Supporting Recognition of Ukrainian Qualifications

6 April 2022
10:30 - 12:00 CEST
(Central European Summer Time)

WEBINAR

The Directorate-General for Education, Youth, Sport and Culture (DG EAC) of the European Commission in cooperation with CIMEA, the Italian ENIC-NARIC centre, is organising a webinar on the Ukrainian higher education system, its qualifications (including qualifications granting access to higher education), tools for verification and information resources with the scope of providing information to support recognition of Ukrainian qualifications.

The webinar will take place on 6 April at 10:30-12:00 CEST on Zoom.

This event is open to higher education institutions, public bodies, and organisations involved in the recognition of qualifications at different levels. It is online and free of charge.
