

Financial Services

Clients of all sizes spanning the financial services industry rely on King & Spalding for sophisticated advice on their critical finance transactions and the complex disputes and regulatory issues that arise in relation to them. Our clients range from the largest global banks to leading regional banks to fintech startups and include a wide range of asset managers, broker dealers, private equity firms, non-bank finance companies, payment processors, and alternative capital providers. These clients turn to our multi-disciplinary team of nearly 500 lawyers worldwide to guide them through secured and unsecured lending, capital markets, specialty finance, securitization and other types of transactions, as well as commercial litigation and arbitration, securities and shareholder suits, multijurisdictional investigations and enforcement actions.
