows:

- (1) *American Indian or Alaska Native.* A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
- (2) *Asian.* A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- (3) *Black or African American.* A person having origins in any of the black racial groups of Africa.
- (4) *Native Hawaiian or Other Pacific Islander.* A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- (5) *White.* A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Check all racial categories that apply to the individual being reported.

**Tribal Nation or Tribal Entity.** The Respondent may use the checkbox provided to identify any entity reported in response to Part (a) that is a Tribal Nation or Tribal entity. For purposes of this item, a Tribal Nation or Tribal entity means any Indian or Alaska Native Tribe, band, nation, pueblo, village or community which is acknowledged by the federal government to constitute a government-to-government relationship with the United States and eligible for the programs and services established by the United States for Indians. *See The Federally Recognized Indian Tribe List Act of 1994* (Indian Tribe Act), Pub. L. 103-454, 108 Stat. 4791 (1994) (the Secretary of the Interior is required to publish in the Federal Register an annual list of all Indian Tribes

which the Secretary recognizes to be eligible for the special programs and services provided by the United States to Indians because of their status as Indians); *Statement of Policy on Establishing a Government-to-Government Relationship with Indian Tribes*, Policy Statement, 16 FCC Rcd 4078, 4080 (2000); *see also* 47 C.F.R. §§ 73.3573(f)(6) & Note 5, 73.7000.

**Percentages of Votes, Equity, and Total Assets (Equity Debt Plus).** For each interest holder other than the Respondent, provide the interest holder's voting and equity percentages in the Respondent in the fields provided. If the interest holder holds an attributable interest in the Respondent solely pursuant to the Commission's Equity Debt Plus attribution standard, provide the interest holder's percentage of total assets (Equity Debt Plus) in the field provided. Otherwise, leave the total assets (Equity Debt Plus) field blank.

**Other Broadcast Interests.** Use the radio buttons on the subform to indicate whether the interest holder reported on that subform also has attributable interests in one or more broadcast stations other than those covered by the current ownership report.

**Part (b).** Respondents must indicate that the information provided in Part (a) of this question is complete by certifying that all interests, including equity, financial, or voting interests, not reported in response to Part (a) are non-attributable.

**Part (c).** If the Respondent seeks an attribution exemption for any officer or member of the governing board (or other governing entity) with duties wholly unrelated to the Licensee(s)/Permittee(s), select "Yes" and enter the name and title of the each such individual in the applicable fields. For each such individual, provide an exhibit establishing that he or she will not exercise authority or influence in areas that will affect the Respondent or the Licensee(s)/Permittee(s) and station(s) covered by the report. This exhibit should describe that individual's duties and responsibilities and explain the manner in which such individual is insulated from the Respondent and, therefore, should not be attributed an interest.

When responding to Part (c), Respondents should note that exemption from attribution cannot be invoked for an officer or member of the governing board (or other governing entity) unless he or she does not, and will not, have the ability to influence the broadcast operations of the Permittee(s)/Licensee(s) or Station(s). *See* 47 C.F.R. § 73.3555, Note 2(g).

**Licensee Ownership Structure Chart.** Licensees must include as an attachment a chart or similar document showing the Licensee's vertical or other ownership structure including the Licensee and all entities that have attributable interests in the Licensee. Any chart format is acceptable provided that it (a) meets the technical requirements for the submission of attachments via the Commission's online filing system; and (b) accurately depicts the Licensee's **complete** ownership structure, as described above. Licensee Respondents with a single parent entity may provide a brief explanatory textual exhibit in lieu of a flowchart or similar document. Licensee Respondents with no parent entities should so indicate in a textual exhibit. This question does not apply to non-Licensee Respondents.

### **SECTION III – CERTIFICATION (All Respondents Must Complete)**

The person certifying the accuracy of the information in this report must be the individual Licensee or Permittee, an appropriate officer or member of the governing board (or other governing entity) of the Licensee or Permittee. If this report is filed for a Respondent that is not a Licensee or Permittee, the person certifying the accuracy of the information must be an appropriate officer or member of the governing board (or other governing entity) of the Respondent. The date of the signature must be no earlier than Oct. 1 of the filing year when filing a biennial ownership report.

The Federal Communications Commission (FCC or Commission) is soliciting this information under authority of Sections 1, 2(a), 4(i), 257, 303(r), 307, 309, and 310 of the Communications Act of 1934, as amended, as part of its responsibilities that relate to the ownership of non-commercial broadcast stations, including radio and television stations. The Commission needs this information to process FCC Form 323-E, “Ownership Report for Noncommercial Broadcast Stations.”

