II. REQUESTS FOR RECORDS UNDER THE FREEDOM OF INFORMATION ACT

The Assistant Clerk of the House, currently Brad Bolin, serves as the Freedom of Information Officer for the House of Representatives. As the Freedom of Information Officer, the Assistant Clerk is responsible for receiving and responding to requests for public records. The Assistant Clerk consults with the Office of the Speaker and the Office of the Minority Leader upon receiving requests for public records.

All public records are available to the public upon request. Many of the public records maintained by the House of Representatives are available for immediate review online at www.ilga.gov. The following steps should be followed in requesting information:

- Requests must be in writing. A request for a record of the House shall be made in writing and submitted via U.S. mail, personal delivery, fax, or email. The envelope, cover sheet, or subject of the correspondence should be clearly marked “Freedom of Information-Act Request.” Requests should be submitted as follows:
 - *Assistant Clerk of the House, Room 420 State Capitol, Springfield, IL 62706*
 - *Fax: (217) 782-3885*
 - *Email: illinoishousefoia@ilga.gov*

NOTE: The request must include your name, address, date, daytime phone number, and email address. If submitting a request by email, please provide your email address within the text portion of the email.

- Describe the requested records. A letter must identify the public records requested or a specific description of the information you are seeking.
- A request must disclose if it is made for a commercial purpose. If a request is made with the intent that the documents will serve a commercial purpose, the letter should include a statement indicating the request is a “Commercial Purpose Request.” Commercial purpose means the use of any part of a public record or records, or information derived from public records, in any form for sale, resale, or solicitation or advertisement for sales or services. 5 ILCS 140/2. This definition does not include “requests made by news media and non-profit, scientific, or academic organizations ... when the principal purpose of the request is (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education.” Upon receipt, the House must grant or deny a request within 5 business days (or 21 business days if the request is for a commercial purpose). If additional time is needed, the House may extend the response period by an additional 5 days or contact the requestor to advise of the approximate time when the information will be produced.

Fees for requests. The House may impose reasonable fees for the reproduction of public records according to the following schedule:

- Copies in black and white: the first 50 pages provided to requestor in a single calendar year are free, 10 cents for each additional page
- Color copies: 50 cents per page

- Tape recordings, DVDs, other digital media in electronic format: the actual cost of the recording medium.
 - The actual cost of a DVD is \$0.65 and the actual cost of a CD is \$0.60.

Fees may be reduced or waived at the discretion of the Clerk if the requester states the specific purpose for the request and indicates that a waiver or reduction of the fee is in the public interest. If the House imposes a fee, payment should be made by check or money order payable to the General Assembly Operations Revolving Fund.

Where it is anticipated that fees chargeable under this section will amount to more than \$25.00, and the requester has not indicated in advance his or her willingness to pay fees as high as are anticipated, the requester shall be notified of the amount of the anticipated fee or such portion thereof that can readily be estimated. In such cases, a request will not be deemed to have been received until the requester is notified of the anticipated cost and agrees to bear it. The notification shall offer the requester the opportunity to confer with agency personnel with the object of reformulating the request so as to meet his or her needs at a lower cost. If a requester previously failed to pay a fee under this section, and makes another request for documents, the House reserves the right (i) to withhold production of any additional documents to that requester until that delinquent fee is paid and (ii) to require an advance deposit of the full amount of the anticipated fee for any additional document production.
