

Dear Domain Name Industry Stakeholder:

We are excited to share that we will be offering a day of learning about DNS Abuse. We will be discussing the [proposed amendments](#) to the RAA and RA and learning more about ways to better identify and mitigate DNS Abuse by registrars and registries.

The hybrid event will start on Monday, 4 September, 2023, and will be held at [Meliá Danang Beach Resort](#) in Vietnam. The event will be held in connection with the [ICANN DNS Symposium](#) and [OARC41](#).

Event dates are as follows:

- Monday, 4 September, 2023: A Day of DNS Abuse Discussions
- Tuesday, 5 September, 2023: DNS Symposium
- Wednesday-Thursday, 6-7 September, 2023: OARC41

Registration for all events is now open at <https://events.icann.org/ids2023/registration>. Through registration, you will be able to select which of the events you plan to attend, in person or virtually, and if you would like to attend the complimentary cultural experience and social dinner. You will also be offered a visa invitation letter.

Discounted hotel accommodations can be found [here](#).

Email [CPSummit@icann.org](mailto:CPSummit@icann.org) for information on sponsorship opportunities.

A complete agenda will be posted [here](#) in the coming weeks.

Best regards,

Andee Hill