The authority under which the FCC requires filers to comply with the requirements of FCC Form 323-E, “Ownership Report for Noncommercial Broadcast Stations,” including the submission of their personally identifiable information, is derived from 47 C.F.R. Sections 73.3555 and 73.3615.

The Commission uses these records in this system:

1. To assess the data contained in responses to FCC Form 323-E, “Ownership Report for Noncommercial Broadcast Stations,” which the Commission uses to undertake studies of minority and female ownership that include but are not limited to: Studies that support the Commission’s diversity policy goals and other ownership studies to support its statutory requirement to review the media ownership rules quadrennially to determine whether they are necessary in the public interest as the result of competition. This form is filed:
  - (a) To satisfy the biennial filing requirement (Biennial Ownership Report);
  - (b) As a validation and resubmission of a previously filed Biennial Ownership Report;

  - (f) As an amendment of a previously filed Ownership Report.
2. Any other uses of FCC Form 323-E within the Commission’s authority.

The PII that is contained in FCC Form 323-E and the PII that may be stored in the Commission’s information system(s) are covered by the FCC system of records notice, FCC/MB-1, “Ownership Reports for Commercial

and Non-Commercial Broadcast Stations.” In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed to authorized entities, as is determined to be relevant and necessary, outside the FCC as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows. In each of these cases, the FCC will determine whether disclosure of the records is compatible with the purpose for which the records were collected.

1. Public Access – documents filed in LMS are publicly available via the Commission’s web site;
2. Adjudication and Litigation – to the Department of Justice (DOJ), or other administrative body before which the FCC is authorized to appear, when: (a) the FCC or any component thereof; or (b) any employee of the FCC in his or her official capacity; or (c) any employee of the FCC in his or her individual capacity where DOJ or the FCC has agreed to represent the employee; or (d) the United States is a party to litigation or has an interest in such litigation, and the use of such records by the DOJ or the FCC is deemed by the FCC to be relevant and necessary to the litigation;
3. Financial obligations under the Debt Collection Acts –to other Federal agencies for the purpose of collecting and reporting on delinquent debts as authorized by the Debt Collection Act of 1982 or the Debt Collection Improvement Act of 1996. A record from this system may be disclosed to any Federal, state, or local agency to conduct an authorized computer matching program in compliance with the Privacy Act of 1974, as amended, to identify and locate individuals who are delinquent in their repayment of certain debts owed to the U.S. Government. A record from this system may be used to prepare information on items considered income for taxation purposes to be disclosed to Federal, state, and local governments;
4. Law enforcement and Investigation – to disclose pertinent information to the appropriate Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing a statute, rule, regulation, or order, where the FCC becomes aware of an indication of a violation or a potential violation of a civil or criminal law or regulation;

5. Congressional Inquiries – to provide information to a Congressional office from the record of an individual in response to an inquiry made from that Congressional office made at the request of that individual;
6. Government-wide Program Management and Oversight – to the National Archives and Records Administration for use in its records management inspections; to the Government Accountability Office (GAO) for oversight purposes; to DOJ in order to obtain that department’s advice regarding disclosure obligations under the Freedom of Information Act; or to the Office of Management and Budget in order to obtain that office’s advice regarding obligations under the Privacy Act;

## 2. Ownership Interests

**(a) Ownership Interests.** This Question requires Respondents to enter detailed information about ownership interests by generating a series of subforms. Answer each question on each subform. The first subform listing should be for the Respondent itself. If the Respondent is not a natural person, also list each of the officers, members of the governing board, stockholders, and any other persons or entities with a direct attributable interest in the Respondent pursuant to the standards set forth in 47 C.F.R. Section 73.3555. (A “direct” interest is one that is not held through any intervening companies or entities.) List each interest holder with a direct attributable interest in the Respondent separately.

Leave the percentage of total assets (Equity Debt Plus) field blank for an interest holder unless that interest holder has an attributable interest in the Respondent solely on the basis of the Commission’s Equity Debt Plus attribution standard, 47 C.F.R. Section 73.3555, Note 2(i).

In the case of vertical or indirect ownership structures, list only those interests in the Respondent that also represent an attributable interest in the Licensee(s) or Permittee(s) for which the report is being submitted.

Entities that are part of an organizational structure that includes holding companies or other forms of indirect ownership must file separate ownership reports. In such a structure do not report, or file a separate report for, any interest holder that does not have an attributable interest in the Licensee(s) or Permittee(s) for which the report is being submitted.

Please see the Instructions for further detail concerning interests that must be reported in response to this question.

The Respondent must provide an FCC Registration Number for each interest holder reported in response to this question. Please see the Instructions for detailed information and guidance concerning this requirement.
