

Dear Registry Operator,

This notice is to inform you that the [global amendment](#) to the [base gTLD Registry Agreement](#) was approved and will become **effective on 7 August 2023**.

Please refer to the reference materials provided on ICANN's dedicated [2023 Global Amendment webpage](#) to review the changes to the base gTLD Registry Agreement (Base RA), determine necessary implementation measures, and to track updates from ICANN. Details regarding the Registration Data Access Protocol (RDAP) transition milestone dates will also be posted to the 2023 Global Amendment webpage.

The global amendment to the Base RA (Base RA Global Amendment) received both required approvals as outlined in [Section 7.7\(c\)](#). The two required approvals were received from: (1) Applicable Registry Operators as of the end of the voting period on 20 March 2023, and (2) the ICANN Board on 30 April 2023 as outlined in the [Approved Board Resolution](#).

Pursuant to Section 7.7(c) of the Base RA, the revisions resulting from the approved Base RA Global Amendment will be effective and deemed an Approved Amendment to all registry agreement(s) for the TLDs listed in the attached Appendix A sixty (60) calendar days from the date of this notice on 7 August 2023.

Once the Base RA Global Amendment becomes effective, individual execution is not contemplated according to Section 7.7(c) of the Base RA. ICANN will publish the effective Global Amendment on the [Registry Agreements webpage](#). Additionally, ICANN will post the Base RA Global Amendment to each Applicable Registry Operator's Registry Agreement page on [icann.org](#).

If you have any questions, please submit a General Inquiry case in the [Naming Services portal](#) or email [globalsupport@icann.org](mailto:globalsupport@icann.org).

Thank you in advance for your continued support.

Sincerely,

Russ Weinstein  
Vice President, GDD Accounts and Services  
Internet Corporation for Assigned Names and Numbers (ICANN)
